**XXXIX College Day**  
**Annual Report - 2023- 2024**  
**March 1, 2024**

**Introduction**

Greetings from Chevalier T Thomas Elizabeth College for Women!

**Background**

The CTTE Trust is a pioneer in the private education sector, committed to quality education. T. Thomas Educational Trust was established in 1965 by Chevalier T. Thomas; he founded the prestigious St. Mary's Group of Schools in Perambur that helped to upgrade the social processes and economic activity in the industrialized North Madras. Chevalier T. Thomas Elizabeth College for Women was established in 1985 by the then Correspondent Mrs. Elizabeth Thomas, the wife of late Chevalier T. Thomas with the main purpose of empowering women. We are the first Self-financing College affiliated to the University of Madras and more than 14,000 students have graduated till now.

The CTTE Trust became a Public Trust in December 2002. Honourable Justice Thiru J. Kanakaraj, Retired Judge, High Court, Madras was appointed by the High Court of Madras as the chairman of CTTE Trust from 15.04.2002. The scheme was framed on 5.12.2002 by the High Court of Madras. The Trust took charge on 10.01.2003 under the Chairmanship of Thiru J. Kanakaraj, Retired Judge, High Court, Madras. He, with the able support of our Managing Trustee and Correspondent Mr. L. Palamalai, IAS retired, took up the tough and challenging job of developing the academic institutions under the Trust. Presently the CTTE Trust is under the able stewardship of Honourable Justice Thiru. B. Gokuldas, Judge (Retd.) Madras High Court.

## **Our Mission**

CTTE College has always stood for women empowerment. That is our vision - Empowering Women through Education, Ethics and Economic Development. We aim to reach our goal of women empowerment by providing the right academic atmosphere with the best resources to pursue and gain knowledge; providing opportunities to develop employability skills; inculcating values rooted in our culture and tradition, secularism and humanitarianism. We concentrate on creating a globally competent workforce and our core values are fostering secularism and humanitarianism.

Over the years there has been an increasing emphasis on strengthening the Assessment and Accreditation

## **Assessments & Accreditation**

- We were re-accredited with Grade 'A' in November 2019.
- 'India Today' ranked us amidst the top hundred best institutions in the country.
- The Innovation Cell, Ministry of Education, Govt. of India, has given 3 stars to our institution for undertaking various activities prescribed by Innovation Cell, Ministry of Education, Govt. of India to promote Innovation and Start-up
- We were selected by MHRD's National Mission of Education through ICT along with IIT, Bombay, to carry forward NMEICT Online Computer Skills Training.

## **CURRICULAR ASPECTS**

In Higher Educational Institutions; curriculum, pedagogy, continuous assessment, and student support are the cornerstones for quality learning. Along with providing suitable resources and infrastructure, such as quality libraries, classrooms, labs, technology, sports/recreation areas and student discussion spaces, a number of initiatives are required to ensure that learning environments are engaging and supportive, and enable all students to succeed.

The College Library has a total of 38,000 books and reference materials. Dspace, a Digital Institutional Repository Software, was installed and uploaded

with College and Department Publications. The Maryland Library has a Book Bank for the needy students. Steps were taken to enhance online accessibility of library books and further broad basing of digital library.

Digital infrastructure is one of our strongholds for using digital pedagogy and thereby enriching the teaching-learning process with online resources and collaborations

In order to promote a Green Campus, where environmentally friendly practices are in vogue, this year the construction of a stage was initiated by the College to combine and promote educational and sustainable eco-friendly practices. The Oxy stage is at the end of a green covered tunnel that supports climbers providing a canopy of shade for the assembly of students.

## **NPTEL**

### **JULY-DECEMBER 2023-2024**

During the July - December 2023 Semester, 522 students eagerly signed up for diverse NPTEL courses. Impressively, 12 students registered for exams, demonstrating their proactive dedication to learning. Their commitment set a high standard for academic excellence, motivating their peers to strive for success. Further, the outstanding achievement of 4 members who successfully cleared the exam highlighted the tangible rewards of hard work and dedication.

The students' active involvement in their courses, whether through discussions, assignments, or online sessions, demonstrated their eagerness to learn and grow. Regular weekly assessments were conducted to help students track their progress and understanding of the course material. These assessments served as valuable checkpoints for students to gauge their learning and make necessary adjustments. With the Opportunity of NPTEL courses available, students had the opportunity to explore a wide variety of subjects, ranging from engineering to humanities. This diverse selection allowed students to pursue their interests and expand their knowledge base.

The successful NPTEL orientation program held at T. Thomas Auditorium aimed to provide students with essential insights and resources to

enhance their learning experience. This initiative sought to equip students with the tools they needed to navigate their academic journey effectively.

As we celebrate the achievements of these dedicated students and the success of educational initiatives like the orientation program, let us continue to create a supportive and encouraging environment that fosters growth and success for all students on their academic path.

### **JANUARY-APRIL 2023-2024**

In the January - April 2023 Semester, 64 students demonstrated their commitment to academic excellence by enrolling in courses, showcasing their dedication to their studies. The majority of students displayed unwavering commitment and enthusiasm towards their educational pursuits.

At NPTEL, an esteemed online learning platform offering a diverse range of courses, students have the opportunity to explore various subjects, including engineering, humanities, and more. With a wide selection of courses available, learners can delve into topics such as programming and mathematics, expanding their knowledge and skills.

In addition to the engaging course content, NPTEL also emphasizes the importance of weekly assessments to track student progress and understanding. These assessments serve as checkpoints for students to evaluate their learning and ensure they are on the right path towards academic success.

Moreover, at NPTEL, we are dedicated to fostering a supportive and motivating environment for students. Through interactive lectures, valuable resources, and weekly assessments, we aim to inspire students to excel in their studies and cultivate a passion for learning. Our commitment is to empower students to reach their full potential and succeed in their educational endeavors.

We thus combine knowledge, skills and values to develop well-rounded individuals equipped with critical 21st century capacities in diverse fields; an ethic of social engagement; soft skills; and specialisation in a chosen field which is reflected in our outcome.

As an outcome of the initiatives taken by the College, we had a remarkable performance by the students in academics and the result this year also reflects this.

### Quality Academic Research

Research is also improved and enhanced through a holistic and multidisciplinary education approach. Students are encouraged to involve and engage in research activities under the guidance of their teachers. Their findings and output are presented in various academic forums and are also published in national and international journals.

This academic year we have organised 13 conferences so far and 3 more are scheduled to be held in the month of March and April.

2 conferences were conducted on sustainable ecosystems and contributions by Nano-Science and Technology by the departments of Chemistry and Physics. Quest for ancient wisdom was the theme of the conferences conducted by the Maths and Tamil departments. The Research

Cell and the departments of psychology and english chose themes centering around empowering women through education, ethics and economic development, maternal mental health and framing gender in texts respectively. Global digital transformations in business and ethics in the world of commerce were the themes of the Commerce conferences.

### **Student Leadership**

Higher education plays an extremely important role in promoting human as well as societal wellbeing and in developing India as envisioned in its Constitution. Higher academic institutions play a major role in nation building since we have a bigger social responsibility of moulding student leaders.

### **Student Council**

The Student Council is a nominated body of student leaders that works in tandem with the authorities under the guidance of the Dean of Students to carry forward the vision of the institution. The Student Council comprises a President, a Vice-President and Council Members. Each council member is entrusted with a portfolio and she works both individually and as a team. C.T.T.E Student Council is an active body that is proactive and dynamic, collaborating with the staff and students.

## CULTURALS

Vibrant campus life is essential for high-quality teaching-learning processes to spontaneously happen. Students are given plenty of opportunities for participation in sports, culture/arts clubs, eco-clubs, activity clubs, and community service projects. Efforts are taken from the time of student induction to recognize, identify, and foster the unique capabilities of each student in non-academic spheres as well.

**Cultural awareness and expression** are among the major competencies considered important to develop in students, in order to provide them with a sense of identity, belonging, as well as an appreciation of other cultures and identities. It is through the development of a strong sense and knowledge of their own cultural history, arts, languages, and traditions that children can build a positive cultural identity and self-esteem. Thus, cultural awareness and expression are important contributors both to individual as well as societal well-being. We celebrated days of national importance in the campus.

## SPORTS

The need to integrate sports in education is well recognized as it serves to foster holistic development by promoting physical and psychological well-being while also enhancing cognitive abilities.

## **CONCLUSION**

This is the 39th year for CTTE College, and we have emerged as a premier institution in North Chennai that empowers women students into career women through personality development. We put a lot of emphasis on women leadership, secularism and humanitarianism.

CTTE Trust strives hard for the multi-dimensional growth of its institutions. Our faculty members are our strength and we work with zeal and perseverance for the progress of our students. Together we shall stay committed to equip generations of women students with empowerment through education. May God continue to shower His blessings on us and help us achieve greater heights in the years to come!
