The college is secular and is inclusive in all its functioning procedures. It treats all its stakeholders in a manner of egalitarian principle practising social justice.

Our student admission processes are driven by the principles of our constitution. We follow the norms of the government and follow the policies of reservation meticulously. As we are very particular about women leadership, we extend support to students who are physically challenged, dyslexic and so on. We take special care of them throughout the year. Our class teacher system is very inclusive and has proved to be very effective in recording student grievances immediately and following it up.

Staff appointments also are inclusive and selections are based on written examination followed by oral examination for teachers. The office staff also take up written examinations to be selected. The work culture in the campus is multicultural and reflects the vision of our nation.

The student council comprises members that are inclusive of all communities. The student's leaders of the college, thus, represent the nation in its multicultural and heterogenous identity.

Festivals of all religions like Christmas, Ramzan, Pongal, Onam are celebrated which reflects the communal harmony.

Students plan activities, and during the pandemic, they celebrated these events online. Apart from celebrating at the collegiate level, departments also organize programmes and competitions to create the sense of citizenship in the minds of students.

The Swachh Bharath and consumer clubs are very active in the college. During the pandemic the student council took active measures to make sure an awareness was created on the responsibility of citizens to wear masks and maintain social 'distancing.' There were a number of posters that were created by our students in this regard.

EVE conducts programmes on our rights; every Republic Day celebration concentrates on the constitutional rights of the Indian citizen.

CTTE students are shaped to be responsible citizens of the nation and have begun to build teams and will practice mutual toleration.

Our teachers are naturally a part of all these programmes, and hence the college continues to contribute to the nation by creating responsible citizens.
