Special talk on “Women in Finance” and Introduction to FinTech Software

A special talk on “Women in Finance” and Introduction to FinTech Software on March 6, 2023. As a part of digital transformation Initiatives with world class front and middle office transactional capabilities, Temenos has reimagined customer engagement across channels with a software called FinTech. Ms. Sugandh Priya, Director of Product Management at Temenos, recently trained women students from North Chennai on the use of this software as a part of the company CSR Initiatives. Temenos, with this step, has moved towards developing an inclusive workforce so that women can enter the world of corporate, especially in the financial set up. This digital banking software project and training is expected to empower hundreds of women students. Ms.Sugandh Priya is an Alumna of Chevalier T Thomas Elizabeth College for Women, at Perambur. This programme was initiated by Mr.Gideon Christados, Senior Manager, CSR, Temenos.
