CHEVALIER T. THOMAS ELIZABETH COLLEGE FOR WOMEN

*No.16, St. Mary's Road, Maryland, Sembium, Perambur, Chennai-11
Affiliated to the University of Madras & Re-Accredited by NAAC with Grade 'A'*

ABOUT THE COLLEGE

Chevalier T. Thomas Elizabeth College for Women is part of the educational institutions managed by the CTTE Trust, a pioneer in the private education sector, which is committed to quality education. T. Thomas Educational Trust was established in 1965 by Chevalier T. Thomas; he founded the prestigious St. Mary's Group of Schools in Perambur that helped to upgrade the social processes and economic activity in the industrialised North Madras. Chevalier T.Thomas Elizabeth College for Women was established in 1985 by the then Correspondent Mrs. Elizabeth Thomas, the wife of late Chevalier T.Thomas with the main purpose of empowering women. We are the first Self-financing College affiliated to the University of Madras and more than 13,000 women students have graduated till now.

The CTTE Trust became a Public Trust in December 2002. Honourable Justice Thiru J. Kanakaraj, Retired Judge, High Court, Madras was appointed by the High Court of Madras as the Chairman of CTTE Trust. Mr. L. Palamalai, IAS retired, became the Managing Trustee and Correspondent, and together they took up the tough and challenging job of developing the academic institutions under the Trust. On February 21, 2022 Honourable Justice Thiru. N. Paul Vasantha Kumar took over as the next Chairman of the C.T.T.E Trust.

INFRASTRUCTURE

- ❖ **T. Thomas Auditorium** is air-conditioned with a capacity of around 500 seating, equipped with WiFi and projector.
- ❖ **Justice J. Kanakaraj Auditorium** is centrally air-conditioned and can seat 700 people, equipped with WiFi and projector.
- ❖ **Seminar Hall** is air-conditioned with WiFi and projector, and can seat 50 people.
- ❖ **Conference Halls** are available with LCD projectors
- ❖ **Smartboards** are available in each department.
- ❖ **The Sports Annexe** has an indoor stadium.
- ❖ **The College Playground** has a 200 metre track.
- ❖ **Computer Labs** are two in number along with a Language Lab.
- ❖ **Classrooms** are well ventilated.
- ❖ As per standards, we have the following labs to fulfil academic requirements of the courses offered.
 - Physics Lab
 - Chemistry Lab
 - Microprocessor Lab
 - Psychology Lab
 - Language Lab [ADEPT]
 - Computer Science Lab
 - Computer Applications Lab

❖ **Academy for Developing English & Personality Traits (ADEPT) - Language Lab**

The lab has 31 computers which have been enabled with Renet software which provides an interactive platform for improving study skills, soft skills, English grammar and English pronunciation. Each student is given the computer for 3-4 hours per month on a rotation basis for the first two years of all Undergraduate courses. The PG students are given free internet and can use the lab from 09.00 a.m to 04.00 p.m. They can take printouts and photocopies at a very nominal rate.

❖ **Transportation Facilities**

We have buses catering to many areas in the Greater Chennai Corporation, at a nominal transportation fee, offering safe & punctual rides to college students.

❖ **Facilities for Differently Abled**

The college has amenities that make daily life easier for students with disabilities. All the classrooms are accessible by lift and staircases with hand railings. The Path to the main block and other areas has additional ramps for ease of access, we also have wheelchairs available for student's use.

DIGITAL INFRASTRUCTURE

❖ **G Suite For Education - Learning Management System**

G Suite for Education was implemented in 2018 long before the pandemic, as a step forward in innovatively engaging with an increasingly tech savvy student community.

The College has acquired a lifetime licence of G Suite for Education, formerly known as GAFE – Google Apps For Education. G Suite for education at CTTE College is accessible only by students &

teachers of our college with a specific domain mail ID assigned after admission. The primary app of this ecosystem is Google Classroom, a virtual classroom for sharing content, assignments & evaluation of assignments. Integrated with our classroom, Google Meet serves as our primary tool for live tutoring & safe engagement.

- ❖ **E-Resources Lab** for online learning resources and skill development equipped with high-speed internet, printing, scanning & photocopy facilities. Resource Lab is used extensively by research & postgraduate students and also graduate students for their projects.
- ❖ **Google Sites** – Each department, club & development cell hosts an official microsite from our G Suite platform. Managed by heads of the department, moderated by students, this initiative offers freedom, responsibility, accountability & ownership of their department activities & contributions.

Maryland Library

- ❖ The library has 30,000 Knowledge Resources comprising books, theses, audio-visual materials, bound back volumes of journals and magazines to provide information support to its users. Turnitin plagiarism software is available.
- ❖ The e-resources available in the library are:
 - UGC-Inflibnet (N-List Programme)
 - British Council Online Membership
 - National Digital Library of India
 - Civil Service India E-Magazine
 - Institutional member with American Centre library
 - Syllabus e-books

IN-HOUSE INTERNSHIPS OFFERED BY THE COLLEGE

All the departments offer in-house internships.

The other sectors offering internships are:

- Library
- IQAC
- Ekalavya Internship offered by Centre for Student Development
- Swachh Bharat Abhiyan
- TETL

GRIEVANCE REDRESSAL COMMITTEE

The College Grievance Redressal Committee was set up in accordance with UGC Regulations 2018 for handling grievances related to students. The Committee

will consider formal grievances received in writing or submitted through email to the following id: grievance@cttewc.edu.in.

COUNSELLING

In order to take care of the psychological needs of the students, the college has a qualified Counsellor. Students are free to approach the Counsellor.

COMPETITIVE EXAMINATIONS COACHING

Competitive Examination Cell

- Aspiration track for IAS aspirants
- Corporate career track for the career focussed
- TNPSC - Group II & IV
- UPSC
- Any other government examination

Bank Coaching Cell

- Competitive track for students targeting PSU/Bank recruitments

PLACEMENT CELL / IT TECHNICAL TRAINING

With an increasing number of companies & startups focusing on keeping up with the growth market trend, & more students graduating every year, there is both demand & competition in the job market. A dedicated Training and Placement Cell ensures our graduates stay ahead of the competition and are capable of meeting the market's skill demands.

The placement cell takes initiatives to train UG & PG graduates for placement and takes part in inviting and organising recruitment drives. The primary objective of the cell is to facilitate a dialogue between prospective employers

and the talent pool the college has cultivated, during which the recruiters can identify suitable candidates for their organisation.

Led by a full time placement officer and student representatives from each department acting as placement coordinators, the placement cell functions around the year, focus on the below areas.

- Conducting placement training programs for students.
- Inviting leading organisations for campus recruitment.
- Disseminating information & event schedules.
- Organising a well planned recruitment drive.

We have alumni presence in the following companies TCS, CTS, WIPRO, Techno Soft Global Services Pvt Ltd, Net Ambit, ITech India Pvt Ltd, Capgemini Business Services Ltd. etc.

TECHNOLOGY ENHANCED TEACHING AND LEARNING (TETL)

TETL aided us to seamlessly shift to the virtual platform during the pandemic. Weekly once, the classes are conducted online and in these G Suite classrooms, the best knowledge resources are posted regularly to enable self-paced learning aiming at creating the autonomous learner.

PARTNERSHIP IN LANGUAGE AND LEARNING (PILL)

PILL is a collaborative learning by pairing advanced and slow learners. This initiative has brought forth young academic leaders who become experts in subjects they teach; it has enabled a democratic learning environment in the campus. Also it is slowly empowering young women.

STUDENTS COUNCIL

Our Student Council is an official body with student elected representatives, The council serves as a liaison between students & management, encouraging

dialogue and democratic approach to address student needs. The Student Council functions directly under the Dean of Students.

FINE ARTS ACADEMY AND CLUB

The Fine Arts Club plays a vital role in helping students to develop and exhibit their talents. The college also provides free training in Yoga, Bharatanatyam and Veena. This academy has qualified teachers. Every year, two major cultural events, Kalakiran and Chainika are held. These cultural activities are conducted as interdepartmental and inter collegiate events and provide an opportunity for networking, organising and showcasing talents. To promote secularism and develop religious tolerance and harmony, festivals like Christmas, Onam, Ramzan and Pongal are celebrated every year.

PALKALAI MANRANGAL - STUDENT CLUBS AND CELLS

The following clubs and cells are run by students to serve society and neighbourhood. Students who actively participate in these clubs become effective good leaders.

NATIONAL SERVICE SCHEME

The National Service Scheme (NSS) is an Indian government-sponsored public service program conducted by the Ministry of Youth Affairs and Sports of the Government of India. This scheme was launched in Gandhiji's Centenary year in 1969. Aimed at developing student's personality through community service, NSS is a voluntary association of young people in Colleges for a campus-community linkage.

YOUTH RED CROSS

The International Red Cross brings assistance without discrimination to the wounded and aims at preventing human suffering wherever it may be

found. Its purpose is to protect life and health and to ensure respect for the human being. It promotes mutual understanding, friendship, cooperation and lasting peace amongst all peoples.

CITIZEN CONSUMER CLUB

The State Government has allocated the responsibility of consumer protection to the Ministry of Cooperation, Food and Consumer Protection. It aims at spreading awareness on consumer rights amongst all consumer segments.

RED RIBBON CLUB

Red Ribbon Club is started by the Government of India in colleges through which students will spread awareness over HIV / AIDS. It instils the values of service and increases the access to safe quantities of blood in order to help the needy during the emergency.

ART CLUB

Art can refer to a visual object or experience consciously created through an expression of skill or imagination. The term art encompasses diverse media such as painting, sculpture, printmaking, drawing and decorative arts.

EVENT MANAGEMENT CLUB

Event management involves overseeing all logistics leading up to and during an event, whether a conference, or any organised gathering. Event managers execute the event plans by managing finances, vendor relationships, and more.

CREATIVE WRITING CLUB

Creative writing goes beyond normal, professional, academic or technical forms of writing. It encompasses a number of different genres and styles across

a whole range of fields of both fictional and non-fictional writing; storytelling, playwriting, poetry, prose, journalistic, and more.

SPEECH & DEBATE CLUB

Oratory is the rationale and practice of persuasive public speaking. It is immediate in its audience relationships and reactions, but it may also have broad historical repercussions. The orator may become the voice of political or social history.

STANDARDS CLUB

The College has tied up with the Bureau of Indian Standards which has been providing traceable and tangible benefits to the national economy in a number of ways – providing safe reliable quality goods; minimising health hazards to consumers; promoting exports and imports substitute; control over proliferation of varieties etc. through standardisation, certification and testing.

MUSIC CLUB

Music is an art that, in one guise or another, permeates every human society. Throughout history, music has been an important adjunct to ritual and drama and has been credited with the capacity to reflect and influence human emotion.

DRAMA CLUB

Dramas depend heavily on spoken dialogue to keep the audience informed about the characters' feelings, personalities, motivations, and plans. Dramatic performances are generally classified into specific categories according to the mood, tone, and actions depicted in the plot.

DANCE CLUB

Dance is the movement of the body in a rhythmic way, usually to music and within a given space, for the purpose of expressing an idea or emotion,

releasing energy, or simply taking delight in the movement itself. The club encourages all types of dances.

LIFE SKILLS CLUB

In day to day life, life skills are very important especially to youngsters. Educating the youth about life skills would enable them to improve their knowledge, develop values and views and make them know when and how to do a task. Building life skills motivates healthy behaviour and increases self-confidence.

VILLUPAATU CLUB

Villupaatu is also known as Villadichampattu. It is an ancient form of musical storytelling in India in which narration is interspersed with music. It is an art of southern states of Tamil Nadu, Kerala and North-East Sri Lanka. In this club, we encourage students to perform villupaatu for various events.

WELLNESS CLUB

Wellness Club focuses on physical, emotional & mental wellness aspects of our students. Yoga classes conducted by external resources & internal trained students, Martial arts classes, etc are a few examples of activities that happen in the club. Join us to know more.

ECO CONSERVATION CLUB

Ecology is the study of organisms and how they interact with the environment around them. Environmental conservation has become one of the core issues that need to be addressed to battle climate change and global warming. Sustainable development is the need of the hour that can save the mother earth from the repercussions of industrialization.

PERSONAL GROOMING CLUB

Personal Grooming Club focuses on growing holistically. Transitioning from school children to college students, more often than not, we look up to our seniors & friends and it influences how we groom ourselves. Grooming is not just about appearance and fashion trends, it encompasses many areas, body language, choice of words, hygiene, dressing with dignity.

EVE CELL

Empower and Values through Education [EVE], the Women's Cell of our college aims at empowering students by creating awareness of their rights and strength as women and thereby helps them in achieving equal participation in the social, cultural and economic arenas of life.

RESEARCH CELL

Research is an integral part of the Higher Education system. Teaching and Research feed each other and travel in parallel lines for effective education. Thus, it is required that research culture is inculcated at the early stage of learning of students. The CTTE Research Cell provides an effective support system in establishing Research-intensive units where students can experience Invention/Innovation-centric learning rather than Information-centric learning.

CENTRE FOR STUDENT DEVELOPMENT - EDC & IIC

Centre for Student Development (CFSD) encompassing Entrepreneurship Development Cell (EDC) and Ministry of Education's Institution's Innovation Council (IIC) of the College is formed to promote innovativeness and leadership qualities among students. It encourages the students to organise activities for development of their social and entrepreneurial life coping skills. It aims at providing student-centred holistic experience for their personality development. Techtaught, Milir, Hercraft, Aavin, Stubazaar, Vizhithiru, Alumna canteens and Book binding business are some of the leading ventures of CFSD.

CTTE ALUMNAE ASSOCIATION

The C.T.T.E Alumnae Association is a registered body that plays an important role in the growth of the college. Several of our alumnae have joined the institution as faculty and they work with pride and commitment leading others in their efforts to contribute to the development of the institution.

AWARDS AND RECOGNITIONS FOR STUDENTS

The College appreciates the leadership shown by women students and students have to apply for these awards in the proforma given by the college office. Students will be selected based on criteria defined by the college. Interested students can get the details from the College office. These awards will be given to students on the college day as a recognition of their contribution to their varied departments/clubs/college or society in general. Any other contribution by students also will be duly recognised.

RULES AND REGULATIONS

- The College believes in discipline, commitment and hard work.
- Students must be punctual and attend the morning assembly every day. Serious action will be taken against habitual late comers.
- Students must be regular to classes as the College insists on 90% attendance.
- Students must involve themselves in academic and co-curricular activities and do projects, present papers, participate in competitions, organise programmes etc.
- They must avoid using indecent, unparliamentary language. They are encouraged to speak English on campus.
- They must wear modest clothes.
- Students must wear their ID Cards on the college campus.
- Students must keep the campus and classroom clean.
- Cell phones are banned on the college campus. Written permission should be obtained from the principal if parents want their wards to carry cell phones.
- Students are discouraged from wearing gold ornaments or carrying money and other valuables to college. College will not be responsible for any loss of personal belongings.
- Students are prohibited from indulging in ragging. A Black box has been provided for complaints on ragging. If any incident of ragging comes to the notice of the authorities the concerned student will be given a chance to explain and if her explanation is not found satisfactory, she will be expelled from the institution.

ADMISSION PROCEDURE

- Free Online Applications are available on the website.
- Completed Application forms should be submitted to the college office along with the printout of the Board Exam results published on the internet for provisional admission.
- Spot admission will be offered to meritorious candidates.
- Students from Boards other than the Tamil Nadu State Board and CBSE will be admitted only if they produce the Eligibility Certificate from the University of Madras.
- Admission is subject to verification of mark certificates issued by the Director of Govt. Examinations. If mark certificates are found to be fake, the admission will be cancelled and criminal action will be taken against the candidate.

The following documents must be submitted in ORIGINAL along with photocopies at the time of the Interview.

1. Interview Card
2. +2 Marksheet (2 Copies)
3. Transfer Certificate (2 Copies)
4. Conduct Certificate from the Head of the Institution in which the candidate last studied (2 Copies)
5. Community Certificate issued by the Tahsildar of the District concerned.
6. Medical Fitness Certificate with Blood Group
7. Passport Size Photograph (3 Copies)
 - Selected candidates should remit the fees in cash at the college office fee counter.
 - Students who do not pay their fees immediately cannot be assured a seat.
 - College office free education to students who are selected by the University of Madras under the Free Education Programme.

**Students' Free Education Programme recommended by the
Vice-Chancellor of the University of Madras**

The +2 students who will be selected under the scheme are eligible for the award of free admission in the affiliated Colleges for Under-Graduate Courses. For application form and further details, please contact the Public Information Officer, University of Madras, Centenary Building, Chepauk, Chennai - 600 005 immediately.

CHOICE BASED CREDIT SYSTEM (CBCS)

The College follows the Choice Based Credit System (CBCS) implemented by the University of Madras.

A Candidate will be eligible for the award of the Degree only if he/she has undergone the prescribed course of study in a College affiliated to the University for a period of not less than three academic years and passed the examinations of all the Six Semesters prescribed earning a minimum of **140 credits as per the distribution for** Part I, II, III, IV & V and also fulfilled such other conditions as have been prescribed thereof.

COURSE STRUCTURE AS PER THE UNIVERSITY OF MADRAS REGULATIONS

The Course Components and Credit Distribution consists of the following: (Minimum Number of Credits to be obtained)

Course Component	Name of the Course	Credits allotted for Four Semester Language Papers	Credits allotted for Two Semester Language Papers
PART I	Tamil or Other Languages	12	06

	Allied Courses	20	20
	Project/ Three Elective Courses	15	15
PART IV	Basic Tamil/Advanced Tamil/ NME*	04	04
	Soft Skill Courses	12	12
	Environmental Studies	02	02
	Value Education	02	02
PART V	Extension Activities	01	01
Total Credits		140	140

*a. Students who have not studied Tamil up to XII STD and have taken any Language other than Tamil in Part I shall take Basic Tamil comprising Two Courses (level will be at 6 th Standard).

b. Students who have studied Tamil up to XII STD and have taken any Language other than Tamil in Part I shall take Advanced Tamil comprising Two Courses.

c. Students who have studied Tamil up to XII STD and also have taken Tamil in Part I shall take Non-Major Elective comprising Two Courses.

CURRICULUM

The curriculum is based on UGC's initiative "Learning Outcome Based Curricular Framework".

EVALUATION

❖ **Formative Assessment: UG and PG**

Internal: (25 marks)

- Conducted in the college periodically.
- A student must score a minimum of 40% in the external and a total of 40% in the combined internals and external to pass.
- There is no passing minimum in the internals.

Internal marks are based on Continuous Internal Assessments (CIA) marks, attendance, seminars and assignments.

❖ **Summative Assessment: UG and PG**

External: (75 marks)

- University Theory Examination at the end of every Semester.
- Students are eligible to appear for the end semester University Examination only if they have a minimum of 75 % attendance.

POST GRADUATE AND RESEARCH DEPARTMENT OF ENGLISH

The Post Graduate and Research Department of English aims at empowering women through English language skills and literature. The Department was established in 1985.

B.A ENGLISH

CURRICULUM

Programme Specific Objective:

By the end of B.A. English programme, students will be able to demonstrate knowledge of literature as a discipline by studying a range of literary texts written in English or translated into English from the past to present times.

THE DEPARTMENT OF MATHEMATICS

The Undergraduate Department of Mathematics was established in 1985. The Department strives to provide a strong foundation in Mathematics and boarded their basic knowledge in core theoretical and application oriented courses.

B.Sc. MATHEMATICS

CURRICULUM

Programme Specific objective:

By the end of B.Sc. Mathematics Programme, students will be able to get a better understanding of mathematical concepts and their applications.

Eligibility	Core Papers	Elective/Extra Disciplinary Papers	Non-Major Elective
A pass in HSC or equivalent with Mathematics	<ul style="list-style-type: none"> • Algebra • Differential Calculus • Trigonometry • Integral Calculus and Vector Analysis • Analytical Geometry • Differential Equations • Transform Techniques • Statics • Algebraic Structures-I • Real Analysis-I • Dynamics • Discrete Mathematics • Algebraic Structures-II • Real Analysis-II • Complex Analysis 	<p>Allied</p> <ul style="list-style-type: none"> • Calculus of Finite Differences and Numerical Analysis-I & II • Mathematical Statistics-I & II • Physics I & II • Chemistry I & II <p>Electives</p> <ul style="list-style-type: none"> • Programming Language Python with Practicals • Graph Theory • Operations Research 	<ul style="list-style-type: none"> • Functional Mathematics I & II

Job Opportunities

Teaching, IT, Government Jobs, Bank Jobs etc.

THE DEPARTMENT OF PHYSICS

Started as an Allied Department in 1985, the Department acquired major status in 1986 with well-equipped general optics and electronics laboratories and sophisticated instruments. Since its inception, students have been consistently securing University ranks and are well placed globally after pursuing higher education.

B.Sc. PHYSICS

CURRICULUM

Programme Specific Objective:

By the end of B.Sc. Physics programme, students will be able to acquire a thorough understanding of physical phenomena, identify the principles and basic concepts in Physics as well as conduct experiments to demonstrate their understanding of scientific methods.

Eligibility	Core Papers	Allied / Electives	Non-Major Elective
A Pass in HSC with Physics/ Maths/ Chemistry	<ul style="list-style-type: none"> ● Properties of Matter and Sound ● Thermal Physics ● Mathematical Methods in Physics ● Mechanics ● Optics & Spectroscopy ● Electricity and Electromagnetism ● Quantum mechanics ● Basic Electronics ● Atomic Physics & Lasers ● Nuclear and Radiation Physics ● Solid State Physics 	<p>Allied</p> <ul style="list-style-type: none"> ● Mathematics ● Chemistry <p>Electives</p> <ul style="list-style-type: none"> ● Numerical Methods ● Integrated Electronics ● Microprocessor 8085 and Microcontroller 	<p>Non-Major Elective</p> <ul style="list-style-type: none"> ● Physics in Daily Life ● Complementary Physics - II

Job Opportunities

Teaching, IT, Government Jobs, Bank Jobs etc.

THE DEPARTMENT OF CHEMISTRY

The Department of Chemistry was started as an allied department in 1987 and acquired major status in 2016. Its aim is to place the graduates in reputed research organisations and chemical industries. It promotes the students' critical thinking, gives practical exposure and prepares them for rewarding professional careers. Graduates of this course are better equipped to understand the new environment friendly systems and can understand the processes that the chemical industry is adopting.

B. Sc. CHEMISTRY

CURRICULUM

Programme Specific objective:

By the end of B.Sc. Chemistry programme, students will be able to apply theoretical principles and experimental findings in chemistry to design, carry out, record and analyse the results of chemical experiments.

Eligibility	Core Papers	Elective/Extra Disciplinary Papers	Non-Major Elective
A minimum of 55% Pass in HSC with Physics/ Mathematics/ Chemistry	<ul style="list-style-type: none"> General Chemistry - I, II, III, IV Major Practical - I (Volumetric Analysis and Inorganic Preparation) Major Practical II (Semi micro analysis of mixture of salt) Inorganic Chemistry I & II Organic Chemistry I & II Physical Chemistry I & II Major practical III (Gravimetric analysis) Major practical - IV (Organic analysis and preparation) Major Practical V (Physical chemistry) 	<p>Allied</p> <ul style="list-style-type: none"> Mathematics I Mathematics II Allied Physics I Allied Physics II <p>Electives</p> <ul style="list-style-type: none"> Pharmaceutical Chemistry Polymer chemistry Analytical Chemistry Nanomaterials & green chemistry 	<p>Non-Major Elective</p> <ul style="list-style-type: none"> Chemistry in everyday life Food Chemistry

Job Opportunities

Teaching, IT, Government Jobs, Bank Jobs etc.

THE DEPARTMENT OF COMPUTER SCIENCE

The Department of Computer Science aims at empowering women through a comprehensive knowledge in various fields of Computer Science. The Department motivates students and prepares them for independent growth and progressive careers in long-term professional employment. The Department was established in 1988.

B.Sc. COMPUTER SCIENCE

CURRICULUM

Programme Specific objective:

By the end of the Computer Science programme, students will be able to formulate algorithms for effective programming, involve in data analysis, and create stand-alone and web-based applications using Visual Programming languages.

Eligibility	Core Papers	Elective/Extra Disciplinary Papers	Non-Major Elective
A Pass in HSC with Mathematics/ Computer Science/ Computer Applications	<ul style="list-style-type: none"> ● Problem Solving Using Python ● Core Practical-I - Problem Solving Using Python Lab ● Computer Organization ● Core Practical-II - Computer Organization Lab ● Java And Data Structures ● Core Practical-III - Data Structures Using Java Lab ● Web Technology ● Core Practical-IV - Web Technology Lab ● Computer Network ● Operating System ● Relational Database Management System ● Core Practical-V - Operating System Lab ● Core Practical-VI - Pl/Sql Lab ● Software Engineering ● Introduction To Data Science ● Introduction To Cloud Computing ● Core Practical-VII - Case Tools and Testing Tools Lab ● Core Practical-VIII - Mini Project 	<p style="text-align: center;">Allied</p> <ul style="list-style-type: none"> ● Mathematics-I ● Mathematics II ● Physics-I ● Statistics I ● Physics-II ● Statistics II <p style="text-align: center;">Electives</p> <ul style="list-style-type: none"> ● Artificial Intelligence and Expert System ● BlockChain Technology 	<p style="text-align: center;">Non-Major Elective</p> <ul style="list-style-type: none"> ● Office Automation

Job Opportunities

Teaching, IT, Government Jobs, Bank Jobs, Software Development etc.

THE DEPARTMENT OF PSYCHOLOGY

Chevalier T. Thomas College for Women introduced the B.Sc Psychology programme in July, 2016. The Department aims at creating awareness on human behaviour and mental health through scientific principles of psychology. It has a well equipped Psychology Laboratory that has facilities for conducting experiments and research activities.

B.Sc. PSYCHOLOGY

CURRICULUM

Programme Specific Objective:

By the end of the B.Sc Psychology programme, students will be able to understand human behaviour, describe the ethical principles, conduct basic psychological tests and experiments, and interpret the findings.

Eligibility	Core Papers	Allied/ Electives
A Pass in HSC	<ul style="list-style-type: none"> ● General Psychology-I, II ● Biological Psychology-I, II ● Developmental Psychology-I, II ● Experimental Psychology ● Psychological Assessment ● Abnormal Psychology-I, II ● Social Psychology-I, II ● Introduction To Research Methodology ● Health Psychology ● Introduction To Theories of Personality 	<p>Allied</p> <ul style="list-style-type: none"> ● Introduction To Indian Psychology ● Introduction To Community Psychology ● Statistics In Psychology ● Consumer Behaviour and Advertising <p>Electives</p> <ul style="list-style-type: none"> ● Sports Psychology ● Guidance and Counselling Psychology ● Human Resource Management

Job Opportunities

Teaching, IT, Government Jobs, Bank Jobs, Counselling etc.

THE DEPARTMENT OF COMPUTER APPLICATIONS

The objective of the Department of Computer Applications is to provide quality education by providing opportunities to students to explore and understand the concepts of technology. The Department aims at giving students an all round education. Started in 2008, the Department now has four qualified faculty members.

BCA

CURRICULUM

Programme Specific Objective:

By the end of the BCA programme, students will be able to apply standard software engineering practises to latest technologies and acquire technical and professional skills to solve problems in the areas of Computer Applications.

Eligibility	Core Papers	Allied/ Electives	Non-Major Elective
A Pass in HSC with Mathematics/ Computer Science/ Computer Applications	<ul style="list-style-type: none"> • Problem Solving Using Python • Core Practical-I - Problem Solving Using Python Lab • Object Oriented Programming Concepts Using C ++ • Core Practical-II - C++ Programming Lab • Data Structures • Java Programming • Computer Organization • Core Practical-III - Data Structures Using Java Lab • Computer Network • Open-Source Technologies • E-Commerce Technologies • Core Practical-IV - Open Source Technologies Lab • Software Engineering • Operating System • Relational Database Management System • Core Practical-V - Operating System Lab • Core Practical-VI - Pl/Sql Lab • Web Design and Development • Data Mining • Mobile Application Development • Core Practical-VII - Mobile Application Development Lab 	<p style="text-align: center;">Allied</p> <ul style="list-style-type: none"> • Mathematics I & II • Financial Accounting • Cost And Management Accounting <p style="text-align: center;">Electives</p> <ul style="list-style-type: none"> • Multimedia & its Applications • IOT & its Applications 	<p style="text-align: center;">Non-Major Elective</p> <ul style="list-style-type: none"> • Office Automation

Job Opportunities

Teaching, IT, Government Jobs, Bank Jobs, Software Development etc.

POST GRADUATE AND RESEARCH DEPARTMENT OF COMMERCE

The Post Graduate and Research Department of Commerce aims at empowering women through commerce education and makes them employable through entrepreneurial activities. The department was established in 1985. It was upgraded into a PG department in 1990. In 2012, M.Phil (full time) was introduced.

B.Com. (G)

CURRICULUM

Programme Specific Objective:

By the end of B.Com. (General) programme, students will be able to acquire skills in accounting, finance, taxation, management and economics and develop their accounting knowledge through the curriculum and value- added certificate courses.

Eligibility	Core Papers	Allied/ Electives	Non-Major Elective
A Pass in HSC with Commerce and Accountancy. 20% seats reserved for vocational stream	<ul style="list-style-type: none"> ● Financial Accounting ● Business Communication ● Advanced Financial Accounting ● Principles of Management ● Corporate Accounting ● Business Laws ● Banking Theory Law and Practice ● Marketing ● Advanced Corporate Accounting ● Company Law ● Financial Services ● Indirect Taxation ● Elements of Cost Accounting ● Practical Auditing ● Logistics And Supply Chain Management ● Financial Management ● Advanced Cost Accounting ● Management Accounting ● Entrepreneurial Development 	<p>Allied</p> <ul style="list-style-type: none"> ● Business Economics ● Indian Economy ● Business Statistics ● Elements of Operations Research <p>Electives</p> <ul style="list-style-type: none"> ● Income Tax Law & Practice – I & II ● Human Resource Management 	<p>Non-Major Elective</p> <ul style="list-style-type: none"> ● Basics of Retail Marketing ● Elements of Insurance

Job Opportunities

Teaching, IT, Government Jobs, Bank Jobs etc.

M.Com.**CURRICULUM****Programme Specific Objective:**

Students will be able to acquire working knowledge and enhance their skills in Advanced Corporate Accounting, Strategic Human Resource Management, Computerised Accounting, Security Analysis and Portfolio Management, Merchant Banking and Advertising and Salesmanship.

Eligibility	Core Papers	Allied/ Electives	Soft Skills
Under graduates from any related discipline	<ul style="list-style-type: none"> ● Advanced Corporate Accounting ● Financial Management ● Organisational Behaviour ● Managerial Economics ● Advanced Cost & Management Accounting ● Quantitative Techniques for Business Decisions ● Marketing of Services ● Research Methodology ● Knowledge Management ● Fundamentals of Information Technology ● Management Information System ● Security Analysis & Portfolio Management ● Merchant Banking & Financial Services 	<p>Electives</p> <ul style="list-style-type: none"> ● Strategic Human Resource Management ● Computerised Accounting ● Consumer Behaviour ● Consumer Rights and Education ● Total Quality Management ● Business Ethics, Corporate Governance & Social Responsibility ● Advertising and Salesmanship 	<p>Soft Skills</p> <ul style="list-style-type: none"> ● Essentials of Language and Communication Skills ● Essentials of Spoken and Presentation Skills ● Life And Managerial Skills ● Computing skills

M. Phil. COMMERCE**CURRICULUM****Programme Specific Objective:**

Students will be able to explore the recent trends in commerce, economics, and accounting, conduct research in the pertinent areas and contribute towards the new domains of business knowledge.

Eligibility	Core Papers
Post Graduate in Commerce with 55%	Paper I - Business Research Methods Paper II - Advanced Financial Management Paper III - Elective

DEPARTMENT OF COMMERCE (ACCOUNTING & FINANCE)

The Department of Commerce (Accounting and Finance) aims at teaching students the principles of accounting and finance and skills related to these areas. The Department was established in 2012 and has four well qualified teachers. The Department of Accounting & Finance encourages students to showcase their talents by organising and participating in various Inter-departmental and Inter collegiate competitions.

B.Com. (A&F)

CURRICULUM

Programme Specific Objective:

By the end of B.Com. (A&F) programme, students will be able to demonstrate a working knowledge of corporate finance, markets, and instruments, as well as gather, interpret, and evaluate accounts and financial details. As part of the Madras University's OBE - Outcome Based Education program, the desired outcome is presented along with each course.

Eligibility	Core Papers	Allied/ Electives	Non-Major Elective
A Pass in HSC with Commerce and Accountancy. 20% seats reserved for vocational stream	<ul style="list-style-type: none"> ● Financial Accounting ● Financial Planning & Performance ● Advanced Financial Accounting ● Principle of Management ● Corporate Accounting ● Financial Reporting ● Banking Theory Law and Practice ● Marketing ● Advanced Corporate Accounting ● Corporate & Business Law ● Working Capital Management ● Indirect Taxation ● Elements of Cost Accounting ● Practical Auditing ● Income Tax Law & Practice – I & II ● Financial Management ● Advanced Cost Accounting ● Management Accounting 	<p>Allied</p> <ul style="list-style-type: none"> ● Business Mathematics-I & II ● Business Statistics ● Elements of Operations Research <p>Electives</p> <ul style="list-style-type: none"> ● Portfolio Management ● Entrepreneurial Development ● Capital Markets 	<p>Non-Major Elective</p> <ul style="list-style-type: none"> ● Consumer Protection and Consumer Rights ● Basics of Business Insurance

Job Opportunities

Teaching, IT, Government Jobs, Bank Jobs etc.

THE DEPARTMENT OF COMMERCE (CORPORATE SECRETARYSHIP)

The Department of Corporate Secretaryship aims at providing quality education and knowledge skills in a corporate environment. The Department was established in 1987 and has eight qualified faculty members who work as a dedicated team to empower students to face challenges in life. Students undergo project work at reputed companies like Chennai Port Trust, MFL, TTK, TNPL, Tube Products, TI Cycles, Wheels India, Sundaram Clayton etc.

B.Com. (CS)

CURRICULUM

Programme Specific Objective:

By the end of B.Com. (CS) programme, students will be able to gain adequate knowledge in legal requirements related to company issues and develop secretarial skills required for the corporate world.

Eligibility	Core Papers	Allied/ Electives	Non-Major Elective
A Pass in HSC with Commerce and Accountancy.	<ul style="list-style-type: none"> ● Financial Accounting ● Business Communication ● Advanced Financial Accounting ● Corporate Management ● Corporate Accounting ● Company Law and Secretarial Practice ● Advanced Corporate Accounting ● Indirect Taxation ● Cost Accounting ● Corporate Governance and Ethics ● Business Laws ● Income Tax Law & Practice – I & II ● Industrial Laws ● Management Accounting ● Entrepreneurial Development 	<p>Allied</p> <ul style="list-style-type: none"> ● International Trade ● Business Economics ● Business Statistics ● Securities Laws & Market Operations <p>Electives</p> <ul style="list-style-type: none"> ● Marketing ● Institutional Training 	<ul style="list-style-type: none"> ● Basic Elements of Logistics Management ● Fundamentals of Insurance

Job Opportunities

Teaching, IT, Government Jobs, Bank Jobs etc.

THE DEPARTMENT OF BUSINESS ADMINISTRATION

The Department of Business Administration was started in 2005. The Department aims at giving quality business education and produces highly competent socially responsible graduates with values, knowledge and skills. The students apart from being trained in academic excellence are also enabled to build their professional skills through Industrial Training, Industrial Visits and Guest Lectures.

BBA

CURRICULUM

Programme Specific Objective:

By the end of the BBA programme, students will be able to develop knowledge in core management areas like Human Resource, Marketing, Operations, and Finance, as well as analyse and devise solutions for business problems.

Eligibility	Core Papers	Allied/ Electives	Non-Major Elective
A Pass in HSC	<ul style="list-style-type: none"> • Principles Of Management • Financial Accounting • Business Communication • Management Accounting • Financial Management • Organisational Behaviour • Computer Application in Business • Marketing Management • Human Resource Management • Business Regulatory Frame Work • Financial Services • Management Information System • Advertising Management and Sales Promotion • Research Methodology • Operations Management • Materials Management • Business Environment • Service Marketing • Business Taxation 	<p>Allied</p> <ul style="list-style-type: none"> • Managerial Economics • International Trade • Business Statistics • Operation Research <p>Electives</p> <ul style="list-style-type: none"> • Entrepreneurial Development • Customer Relationship Management • Project Work 	<p>Non-Major Elective</p> <ul style="list-style-type: none"> • Basics of Retail Marketing • Basics of Insurance

Job Opportunities

Teaching, IT, Government Jobs, Bank Jobs etc.

THE PG DEPARTMENT OF SOCIAL WORK

The Department came into existence in August 2016 and offers a full-fledged two year Post Graduate programme in Social Work with three specialisations such as Medical & Psychiatric Social Work, Human Resource & Management and Community Development & Empowerment. The curriculum has three important components - theory, fieldwork and research.

MSW

CURRICULUM		
Programme Specific Objective: Students will be able to acquire knowledge of theoretical framework(s) to understand the interactions between individuals and social systems and apply the principles and techniques of social work practices in intervening with individuals and communities		
Eligibility	Core Papers	Field Work Practicum
1. Candidate must have completed graduation or equivalent from a recognized university 2. Candidate must be able to speak in Tamil	First Semester Core Paper I - Social Work Profession - History and Philosophy Core Paper II - Work with Individuals (Social Case Work) Core Paper III - Work with Groups (Social Group Work) Extra Disciplinary Paper I - Social and Psychological Foundation for Social Work Soft Skills - I - Essentials of Language and Communication Skill	<ul style="list-style-type: none"> ● Orientation (2 Days) ● Reality Walk (1 day) ● Skill Lab (5 Days) ● Observation Visit (8 Days) ● Rural Camp (8 Days)
