XXXVIII College Day
Annual Report - 2022- 2023
April 12, 2023

Introduction

Greetings from Chevalier T Thomas Elizabeth College for Women!

Background

Chevalier T. Thomas Elizabeth College for Women is part of the educational institutions managed by the CTTE Trust, a pioneer in the private education sector, which is committed to quality education. T. Thomas Educational Trust was established in 1974 by Chevalier T. Thomas; he founded the prestigious St. Mary's Group of Schools in 1965 in Perambur that helped to upgrade the social processes and economic activity in the industrialised North Madras. Chevalier T.Thomas Elizabeth College for Women was established in 1985 by the then Correspondent Mrs. Elizabeth Thomas, the wife of late Chevalier T.Thomas with the main purpose of empowering women. We are the first Self-financing College affiliated to the University of Madras and more than 14,000 women students have graduated till now.

The CTTE Trust became a Public Trust in December 2002. Honourable Justice Thiru J. Kanakaraj, Retired Judge, High Court, Madras was appointed by the High Court of Madras as the Chairman of CTTE Trust. Mr. L. Palamalai, IAS retired, became the Managing Trustee and Correspondent, and together they took up the tough and challenging job of developing the academic institutions under the Trust. On February 21, 2022, Honourable Justice Thiru. N. Paul Vasantha Kumar took over as the next Chairman of the CTTE Trust after the demise of Honourable

Justice Thiru. J Kanakaraj. On March 06, 2023, Honourable Justice Thiru. B. Gokuldas took over as the Chairman of the C.T.T.E Trust.

I. Our Purpose and Objectives

CTTE stands for women empowerment. Our vision is to empower women through Education, Ethics and Economic Development. We aim to reach our goal of women empowerment by providing the right academic atmosphere with the best resources to pursue and gain knowledge; providing opportunities to develop employability skills; inculcating values rooted in our culture and tradition, secularism and humanitarianism. We concentrate on creating a globally competent workforce and our core values are fostering secularism and humanitarianism.

The demographic profile of the region and the demands of contemporary society have shaped our vision and objectives of the college. The country has put gender equity in the forefront as an ideal and we reflect the ideals of the nation. We take all the required steps to ensure our students emerge as self confident young women who have the freedom to choose a career of their choice. We balance knowledge, ability and skills and have programmes to focus on each of these elements of learning.

We were reaccredited with 'A' Grade by NAAC in 2019. We have Wifi enabled campus & Digitally equipped Library. This academic year, the College has organised 343 total number of events for the overall students' development and faculty enrichment.

ACADEMICS

The academic achievements of our students are as follows:

Result Analysis for the Batch 2019-2022

Digital Competence - App Creation by Students

We have upgraded digital infrastructure in our Wifi enabled campus. Our students are trained in digital competency to the extent that they have developed the following Apps:

- 1) The Digital Library
- 2) CTTE – Thozhi App (Women’s Security App)
- 3) CTTE – Registration for Trade-Fair 2023
- 4) Web Designing – Maruti Seva
- 5) The Chamber [CTTE Auditorium Booking System]

The Digital Library is designed by the following final year students of BCA:

- 1) P.Priyadharshini
- 2) K.S.Tabasum Afreen
- 3) T.Sivagami
- 4) V.Sharmila
- 5) S.Sruthi

The Digital Library is designed with the following features

- Scan the QR code using Google Lens
- Once the QR code is scanned by the Staff/ Students, Digital Library site will be opened.
- It consists of E-Books, E-Journals and E-Magazines.
- E-Books are categorized subject wise.
- Altogether 2500 PDFs are available in this Digital Library.

The entire class of III BCA was involved in this project for downloading the E-Books. Further updations will be made in future for uploading more E-Books. This is developed **“by the students for the students.”**

Project on CTTE – Thozhi App (Women’s Security App)

The Department of Computer Applications participated in the Trade-Fair 2023 organized by the Government of Tamil Nadu on January 27, 2023 from 3.00 pm to 7.30 pm. This was an initiative by the Department of Higher Education, Government of Tamil Nadu, to show case the talents of the college students. Two projects (**Mobile APPs**) were designed by our final year students and they were put up on the stall allotted to the college.

One of the projects is **CTTE – Thozhi App (Women’s Security App)** designed with the following features

- Translate a message from English to other languages listed in the app.
- Translated message will also be given as a voice note.
- Call facility to a specific mobile number or any other contact saved in the mobile
- SMS facility to a specific mobile number or any other contact saved in the mobile

This project development has provided an opportunity to the students to become digital women entrepreneurs in the society.

The following students developed CTTE THOZHI APP:

S.K.Shariqunnisa, S. Hemaswetha, S Durga.

Project on CTTE – Registration for Trade-Fair 2023

Another project is **CTTE – Registration for Trade-Fair 2023** designed with the following features

- Collection of the attendee’s details using QR code scanner.

- Once the QR code is scanned by the attendees, Information like name, e-mail, mobile number of the attendee is collected from them automatically through the Google form.

The following students developed CTTE Trade Fair Registration APP:

V.Sharmila, T.Sivagami, K.S.Tabasum Afreen

Project Name: Web Designing – Maruti Seva

They have designed the website using HTML, CSS and Sublime Text. Student's Name and Class:

Janani.G – III BCA

Keerthana.U – III BCA

Pavadharani.S –III BCA

Nithya Shree. V – III BCA

Vidhyalakshmi. D – III BCA

Project Name: The Chamber [Auditorium Booking System]

A Mini-Project was undertaken to create an App for Auditorium Slots Booking System, Chevalier T. Thomas Elizabeth College for Women, Chennai, software such as HTML, CSS, PHP and MYSQL. By using this project we can book our Auditoriums (JJK, T.THOMAS and SEMINAR HALL) through our web page.

Certificate Courses

Various Certificate Courses were conducted to enhance Skill development among students.

Technology Enhanced Teaching Learning process which takes the pride of place among our various student centric teaching learning approaches progressed to the next level with the inception of Technical Skill Development Center (TSDC). The center in association with Technology Enhanced Teaching Learning Center (TETL) offers certificate courses. This academic year courses like Python, TALLY, Basic and Advanced Excel, NMEICT courses, English for Workplace, Graphic Designing, etc. were conducted for 30 hours. A total of 580 (468 + 122) students completed these courses.

NMEICT:

The College renewed its association with IIT Bombay for Spoken Tutorial Project on various Free and Open-Source Software (FOSS) courses to sharpen the technical skills of the students. The Spoken Tutorial Project is about teaching and learning a particular FOSS (Free and Open-Source Software) like Python, LaTeX, Jmol, Inkscape, etc. via an easy Video tool. The students underwent free training on the various software through self-paced learning. Students after acquiring

knowledge in FOSS will have an edge in the job market as SME's and Govt. departments are moving to Open-Source Software.

From the list of open-source software mailed to the Heads of the Departments, the software relevant for their students was chosen by the respective Departments. All the final year students were enrolled for the training. A separate Google classroom was created to post the learning material to enable the students to take the training from home, in the Pandemic situation. The Departments of Computer Science and Computer Applications posted the learning material in the classroom created for their final year students. Lab sessions were arranged for the students in the campus ,during the months of September and October. After the completion of training, online exams were conducted via g-meet during the months of October and December.

The following are consolidated details of the certification exams conducted:

PILL Leaders: Partnership in Learning and Language is a peer teaching-learning method encouraged in our college. Each class has leaders with students allotted to them who discuss the subject in their mother tongue or in other simple terms. PILL is one of our Best Practices and it is these young academic leaders who take the college forward with their commitment and dedication.

RELIGIOUS FESTIVAL

Onam Celebration

The Onam festival was celebrated by the CTTE Clubs on 07.09.2022 with the colour and fragrance of fresh flowers in the campus.

Diwali celebration

Diwali is one amongst the most popular festivals celebrated in India with great pomp. The college celebrated Diwali on October 27 & 28, 2022.

Christmas

Christmas brings cheer and love and we celebrate it with the same fervour, spreading the message of love and joy among our students. On 23.12.2022 a programme was organised wherein Christmas Carols were sung to celebrate by the students who also enacted the nativity which narrates the birth of Jesus Christ. During the day, stalls were put up by the students that witnessed tremendous response from students and staff alike.

Pongal

On the 13th of January we celebrated the festival of Pongal . The purpose of a festival is to bring people together and strengthen bonds. The cooking of Pongal by each class inculcated team spirit and a healthy competition to make the best tasting pongal among the students.

Teachers

Ph.D. Awards

34 Teachers have been awarded Ph.D and 21 are pursuing Doctoral research in their respective fields of specialisation. This academic year Mrs. E. Padmavathy was awarded the Doctorate in Mathematics.

Contribution to Curriculum Development and Academic Assessments

Our college has contributed significantly in the last decade by designing the curriculum for M. Phil English, BA English, BSc Physics, Foundation Course Part II English for all UGs. Our teachers have been in the Board of Studies in more than 10 different autonomous colleges in the city and have helped them design the syllabi as per the requirements of the globalised economy. The following are the current contribution to the academics at the curriculum level:

- Dr. S. Sridevi:
 - a. Member of Academic Council, University of Madras.
- Dr.R.Meenakshi:
 - a. Member Academic Audit Meeting - Department of Physics, DG Vaishnav College
 - b. Indian Association of Physics Teachers - Life member
- Mrs. Beena Thomas:
 - a. Member, Board of Studies, PG English, University of Madras;
 - b. Chairperson Board of Studies, UG English, Meenakshi College for Women.
- Dr. Mercy Sylvester:
 - a. Associate Member of CMA Institute;
- Dr. Queency Asha Dhas has been nominated as the Academic Council Member, University of Madras.
- Mrs. Alima Zehra:

- a. BOS in Dr. MGR Educational and Research Institute, Maduravoyal
 - b. Advisory Board Member of Vizhi Awakening Trust
 - c. Subject Expert for introducing UG & PG Degree courses in Tamilnadu State Council for Higher Education
- Mrs. Sandya Mohan is Member in Board Of Studies, French, University of Madras

Contribution to Academic Assessments

- Dr. K.Fahamida Begum:
 - a. Doctoral Committee Member for Ph.D. in English by Dr. M.G.R. Educational and Research Institute.
 - b. The Editorial Board Member / Reviewer for the *Novel International Journal of Multidisciplinary Arts & Humanities (NIJMAH)* published by New Swertia Publications

Academic Leadership

Our teachers are experts in their specialised fields of study and are regularly invited for talks across the city and other districts. The online platform has created an avenue for them to give lectures at national level. The college encourages teachers to emerge as scholars and share their knowledge with other institutions and contribute to society. The college buys all the books recommended by teachers so that teachers can sharpen their knowledge further.

- 91 lectures were given by our teachers as Resource Persons, in various academic forums.

 - Presented a research paper titled “The customer service under digital transformation in commerce” in a National Student E - Conference - Digital Culture: The Paradigm Shift held on 14.10.2022

Department of Physics

- **Dr. T. Ramya**

- Presented a research paper titled “Structure Elucidation of Quinolin-n-butyl carboxamide using Spectroscopic Techniques” in an International conference on Sustainable Materials and Technologies for Bio and Energy Applications held from 13.07.2022 - 15.07.2022
- Presented a research paper titled “Machine Language” in a National Student E - Conference - Digital Culture: The Paradigm Shift held on 14.10.2022
- Presented a research paper titled “Computation and Interpretation of Vibrational spectra of 3-(2-(Piperidin-1-yl) Acetamido) Benzofuran-2-Carboxamide using Density Functional method” in an International conference on Recent Trends in Applied Science and Technology held on 16.03.2023 & 17.03.2023

- **Mrs. S. Geetha**

- Presented a paper titled “Crystal growth, DFT, Molecular Docking studies of benzofuran carboxamide derivative and Theoretical calculation of the Molecular Properties of substituted Benzofuran in the Solid Phase” in an International Conference on Sustainable Materials and Technologies for Bio and Energy Applications held from 13.07.2022 - 15.07.2022
- Presented a research paper titled “Comprehensive Strategies of Machine Learning based Quantitative Structure Activity Relationship (QSAR) models” in a National Student E - Conference - Digital Culture: The Paradigm Shift held on 14.10.2022
- Presented a paper titled “Theoretical Calculation of the Molecular Properties of substituted Pyrazole Derivatives in the Solid Phase” in 6th International Conference on Recent Trends in Applied Science and Technology held on 16.03.2023 & 17.03.2023

- **Mrs. K. P. Nalini** - presented a paper titled “Synthesis and characterization of zinc ferrite nano particals for possible bio medical applications” in an International Conference on Pure and Applied Physics, March 2023.

Department of Chemistry

- **Mrs. N. Anuradha** - Presented a paper titled “Hydrothermal synthesis and characterization of Mo_{0.8}Zr_{0.2}S catalyst for its potential application in oxygen generation” in an Two Days international Webinar on " Recent Advances in Chemical Sciences, July 2022.
- **Mrs. P. Amalathi**
 - Published a research paper titled “Magnetically recoverable Nd_{0.7}Ca_{0.3}Mn_{1-x}Ni_xO₃ polygonal-shaped perovskite nanophotocatalysts for efficient visible-light degradation of methylene blue and tetracycline” in a Journal of Physics and Chemistry of Solids Elsevier Ltd. ISSN: 0022-3697/© 2022
 - Published a research paper titled “Configuring Nd_{0.7}Ca_{0.3}Mn_{1-x}Ni_xO₃ perovskite nanocomposites with magnetocaloric performance” in Elsevier Ltd and Techna Group S.r.l. ISSN: 0272-8842/© 2022
 - Published a research paper titled “Emergence of online business” in an International Conference on ‘Contextual Risks and their interplay-Post COVID 19’ in *Journal For Innovative Development in Pharmaceutical and Technical Science* (JIDPTS). ISSN(O):2581-6935

Knowledge Upgradation and Capacity Development of Teachers

Our teachers strive very hard to upgrade themselves, so that they can give their best to their students in the classroom. We give the foremost importance to the classroom as the central place of knowledge sharing and knowledge creation. Our classrooms are well-structured with meticulously designed lesson plans: they include regular teaching of concepts, extensive practices for skill based courses, revisions, discussions of current affairs in group activities, PILL classes and remedial teaching. Teachers are often exposed to pedagogical training to help them handle classes with ease.

Our teachers continuously upgraded themselves with FDPs, Refresher Courses, etc.

- 13 teachers participated in conferences
- 160 FDPs were attended by our teachers organised by other forums.
- Teachers attended 57 webinars/seminars.
- 3 teachers successfully completed the respective professional certificate courses

Faculty Participation

Academic Leadership

Our teachers are experts in their specialised fields of study and are regularly invited for talks across the city and other districts. The online platform has created an avenue for them to give lectures at national level. The college encourages teachers to emerge as scholars and share their knowledge with other institutions and contribute to society. The college buys all the books recommended by teachers so that teachers can sharpen their knowledge further. They are also invited as Experts to judge competitions.

- 91 lectures were given by our teachers as Resource Persons and Expert judges in various academic forums.

National Science Day 2023**

The National Mathematics Day & National Science Day celebration was organized by the Department of Sciences in association with National Council for Science & Technology Communication, Dept. of Science and Technology, Govt. of India and Tamilnadu State Council for Science and Technology, Govt. of Tamilnadu on February 14 and 15,2023. The TNSCST, Government of Tamilnadu, sanctioned a grant of Rs. 1 Lakh towards Mathematics Day and Science Day Celebration in which department of sciences organized rally, exhibitions, workshops and competitions.

Dr. R. Srinivasan, Member Secretary, Tamilnadu State Council for Science and Technology was the Keynote Speaker. In his Keynote speech, Dr. Srinivasan exhorted the students to approach the study of sciences with an open mind and not think of it as 'difficult'. He emphasised that Mathematics Day and Science Day was celebrated with pomp and splendour in order to make the students understand the role of Indian scientists in the development of science and technology in India. He then enumerated the possible careers that the students can pursue.

Shri N S Chidambaram, editor of *Arivial Oli* Magazine, enthused the students to identify and enquire about every intertwining aspect of life and science.

Dr. K V Balasubramanian, retired meteorologist, writer, and translator, showed that language was not important in the understanding and expression of science.

Dr C. Shanmugam, scientist and Sri T R Jothilingam, a science enthusiast and a retired Superintendent from the Railways, were present on stage. The Vice Principal Dr. R Meenakshi welcomed the gathering. The Managing Trustee and Correspondent Thiru L Palamalai delivered the Presidential Address and Dr. S Sridevi, Principal offered her felicitations on the event. Mrs. Sangeetha, System Analyst, Tamilnadu State Council for Science and Technology, who liaised the event with the College, was also present for the inauguration.

The celebration began with a rally from the College to the Madhavaram High Road by the students of CTTE College. The exhibition on Weather Disaster and its Management was inaugurated by Dr.R.Srinivasan,

Member Secretary, TNSCST. The highlights of the exhibits included IoT based disaster alert system, weather station, earthquake model, wind resistant buildings etc. Around 180 students from 14 different schools of North Chennai displayed their innovative ideas through the models that they had constructed. The students of the College also exhibited their perspectives on the role of science and technology in the sustainable development of the country. On the same day a workshop on “Fun with Science” was organized by Dr C. Shanmugam demonstrating the concepts like chemiluminescence, Bernoulli’s principle etc. The workshop on “Fascination of Magic Square” involving playing with numbers conducted by Thiru.T.R.Jothilingam, Retd. Railway station Superintendent, fascinated the students. At the end of the session students were able to multiply large numbers using their fingers.

On the second day, there were competitions such as painting, quiz and poster making. Nearly 100 students from schools in and around Perambur participated in the competitions. Workshops were conducted on Electronics and Robotics and Geogebra-Digital Tool for the students. The workshop on ‘Electronics and Robotics’ conducted by Mr.Rajamanickam, a leading industrialist, focused on the working of sensors and oriented the students on IoT projects. The exhibition on “Technology of the Future” and “ The Power of Psychological Wellbeing” were also organized. The two days’ celebration came to an end with the Valedictory session in which Dr.T.V.Venkateswaran, Scientist-F, Vigyan Prasar, DST was the chief guest. In his valedictory address, he emphasized the need to go beyond the text books and imbibe the knowledge from all the spheres of life. Dr.Venkateswaran motivated the students to develop interest towards the science subjects through stories and simple activities. Prizes and certificates were distributed to the winners and participants by the Chief Guest. The organizers extended their heartfelt thanks to TNSCST for facilitating and supporting with financial assistance the conduct of the National Mathematics Day & National Science Day celebrations.

The National Service Scheme

The NSS volunteers through the 'CTTE Green Campus' initiative took care of the college greenery.

The programme officers have started a certificate course – '**Pasumai Pasarai.**' They planted trees in the campus collaborating with an NGO.

They have also signed a Mou with **Bhumii Trust** (The Centre for Conservation of Natural Resources) under which the certificate course **Climate Proofing Literacy** was conducted for the students.

They also conducted various webinars, campaigns etc.

Conclusion

This is the 38th year for CTTE College, and we have emerged as a premier institution in North Chennai that empowers women students into career women through personality development. We put a lot of emphasis on women leadership, secularism and humanitarianism.

CTTE Trust strives hard for the multi-dimensional growth of its institutions. Our faculty members are our strength and we work with zeal and perseverance for the progress of our students. Together we shall stay committed to equip generations of women students with empowerment through education. May God continue to shower His blessings on us and help us achieve greater heights in the years to come!
