GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The Vision and Mission statements are displayed prominently on the college website and all our academic and non-academic programmes are directed towards achieving these goals. The college has a strong academic ecosystem and effective curriculum delivery is its primary objective. Ample opportunities are given to students to develop the required skills through department activities, college activities, and club activities. Women leadership is a major thrust area and we have class leaders, PILL leaders, club leaders, Junior Council and Student Council. Student research also is encouraged creating an ambience of knowledge, research, and skills development. Departments conduct certificate courses to train a strong workforce with employability skills.

The teachers monitor most of these student activities and guide the

students keeping the vision of the college in mind. The students are free to approach the Principal and the Dean of Students with their plans and suggestions apart from grievances.

Important decisions and the performance reports are placed before Governing Council regularly.

Fee Relaxation during COVID period

- The Management did not specify any due date for semester fee payment and permitted part payments.
- The Management has given advance loans to the college to support the students who were unable to pay the University Exam fee, due to financial loss due to lockdown.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Gender Equity and Sensitization in Curriculum

These courses give an academic view of gender issues with a view to teach gender equality. They help students to identify existing gender differences and also to analyse and explain how these inequalities with the disadvantages they confer on women have shaped their experience and identity.

Name of the Course

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

This work is done by the Eco club of the college. The Corporation of Chennai collects these wastes every morning as per norms prescribed by the government. The supporting staff clean the campus in the morning. The fallen leaves are collected and put in a separate bin. The canteen deposits its waste separately. The other plastic wastes are collected in a separate manner. The Liaison Officer monitors these works and the campus is kept clean throughout the day.

The waste from the canteen kitchen is used to produce biogas. The canteen was closed during the pandemic period. The work is monitored by the Head of the Chemistry department and the Liaison Officer takes care of these works.

The e-waste and materials wastes are periodically sent for recycling to the Trishyiraya Recycling India Pvt. Ltd., (Unit of Sims Recycling Solutions), Chennai every year, but due to pandemic, this was not carried out last year.

Based on the MOU signed with ITC Limited - Paperboards & Speciality Papers Division, the college has contributed 2401 kgs of dry recyclable waste for recycling during the FY 2021-22, in exchange we received A4 reams.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

The college is secular and is inclusive in all its functioning procedures. It treats all its stakeholders in a manner of egalitarian principle practising social justice.

Our student admission processes are driven by the principles of our

constitution. We follow the norms of the government and follow the policies of reservation meticulously. As we are very particular about women leadership, we extend support to students who are physically challenged, dyslexic and so on. We take special care of them throughout the year. Our class teacher system is very inclusive and has proved to be very effective in recording student grievances immediately and following it up.

Staff appointments also are inclusive and selections are based on written examination followed by oral examination for teachers. The office staff also take up written examinations to be selected. The work culture in the campus is multicultural and reflects the vision of our nation.

The student council comprises members that are inclusive of all communities. The student's leaders of the college, thus, represent the nation in its multicultural and heterogenous identity.

Festivals of all religions like Christmas, Ramzan, Pongal, Onam are celebrated which reflects the communal harmony.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

Lots of importance is given to sports and cultural activities other than regular academics.

The fine arts programmes are advised to bring forth songs and dances that reflect the ideology of the nation. Our students celebrate national days and the birthdays of great leaders. Students plan activities, and during the pandemic, they celebrated these events online. Apart from celebrating at the collegiate level, departments also organize programmes and competitions to create the sense of citizenship in the minds of students.

The Swachh Bharath and consumer clubs are very active in the college. During the pandemic the student council took active measures to make sure an awareness was created on the responsibility

of citizens to wear masks and maintain social 'distancing.' There were a number of posters that were created by our students in this regard.

EVE conducts programmes on our rights; every Republic Day celebration concentrates on the constitutional rights of the Indian citizen.

CTTE students are shaped to be responsible citizens of the nation and have begun to build teams and will practice mutual toleration.

Our teachers are naturally a part of all these programmes, and hence the college continues to contribute to the nation by creating responsible citizens.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practice 1

Technology-Enabled Teaching- Learning (TETL)

- With the advances in technology, the college realized the need to integrate technology into the teaching-learning process and over the years the pedagogic practices have evolved and become more and more supported by technology.
- To integrate technology-enabled teaching-learning with traditional practices for more effective teaching-learning outcomes. to make the teaching-learning process interesting, interactive, and relevant to the digital generation.

Best Practice 2

Partnership in Language and Learning (PILL)

PILL program is collaborative learning through peer learning by pairing advanced and slow learners. Soon after the model exam, PILL is encouraged among students to enhance the academic, communication and leadership skills among advanced learners and who in turn help the slow learners to understand the subjects and complete the program successfully. Advanced learners help the slow learners in groups.

To elevate the first generation learners

- To help the students with learning disabilities
- To create interest in each course
- To imbibe teaching abilities among PILL leaders
- To boost leadership skills of PILL Leaders
- To enhance self paced learning
- To increase the pass percentage

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Being situated in North Chennai which has mixed population mostly comprising of class IV employees, most of our students are first generation learners. Though our students are mainly from the middle and lower middle classes, we make sure that they are guided into career or higher studies. The main priority of the college is Women Empowerment through financial independence. The College is committed to empowering the students by guiding them into higher studies and offer campus placements. During the academic year 2021-2022, 247 students out of the 500 registered students(49%) were placed. A total of 344 offer letters were given with few students getting more than one offer. 195 students have enrolled in post graduate studies.

Free coaching classes for competitive exams like TNPSC, Bank exams etc.

Technical and Entrepreneurship Skill Development is offered through TETL & TSDC initiatives of the College & MoE's IIC & ED Cell of our College.

Considering the economic background of the students and the financial crunch due to the pandemic fine for late payment of fees was waived off. The Management also paid the university examination fees of the defaulters, and the amount was collected from the students after the due date without any fine in order to ensure continuation of education.

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Curriculum delivery

- As an affiliated College to the University of Madras, the university prescribed syllabus is followed and the curriculum delivery is monitored by Dean Academics & Curriculum Development and Monitoring Committee (CDMC)

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The Vision and Mission statements are displayed prominently on the college website and all our academic and non-academic programmes are directed towards achieving these goals. The college has a strong academic ecosystem and effective curriculum delivery is its primary objective. Ample opportunities are given

to students to develop the required skills through department activities, college activities, and club activities. Women leadership is a major thrust area and we have class leaders, PILL leaders, club leaders, Junior Council and Student Council. Student research also is encouraged creating an ambience of knowledge, research, and skills development. Departments conduct certificate courses to train a strong workforce with employability skills.

The teachers monitor most of these student activities and guide the students keeping the vision of the college in mind. The students are free to approach the Principal and the Dean of Students with their plans and suggestions apart from grievances.

Important decisions and the performance reports are placed before Governing Council regularly.

Fee Relaxation during COVID period

- The Management did not specify any due date for semester fee payment and permitted part payments.
- The Management has given advance loans to the college to support the students who were unable to pay the University Exam fee, due to financial loss due to lockdown.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

Decentralised and Participative Management

The Chairman regulates the functioning of the college.

The Managing Trustee and Correspondent constantly guides, supports and sanctions the annual budget proposals and other ad hoc expenses.

The Principal monitors the overall performance of the college: academics, infrastructure, clerical etc.

The Vice-Principal monitors the teachers' professional ethics, behaviour, leave patterns and is the authority to sanction leave under normal circumstances and consult the Principal in complex issues.

The Dean of Academics monitors the curriculum implementation planning committee activities and plan the academic calendar.

The Dean of Students monitors all student activities and checks if they are aligned with the vision & mission of the college.

The College Advisory Committee meets to pass important resolutions frequently.

The HoDs regularly meet in the College Action Council to discuss important academic and administrative issues.

The IQAC is in action, monitoring the functioning of the college and frequently reports to the Principal and suggests new avenues of planning to improve.

Class teachers are in charge of classes and all their activities.

The Liaison Officer monitors all campus infrastructural issues. There are faculty members in charge of supervising these works done by the Liaison Officer.

The members of Student Council, Junior Council, Class leaders, and PILL leaders are part of various decision making.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The institutional strategic plan is effectively deployed using the following mechanism:

Regular strategic plan meetings by:

- Governing Council Meetings
- College Advisory Committee Meetings
- College Action Team Meetings
- General Faculty Meetings
- IQAC Meetings
- Department meetings
- Office Clerks Meetings
- Supporting Staff Meetings

The other measures deployed are:

- To empower the faculty with essential technical knowledge and skills, number of training programmes are being conducted.
- to do collaborative research with industry and other institutions: continuous efforts are being taken to get industry - institution negotiations

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The IQAC monitors the quality functioning of the institution's teaching learning process. The Principal, Vice-Principal, the Dean of Academics, the Dean of Students, the senior HoDs are all part of this team and hence planning and monitoring is seamlessly done every semester.

Structures and Methodologies of Operations:

Review of Teaching learning process

- The Dean of Academics is a senior IQAC member and the academic calendar is prepared well in advance.
- The course files are checked every semester.
- Every Google class has the lesson plan and the course file.
- These classes are monitored by the IQAC Chairperson and the other monitoring committee members. Teachers are guided accordingly.

Monitoring of Internal Assessments

- The CIAs are planned in advance.
- Lesson plans are posted in the Google classroom.
- The question papers are tallied with the lesson plan.
- Activities in the online classes are monitored.

- Common Mark Registers are maintained in a transparent manner that records attendance and other components for the CIA.

Learning outcomes

- The external experts evaluate the outcome of knowledge .
- The Placement Cell guided by the IQAC discusses the significance of skill based learning in the classroom and evaluates its outcome.
- Based on the periodical evaluation of learning outcomes appropriate remedial/enhancement measures are taken by the IQAC.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

This work is done by the Eco club of the college. The Corporation of Chennai collects these wastes every morning as per norms prescribed by the government. The supporting staff clean the campus in the morning. The fallen leaves are collected and put in a separate bin. The canteen deposits its waste separately. The other plastic wastes are collected in a separate manner. The Liaison Officer monitors these works and the campus is kept clean throughout the day.

The waste from the canteen kitchen is used to produce biogas. The canteen was closed during the pandemic period. The work is monitored by the Head of the Chemistry department and the Liaison Officer takes care of these works.

The e-waste and materials wastes are periodically sent for recycling to the Trishyiraya Recycling India Pvt. Ltd., (Unit of Sims Recycling Solutions), Chennai every year, but due to pandemic, this was not carried out last year.

Based on the MOU signed with ITC Limited - Paperboards & Speciality Papers Division, the college has contributed 2401 kgs of dry recyclable waste for recycling during the FY 2021-22, in exchange we received A4 reams.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

The college is secular and is inclusive in all its functioning procedures. It treats all its stakeholders in a manner of egalitarian principle practising social justice.

Our student admission processes are driven by the principles of

our constitution. We follow the norms of the government and follow the policies of reservation meticulously. As we are very particular about women leadership, we extend support to students who are physically challenged, dyslexic and so on. We take special care of them throughout the year. Our class teacher system is very inclusive and has proved to be very effective in recording student grievances immediately and following it up.

Staff appointments also are inclusive and selections are based on written examination followed by oral examination for teachers. The office staff also take up written examinations to be selected. The work culture in the campus is multicultural and reflects the vision of our nation.

The student council comprises members that are inclusive of all communities. The student's leaders of the college, thus, represent the nation in its multicultural and heterogenous identity.

Festivals of all religions like Christmas, Ramzan, Pongal, Onam are celebrated which reflects the communal harmony.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

Lots of importance is given to sports and cultural activities other than regular academics.

The fine arts programmes are advised to bring forth songs and dances that reflect the ideology of the nation. Our students celebrate national days and the birthdays of great leaders. Students plan activities, and during the pandemic, they celebrated these events online. Apart from celebrating at the collegiate level, departments also organize programmes and competitions to create the sense of citizenship in the minds of students.

The Swachh Bharath and consumer clubs are very active in the

college. During the pandemic the student council took active measures to make sure an awareness was created on the responsibility of citizens to wear masks and maintain social 'distancing.' There were a number of posters that were created by our students in this regard.

EVE conducts programmes on our rights; every Republic Day celebration concentrates on the constitutional rights of the Indian citizen.

CTTE students are shaped to be responsible citizens of the nation and have begun to build teams and will practice mutual toleration.

Our teachers are naturally a part of all these programmes, and hence the college continues to contribute to the nation by creating responsible citizens.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practice 1

Technology-Enabled Teaching- Learning (TETL)

- With the advances in technology, the college realized the need to integrate technology into the teaching-learning process and over the years the pedagogic practices have evolved and become more and more supported by technology.
- To integrate technology-enabled teaching-learning with traditional practices for more effective teaching-learning outcomes. to make the teaching-learning process interesting, interactive, and relevant to the digital generation.

Best Practice 2

Partnership in Language and Learning (PILL)

PILL program is collaborative learning through peer learning by pairing advanced and slow learners. Soon after the model exam, PILL is encouraged among students to enhance the academic, communication and leadership skills among advanced learners and who in turn help the slow learners to understand the subjects and complete the program successfully. Advanced learners help the slow learners in groups.

To elevate the first generation learners

- To help the students with learning disabilities
- To create interest in each course
- To imbibe teaching abilities among PILL leaders
- To boost leadership skills of PILL Leaders
- To enhance self paced learning
- To increase the pass percentage

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Being situated in North Chennai which has mixed population mostly comprising of class IV employees, most of our students are first generation learners. Though our students are mainly from the middle and lower middle classes, we make sure that they are guided into career or higher studies. The main priority of the college is Women Empowerment through financial independence. The College is committed to empowering the students by guiding them into higher studies and offer campus placements. During the academic year 2021-2022, 247 students out of the 500 registered students(49%) were placed. A total of 344 offer letters were given with few students getting more than one offer. 195 students have enrolled in post graduate studies.

Free coaching classes for competitive exams like TNPSC, Bank exams etc.

Technical and Entrepreneurship Skill Development is offered through TETL & TSDC initiatives of the College & MoE's IIC & ED Cell of our College.

Considering the economic background of the students and the financial crunch due to the pandemic fine for late payment of fees was waived off. The Management also paid the university examination fees of the defaulters, and the amount was collected from the students after the due date without any fine in order to ensure continuation of education.
