Report:

The CA (Chartered Accountant) is one of the most respected and challenging career fields. CA is a good option for higher education in India. Chartered Accountant plays a very important role in any organisation as private advisor or in the accounts department of an organization. Chartered Accountant plays an important role in case of disputes, bankruptcy, etc. To position the course and provide inputs regarding registering, exam process & tactics to clear the exams amidst undergraduate students, CTTE College for women organised a Career Guidance Programme for CA Aspirants in two slots on 7 August 2021 & 14 August 2021 for all final year students belonging to Commerce stream. The session was organised through the virtual platform (Gmeet) by Ms.Reshma Banu, III BBA Career Guidance Programme Student Coordinator who welcomed the gathering. The First slot was planned for final year B. Com(A&F) & BBA and the second slot was for B. Com (CS) students. Ms. Shakuntala Gopal, Chartered Accountant & Business Associate, Finance, ARGA Investment Management India Pvt Ltd was the resource person.

The resource person highlighted on the ways and means to register for the course, different levels of the course, the course content of each and every stage and the nuances to be followed to clear each course in different stages. She emphasized the opportunities and the demand for Chartered Accountants in the present and future based on the Economic forum report 2021. She expressed that to be a successful Chartered Accountant the pre-conceived opinion about the course as the toughest & challenging has to be removed from the mind and she also suggested that it is easy to clear all levels of examination with a clear mind, focus, and determination and only practice. She even explored the major role played by CA's when it comes to starting any new venture such as a company, industry or just an idea to be converted into business. She also advised students with few stress relieving measures to tackle the while pursuing the course. The resource person explained on the various roles & responsibilities of a Chartered Accountant in an organisation after a student raised a question during the question hour session.

Around 70 students attended the Programme in the first slot, around 85 students attended the Programme in the second slot and got benefitted. Ms.Poornima, III BBA delivered the vote of thanks for both session.

The main purpose of the entrepreneurship & Innovation programme is to create First Generation Women Entrepreneurs by imbibing entrepreneurial qualities and motivating them to start their own enterprise. The guest speaker highlighted that Entrepreneurs play a key role in the economy, using the skills and initiative necessary to anticipate needs and bring good new ideas to market. He also said that Entrepreneurship will be successful in taking on the risks of creating a startup and is rewarded with profits, fame, and continued growth opportunities. Participants were made clear that entrepreneurs create a firm to realize their idea, with aggregate capital and labor in order to produce goods or services for profit. Entrepreneurs create social change. They break tradition with unique inventions that reduce dependence on existing methods and systems, sometimes rendering them obsolete. A total of 100 students benefited by this workshop.
