- **1985 - Chevalier T. Thomas Elizabeth College for Women**
- **1999 - St. Mary's Nursery & Primary School, Kodungaiyur**

ABOUT THE COLLEGE

Chevalier T. Thomas Elizabeth College for Women is one of the premier institutions managed by the Chevalier T. Thomas Educational Trust (CTTE Trust), a pioneering body in the private education sector committed to delivering quality education.

The Trust was founded in 1965 by Chevalier T. Thomas, who also established the renowned St. Mary's Group of Schools in Perambur. His efforts significantly contributed to the social and economic upliftment of the industrialised North Madras region.

The College was established in 1985 by Mrs. Elizabeth Thomas, wife of the late Chevalier T. Thomas, with the primary vision of empowering women through education. It holds the distinction of being the first self-financing college affiliated to the University of Madras, and has since produced over 15,000 women graduates.

The CTTE Trust became a Public Trust in December 2002, with Honourable Justice Thiru J. Kanakaraj (Retd., High Court, Madras) appointed as its Chairman by the High Court of Madras. Mr. L. Palamalai, IAS (Retd.) took over as the Managing Trustee and Correspondent, leading the Trust through significant institutional development.

From February 21, 2022, Honourable Justice Thiru N. Paul Vasantha Kumar served as Chairman of the Trust. On March 6, 2023, Honourable Justice Thiru B. Gokuldas assumed charge as the current Chairman, continuing the Trust's mission of advancing women's education and academic excellence.

INFRASTRUCTURE

- **T. Thomas Auditorium** is air-conditioned with a capacity of around 500 seating, equipped with WiFi and projector.
- **Justice J. Kanagaraj Auditorium** is centrally air-conditioned and can seat 700 people, equipped with WiFi and projector.
- **Seminar Hall** is air-conditioned with WiFi and projector, and can seat 50 people.
- **Conference Hall** is available with LCD projectors.
- **Smart Boards** are available in each department.
- **Interactive Boards** are available in each department.
- **The Sports Annexe** has an indoor stadium.
- **The College Playground** has a 200 metre track.
- **Computer Labs** are two in number along with a Language Lab.
- **Classrooms** are well ventilated.
- As per standards, we have the following labs to fulfil academic requirements of the courses offered.
    - Physics Lab
    - Chemistry Lab
    - Psychology Lab
    - CTTE Skill Development Centre [ADEPT]
    - Computer Science Lab
    - Computer Applications Lab

- **Academy for Developing English & Personality Traits (ADEPT) -** CTTE Skill Development Centre

  The lab has 40 computers - 30 desktops equipped with Renet software, offering a comprehensive platform to improve English grammar, and 10 laptops. It supports hands-on training in industry-relevant tools such as TALLY for accounting, Python for programming, and Advanced Excel for data analysis. Students also explore emerging technologies through AI tools and platforms like ChatGPT, gaining exposure to real-world applications of artificial intelligence.

- **Transportation Facilities**

  We operate three buses covering areas such as Madhavaram, Manali, Redhills, Puzhal, Kolathur, Vyasarpadi, Ayanavaram, Otteri, Agaram, and Periyar Nagar. The annual transport fee ranges from ₹11,000 to ₹16,000, depending on the distance.

❖ **Facilities for Differently Abled**

The college provides facilities to support students with disabilities in their daily activities. Most of the classrooms are accessible via lifts and staircases with hand railings. Ramps are provided along the paths to the main block and other key areas for easier movement. Wheelchairs are also available for students when needed.

DIGITAL INFRASTRUCTURE

❖ **G Suite for Education – Learning Management System**

CTTE College implemented G Suite for Education in 2018, well ahead of the pandemic, to effectively engage a growing tech-savvy student community. The college holds a lifetime license for G Suite for Education (formerly Google Apps for Education). Access is restricted to CTTE students and faculty, who are provided with domain-specific email IDs upon admission.

Google Classroom forms the core of this system, enabling seamless sharing of content, assignments, and evaluations. Google Meet, integrated within this setup, is used for live tutoring and secure virtual interactions.

❖ **E-Resources Centre**

The E-Resources Centre supports online learning and skill development with free high-speed internet. It is equipped with printing, scanning, and photocopying facilities for student use. The centre is widely used by undergraduate and postgraduate students, and also by teachers for academic and research work.

❖ **Library Resources**

The College Library has over 45,000 resources including books, theses, magazines, journals, and audio-visual materials to support learning and research. Turnitin software is available to check for plagiarism and ensure academic honesty.

E-Resources Available

Students and staff have access to the following online resources:

- DELNET (Developing Library Network)
- National Digital Library of India (NDLI)
- Civil Service India E-Magazine
- Institutional Membership with Anna Centenary Library
- Syllabus-based e-books for all courses

ADMISSION PROCEDURE

CTTE College welcomes applications for its Undergraduate programmes through a transparent, merit-based process. Detailed below are the steps, criteria, and requirements for admission:

1. Application Process

- Online application forms are available on the college website.
- Printed application forms can also be obtained directly from the College Office.
- Completed applications must be submitted to the College Office along with a printout of the Board Exam results (downloaded from the official site) for provisional admission.
- Spot admission may be offered to meritorious candidates, subject to seat availability.

2. Eligibility Criteria

- Students from Tamil Nadu State Board and CBSE are eligible to apply directly.
- Students from other Boards must submit an Eligibility Certificate from the University of Madras at the time of admission.
- All admissions are provisional and subject to verification of mark certificates by the Director of Government Examinations.
    - If found to be forged, admission will be cancelled and legal action will be initiated.

3. Documents Required at the Time of Interview

(Originals along with two photocopies of each)

- Interview Card
- +2 Marksheet (2 copies)
- Transfer Certificate (2 copies)
- Conduct Certificate from the last studied institution (2 copies)
- Community Certificate from the Tahsildar (where applicable)
- Medical Fitness Certificate (mentioning blood group)
- Passport Size Photographs (3 copies)

4. Fee Payment

- Selected candidates must pay the prescribed fees in cash or online at the College Office immediately upon selection.
- Refunds will not be issued under any circumstance.
- Failure to pay the fees promptly may lead to cancellation of admission.

5. Free Education Programme (University of Madras)

- CTTE College participates in the Free Education Programme of the University of Madras.
- Students selected by the Vice-Chancellor under this scheme are eligible for free UG admission in affiliated colleges.
- For details and application, contact:
  Public Information Officer
  University of Madras
  Centenary Building, Chepauk, Chennai – 600 005

CHOICE BASED CREDIT SYSTEM (CBCS)

The College follows the **Choice Based Credit System (CBCS)** as mandated by the **University of Madras**. To be eligible for the award of a degree, a student must:

- Complete the prescribed course of study at a college affiliated to the University for a minimum of three academic years.
- Successfully pass all six semesters of the programme.
- Earn at least 140 credits across Part I, II, III, IV, and V as per the credit distribution framework.
- Fulfil all additional academic and administrative requirements prescribed by the University.

COURSE STRUCTURE (As per University of Madras Regulations)

The College follows the course structure and credit distribution framework prescribed by the University of Madras under the Choice Based Credit System (CBCS). A minimum of 140 credits must be earned to qualify for the award of the degree.

Course Component	Name of the Course	Credits allotted
PART I	Tamil or Other Languages	12
PART II	English	12
PART III	Core Courses/ Project/ Elective Courses	92
PART IV	SEC/Basic Tamil/Advanced Tamil*	13
	Foundation Courses	02
	Environmental Studies	02
	Value Education	02
	Professional Competency Skill Course	02
	Internship / Industrial Training	02
PART V	Extension Activities	01
Total Credits		140

***Note on Part IV – Language Options**

- **SEC-1**: For students who studied Tamil up to XII Std and have chosen Tamil in Part I.
- **Basic Tamil** : For students who did not study Tamil up to XII Std and have taken another language in Part I.
- **Advanced Tamil**: For students who studied Tamil up to XII Std but opted for another language in Part I.

CURRICULUM FRAMEWORK

The curriculum is designed based on the **UGC's Learning Outcome Based Curricular Framework (LOCF)**, focusing on skill development, academic outcomes, and holistic growth.

EVALUATION SYSTEM

Formative Assessment (Internal – 25 Marks)

- Conducted periodically within the college. Evaluation based on Continuous Internal Assessment (CIA), which includes Tests, Attendance, Seminars, Assignments, etc.

Summative Assessment (External – 75 Marks)

- Conducted by the University of Madras at the end of each semester.

Passing criteria:

- Minimum 40% in external examination
- Minimum 40% overall (internal + external)

Eligibility to Write University Exams

- Students must maintain a minimum of 75% attendance in each semester to be eligible for the end-semester University Examination.

NAAN MUDHALVAN IMPLEMENTED FROM 2022–23 ACADEMIC YEAR

Objective:

To enhance the employability skills and career readiness of students through skill-based training aligned with industry needs.

Description:

Naan Mudhalvan is a flagship initiative launched by the Government of Tamil Nadu and implemented at the college from the academic year 2022–23. The programme aims to provide students with access to industry-relevant courses, professional certification, and expert-led training across diverse domains such as communication skills, coding, data science, AI, entrepreneurship, and public service readiness.

Through this platform, students are encouraged to identify their strengths, build domain expertise, and prepare for competitive exams and placement opportunities. The college facilitates registrations, coordinates training sessions, and monitors student progress as part of this state-wide skill development effort.

PROGRAMMES OFFERED

UG Programmes

- B.A English
- B.Sc Mathematics
- B.Sc Physics
- B.Sc Chemistry
- B.Sc Psychology
- B.Sc Computer Science
- BCA
- B.Com General
- B.Com Accounting & Finance
- B.Com Corporate Secretaryship
- BBA

PG Programmes

- M.A English
- M.Com
- M.S.W

CERTIFICATE COURSES

- Literature for Competitive Examinations
- English for Digital Media Careers
- Prep Step: NTA-NET Paper I Preparatory Course
- Mathematics for Competitive Examination
- Software Tools for Research Analysis
- Maternal Mental Health
- Youth Unite - Preventing and Addressing Gender-Based Violence
- Basic Skills for Counselling
- Python for Data Science
- Basics of Web Design
- Zoho Books, in association with Zoho Corporation
- Bridal Makeup
- Goods and Services Tax (Given under the seal of ICMA)
- CHATGPT
- Excel - Basic and Advanced
- Introduction to Data Science
- Introduction to Artificial Intelligence
- Python for Data Science
- Advanced AI Tools in Data Science (VS Code, GitHub Copilot, uvx - Python, npm - Node.js, Bash, CSS Selectors, llm - OpenAI tool, SQLite
- Pasumai Pasarai
- Mehandi Designing Course
- Aari Designing Course
- Bakery Products Making
- Jewellery Making
- Swachhta Pakhwada
- Indian Institute of Remote Sensing - Distance Learning (IRS E-Learning)
- National Programme on Technology Enhanced Learning (NPTEL)
- Veena
- Yoga
- Classical Dance

Undergraduate Programmes (UG)

B.A. English

Established: 1985 | *Eligibility:* HSC

Overview

Equips students with a deep understanding of literature and language, fostering creativity, critical thinking, and communication.

Highlights

Core Courses: Introduction to English Literature, Indian Writing in English, British Literature, American Literature, Children's Literature, World Classics in Translation, Language and Linguistics, Women's Writing, Introduction to Folk Literature, Indian Writing in Translation, Literary Criticism, New Literatures In English, Shakespeare

Elective Courses: Social History of England, History of English Literature, Literary Forms, Literature and Environment (or) Life Writings (or) Myth and Literature, English Language Teaching (or) Film Studies (or) English for Technical Writing, Journalism and Mass Communication (or) Media Communication and Publication (or) Travel Writing

Skill Enhancement Courses: English for Communication, Basic Tamil, Advanced Tamil, Public Speaking Skills, Digital Literacy and Concepts, Entrepreneurial Skill, Interview Skills, English for Careers,English for Business

Foundation Course: Fundamental Framework for Reading English Literature

B.Sc. Mathematics

Established: 1985 | *Eligibility:* HSC with Mathematics

Overview

Prepares students for analytical careers in academia, data science, and finance.

Highlights

Core Courses: Algebra & Trigonometry, Differential Calculus, Analytical Geometry (Two & Three Dimensions), Integral Calculus, Vector Calculus and Applications, Differential Equations and Applications, Industrial Mathematics Resource Management Techniques, Elements of Mathematical Analysis, Abstract Algebra, Real Analysis, Mathematical Modelling, Linear Algebra, Complex Analysis, Mechanics

Elective Courses: Numerical Methods with Applications, Calculus of Finite Differences, Mathematical Statistics Theory & Practical, Transform Techniques, Optimization Techniques, Discrete Mathematics, Fuzzy Sets and Applications, Programming in Python with Practical

Skill Enhancement Courses: Financial Mathematics, Basic Tamil, Advanced Tamil, Basic Data Analysis Using Excel, Latex, Entrepreneurial Based

Foundation Course – Bridge Mathematics

B.Sc. Physics

Established: 1986 | *Eligibility:* HSC with Physics and Mathematics

Overview

Combines theoretical and experimental physics for careers in research and technology.

Highlights

Core Courses: Properties of Matter and Acoustics, Heat, Thermodynamics and Statistical Physics, General Mechanics and Classical Mechanics, Electricity Experiments, Optics and Spectroscopy, Light Experiments, Atomic Physics and Lasers, Relativity and Quantum Mechanics, Electricity and Magnetism, Nuclear and Particle Physics, Solid State Physics, Digital Electronics & Microprocessor 8085, Physics Practical, General Experiments, Electronics Experiments, Chemistry Practical For Physical and Biological Sciences

Elective Courses: Mathematics, Chemistry For Physical Sciences (Theory), Energy Physics, Mathematical Physics, Numerical Methods

Skill Enhancement Courses: Physics for Everyday Life, Astrophysics, Basic Tamil, Advanced Tamil, Instrumentation, Home Electrical Installation

Foundation Course - Introductory Physics

B.Sc. Chemistry

Established: 2016 | *Eligibility:* HSC with Chemistry & Mathematics / Chemistry & Biological Sciences

Overview

Strong theoretical foundation with practical lab training for science-based industries.

Highlights

Core Courses: General Chemistry, Quantitative Inorganic estimation (titrimetric) and Inorganic Preparations, Qualitative Organic Analysis and preparation of Organic Compounds, Qualitative Inorganic Analysis, Physical Chemistry Practicals, Organic Chemistry, Inorganic Chemistry, Physical Chemistry, Gravimetric analysis Practicals

Elective Courses: Mathematics, Physics, Nano science, Fundamentals of Spectroscopy, Industrial Chemistry (or) Pharmaceutical Chemistry, Biochemistry (or) Polymer Science

Skill Enhancement Courses: Food Chemistry, Basic Tamil, Advanced Tamil, Dairy Chemistry, Cosmetics and Personal care Products, Entrepreneurial Skills in Chemistry

Foundation Course: Role of Chemistry in Daily Life

B.Sc. Computer Science

Established: 1988 | *Eligibility:* HSC with Mathematics & Computer Science/Biology

Overview

Focus on programming, data, and software development for IT careers.

Highlights

Core Courses: Python Programming, Python Programming (Practical), Introduction to Computer Architecture and Microprocessor, Introduction to Computer Architecture and Microprocessor Practical, Java Programming, Java Programming Practical, Data Structures and Algorithms, Data Structures and Algorithms Practical, Operating System, Operating System Practical, Relational Database Management System, Relational Database Management System Practical, Programming in ASP.NET, Programming in ASP.NET Practical

Elective Courses: Mathematics, Statistics, Computer Networks, Digital Image Processing, Artificial Intelligence (or) Introduction To Data Science (or) Internet of Things and its Applications, Cloud Computing (or) Big Data Analytics (or) BlockChain Technology

Skill Enhancement Course: Office Automation, Basic Tamil, Advanced Tamil, Quantitative Aptitude, Problem Solving Techniques, Web Page Design Practical, Desktop Publishing Practical, Emotional Intelligence, Technical Writing

Foundation Course: Fundamentals of Computers

B.C.A. (Bachelor of Computer Applications)

Established: 2008 | *Eligibility:* HSC with Mathematics / Business Mathematics / Computer science / Computer Applications

Overview

Blends practical and theoretical training for software and tech sectors.

Highlights

Core Courses: Python Programming, Python Programming (Practical), Object Oriented Programming using C++ , Object Oriented Programming using C++ Practical, Data Structures, Data Structures Practical, Java Programming, Java Programming Practical, Operating System, Relational Database Management System, Web Technology, Web Technology Practical, R-Programming, R-Programming Practical, Advanced Networking

Elective Courses: Statistics, Cost and Management Accounting, Operations Research (or) Software Engineering (or) Agile Project Management, Cloud Computing (or) Big Data Analytics (or) Introduction To Data Science, Mobile Ad-hoc Network (or) Data Mining and Warehousing (or) Grid Computing, Internet of Things and its Applications (or) Robotics and Its Applications (or) Network Security

Skill Enhancement Courses: Office Automation, Basic Tamil, Advanced Tamil, Office Automation Practical , Quantitative Aptitude, Web Page Design Practical

Foundation Course: Fundamentals of Computers

B.Sc. Psychology

Established: 2016 | *Eligibility:* HSC

Overview

Trains students in psychological theory, mental health, and counselling.

Highlights

Core Courses: Introduction to Psychology, Biological Psychology, Psychology of Childhood, Psychology of Adolescence and Early Adulthood, Social Psychology, Psychology of Middle age and Old age, Psychopathology, Cognitive Psychology, Assessments in Psychology (Practical), Organisational Psychology, Educational Psychology, Health Psychology

Elective Courses: Building Psychological Capital, Cross Cultural Psychology , Statistics for behavioural Science, Introduction to Research Methodology, Counselling Psychology, Generic/Discipline specific Project with Viva Voce, Sports and Exercise Psychology, Environmental Psychology

Skill Enhancement Courses: Child Rights, Social Works and Person with Disability, Basic Tamil-I & II, Advanced Tamil-I & II, Psychological First Aid, Psychological Skills for Entrepreneurship Development

Foundation Course: Careers and Ethics in Psychology

B.Com. (General)

Established: 1985 | *Eligibility:* HSC with Commerce & Accountancy

Overview

Comprehensive business education preparing for corporate and entrepreneurial careers.

Highlights

Core Courses: Financial Accounting, Principles of Management, Business Law, Corporate Accounting, Company Law, Principles of Marketing, Cost Accounting, Banking Law and Practice, Income Tax Law and Practice, Auditing and Corporate Governance, Management Accounting

Elective Courses: Business Communication, Indian Economic Development, International Trade (or) Business Mathematics and Statistics, Financial Services, Financial Management, Human Resource Management, Entrepreneurial Development (or) Computer Application in Business, Logistics and Supply Chain Management (or) Basics of MS Excel

Skill Enhancement Courses: MS Office for Commerce, Basic Tamil, Advanced Tamil, Accounting using Excel, Retail Management, Basics of Entrepreneurship

Foundation Course: Professional Ethics

B.Com. (Accounting & Finance)

Established: 2012 | *Eligibility:* HSC with Commerce & Accountancy

Overview

Focus on financial systems, tax regulations, and corporate finance.

Highlights

Core Courses: Financial Accounting, Principles of Management, Business Law, Corporate Accounting, Company Law, Principles of Marketing, Cost Accounting, Banking Law and Practice, Income Tax Law and Practice, Auditing and Corporate Governance, Management Accounting

Elective Courses: Business Environment, Working Capital Management, International Trade, Financial Services, Financial Management (or) Indirect Taxation, Human Resource Management (or) Merchant Banking, Indian Accounting Standards (or) Computer Application in Business, Financial Reporting (or) Basics of MS Excel

Skill Enhancement Course: MS Office for Commerce, Basic Tamil, Advanced Tamil, Accounting using Excel, Retail Management, Basics of Entrepreneurship

Foundation Course: Professional Ethics

B.Com. (Corporate Secretaryship)

Established: 1987 | *Eligibility:* HSC with Commerce & Accountancy

Overview

Prepares students for legal, compliance, and administrative roles in companies.

Highlights

Core Courses: Financial Accounting, Principles of Management, Business Law, Corporate Accounting, Company Law, Principles of Marketing, Cost Accounting, Banking Law & Practice, Income Tax Law and Practice, Auditing and Corporate Governance, Management Accounting, Institutional Training

Elective Courses: Business Economics, International Trade, Business Statistics, Industrial Laws, Human Resource Management (or) Research Methodology, Entrepreneurial Development, Securities Law & Regulation of Financial Markets (or) Spreadsheet for Business

Skill Enhancement Course: Logistics Management, Basic Tamil, Advanced Tamil, Everyday Banking, Time Management, Business Building Skills, Tally Accounting Software

Foundation Course: Fundamental Concepts of Accounting & Commerce

B.B.A. (Business Administration)

Established: 2005 | *Eligibility:* HSC

Overview

Management programme building leadership, finance, marketing, and entrepreneurial skills.

Highlights

Core Courses: Principles of Management, Accounting for Managers, Marketing Management, Organisational Behaviour, Financial Management, Business Environment, Business Regulatory Frame Work, Human Resource Management, Research Methodology, Business Taxation, Entrepreneurship Development, Services Marketing, Production and Materials Management

Elective Courses: Managerial Economics, International Business, Business Statistics, Operations Research, Digital Marketing (or) Industrial Relations (or) Financial Services, Management Information System (or) Merchandising Management (or) Total Quality Management, Consumer Behaviour (or) Innovation Management (or) Security Analysis & Portfolio Management, Fundamentals of Logistics Management (or) E-business (or) Strategic Management

Skill Enhancement Course: Basics of Event Management, Basic Tamil, Advanced Tamil, Managerial Skill Development, Business Etiquette and Corporate Grooming, Entrepreneurial Skill New Venture Management

Foundation Course: Managerial Communication

Common Features Across Programmes

- Naan Mudhalvan Courses
- Value Education
- Environmental Studies
- Internship / Industry Training
- Project with Viva Voce

Postgraduate Programmes (PG)

M.A. English

Established: 2005 | *Eligibility:* UG with 4 semesters of Part II English

Overview

Advanced literary training for academia, publishing, and civil services.

Highlights

Core Courses: Poetry, Drama, Fiction, Indian Writing in English, American Literature, Shakespeare Studies, Post-Colonial Literature, Contemporary Literary Criticism, Language and Linguistics, Writings of the Marginalized, Comparative Literature and Classics in Translation Studies, A Glimpse of Nobel Laureates

Elective Courses: Science Fiction, Fantasy and Detective Literature, Approaches and Methods in English Language Teaching, Gender Studies through Literature, Literature and Film, Life Writings (or) Travel Writing, Theatre Art (or) Recent Trends in Literature

Skill Enhancement Courses: Employability Skills (or)Technical Writing (or)Basics of Copy Editing, Entrepreneurship Development, English Literature for Competitive Exams

Project, Internship/ Industrial Visit, Extension Activity

M.Com.

Established: 1990 | *Eligibility*: UG in Commerce/related field

Overview

Training in finance, analytics, HRM, and corporate strategy.

Highlights

Core Courses: Business Finance, Digital Marketing, Banking and Insurance, Strategic Cost Management, Corporate Accounting, Setting up of Business Entities, Tax Planning and Management, Research Methodology, Advanced Cost and Management Accounting, Computer Applications in Business, Corporate and Economic Laws, Human Resource Analytics

Elective Courses: Security Analysis and Portfolio Management , Strategic Human Resource Management, Business Ethics and Corporate Sustainability, Rural and Agricultural Marketing, Strategic Management, Organisational Behaviour

Skill Enhancement Courses: Advertising and Media Management, Stock Market Operations

Professional Competency Course: Consumer Behaviour

Project, Industrial visits/ Internship

M.S.W. (Master of Social Work)

Established: 2016 | *Eligibility*: UG Degree (Tamil speaking required)

Specialisations

- Medical & Psychiatric Social Work
- Human Resource Management
- Community Development & Empowerment

Highlights

Core Courses: Social Work Profession, Social Case Work, Social Group Work, Field Work –I & II & III & IV, Community Organization and Social Action, Social Work Research and Statistics, Social Welfare Administration, Social Policies and Social Legislation, Rural Community Development, Human Resource Management, Medical Social Work, Tribal Development in India, Labour Legislations, Mental Health and Psychiatric Disorders, Urban Community Development, Industrial Relations and Employee Welfare, Psychiatric Social Work, NGO Management, Organisational Behaviour & Organization Development, Clinical Social Work, Social Work Practice in Project Management, Strategic Human Resource Management, Therapeutic Intervention in Social Work

Elective Courses: Sociological and Psychological Foundations for Social Work , Green Social Work, Corporate Social Responsibility,Counselling in Social Work

Skill Enhancement Courses: Life Skills for Social Work, Skill for Competitive Examination, Employability Skills of Social Workers

Professional Competency Course: Block Placement

Rural Camp, Study Tour, Project with Viva

CAMPUS LIFE

IN-HOUSE INTERNSHIPS OFFERED BY THE COLLEGE

All departments offer in-house internships to enhance student learning and experience. Additional internship opportunities are available through:

- Library
- IQAC
- Swachh Bharat Abhiyan
- Ekalavya Internship by the Centre for Student Development

GRIEVANCE REDRESSAL COMMITTEE

The College Grievance Redressal Committee, established as per UGC Regulations 2018, addresses student-related grievances. Students may submit formal complaints in writing or via email to: **grievance@cttewc.edu.in**.

COUNSELLING

To support students' psychological well-being, the college provides access to qualified counsellors.

Students are encouraged to approach them freely for guidance and support. Ms. Alima Zehra, Head of the Department of Psychology, and Ms. Lavanya, Assistant Professor of Psychology, serve as the college counsellors.

COMPETITIVE EXAMINATIONS COACHING

The Competitive Examination Cell offers focused coaching and guidance through multiple tracks:

- Aspiration Track for IAS and UPSC aspirants
- Corporate Career Track for students aiming at private sector roles
- TNPSC Track for Group II & IV exam preparation
- Bank Coaching Cell for those targeting PSU and Bank Recruitment Exams
- Support is also provided for other government examinations

PLACEMENT CELL & TECHNICAL TRAINING

With increasing competition in the job market and evolving industry demands, the college's dedicated Training and Placement Cell plays a key role in preparing students for career success. It offers structured training for UG and PG students and actively coordinates campus recruitment drives by engaging with top recruiters. The cell serves as a bridge between students and employers, enabling organisations to identify talent that matches their requirements. Led by a full-time Placement Officer, Dr. Sudha Srikanth and supported by student placement coordinators from each department, the cell functions year-round with a focus on:

- Conducting placement training programmes
- Coordinating campus recruitment with leading companies
- Sharing placement updates and event schedules
- Organising systematic recruitment drives

Our alumni are employed in reputed organisations such as TCS, CTS, WIPRO, Infosys, Accenture, BankBazaar, ICICI Prudential, Magic Bus, Shriram Chits, Altruist, Sutherland, Tech Mahindra, and more.

PARTNERSHIP IN LANGUAGE AND LEARNING (PILL)

PILL is a peer-learning initiative that pairs advanced learners with those who need additional support. It creates academic leadership by allowing students to deepen their subject knowledge through teaching. The programme promotes a democratic and inclusive learning culture on campus. It also plays a key role in empowering young women through collaboration and mutual growth.

STUDENT COUNCIL

The Student Council is an officially elected body that represents the student community. It acts as a bridge between students and the college management, promoting open dialogue and a democratic approach to student concerns. The Council operates under the guidance of the Dean of Students, ensuring student voices are heard and addressed.

FINE ARTS ACADEMY

The Fine Arts Academy encourages students to discover, develop, and showcase their artistic talents. Free training is offered in Yoga, Bharatanatyam, and Veena under the guidance of qualified instructors. Two major cultural events, *Kalakiran* and *Chainika*, are conducted annually as interdepartmental and intercollegiate festivals, promoting talent, teamwork, and networking. These events provide a platform for students to engage in cultural expression and event organisation. To encourage secularism and religious harmony, festivals such as Christmas, Onam, Ramzan, and Pongal are celebrated every year.

PALKALAI MANRANGAL - STUDENT CLUBS AND CELLS

Student-Led Clubs and Cells:

The college offers a wide range of student-run clubs and cells designed to cultivate leadership, social responsibility, creativity, and life skills. These platforms provide opportunities for students to serve the community, build networks, and grow holistically. Active participation in these units enables leadership and personal development.

- ### National Service Scheme (NSS)

  Objective: To develop students' personality through community service.

  Description: A government-sponsored programme launched in 1969 that promotes campus-community linkage through voluntary service.

- **Youth Red Cross**

  Objective: To instil humanitarian values and encourage service without discrimination.

  Description: Focuses on protecting life, health, and human dignity, and promotes peace, friendship, and cooperation.

- **Citizen Consumer Club**

  Objective: To create awareness about consumer rights and responsibilities.

  Description: Functions under the guidance of the State Government to educate all consumer segments.

- **Red Ribbon Club**

  Objective: To raise awareness on HIV/AIDS and promote blood donation.

  Description: A Government of India initiative to cultivate responsibility and service among students.

- **Art Club**

  Objective: To encourage visual expression and artistic creativity.

  Description: Offers a platform for exploring painting, sculpture, drawing, and decorative arts.

- **Event Management Club**

  Objective: To develop planning and organisational skills in event execution.

  Description: Engages students in managing logistics, budgeting, and coordination of various college events.

- **Creative Writing Club**

  Objective: To enable expressive and imaginative writing skills.

  Description: Supports writing in genres such as storytelling, poetry, playwriting, and journalism.

- **Speech & Debate Club**

  Objective: To promote public speaking and critical thinking.

  Description: Trains students in persuasive speech and oratory, enhancing their confidence and articulation.

- **Standards Club**

  Objective: To educate students about national quality standards.

  Description: Run in collaboration with the Bureau of Indian Standards to encourage understanding of standardisation and certification.

- **Music Club**

  Objective: To nurture musical talent and appreciation.

  Description: Encourages both vocal and instrumental music as a medium of emotional expression and cultural engagement.

- **Drama Club**

  Objective: To explore theatrical performance and expression.

  Description: Facilitates student participation in dramatic arts across genres and themes.

- **Dance Club**

  Objective: To promote rhythm, expression, and cultural diversity through dance.

  Description: Encourages all forms of dance for artistic growth and celebration.

- **Life Skills Club**

  Objective: To prepare students for personal and professional challenges.

  Description: Focuses on improving decision-making, communication, and resilience.

- **Humanities Club**

  Objective: To deepen understanding of human culture and society.

  Description: Offers activities that enhance analytical thinking, ethics, and civic responsibility.

- **Villupaatu Club**

  Objective: To preserve and promote traditional musical storytelling.

  Description: Encourages students to perform *Villupaatu*, an ancient South Indian folk art form.

- **Wellness & Mental Health Club**

  Objective: To support students' physical and emotional well-being.

  Description: Offers yoga, martial arts, and wellness activities to enhance mental and physical health.

- **Eco Conservation Club**

  Objective: To raise environmental awareness and promote sustainability.

  Description: Engages students in activities related to climate action and ecological responsibility.

- **NDLI Club**

  Objective: To promote smart use of digital academic resources.

  Description: Conducts awareness programmes on using the National Digital Library of India (NDLI) platform.

- **Personal Grooming Club**

  Objective: To support holistic personal development.

  Description: Focuses on hygiene, dressing, body language, and communication for professional readiness.

- **Anti-Drugs Club**

  Objective: To educate students on the dangers of substance abuse.

  Description: Organises awareness campaigns and preventive education programmes.

- **Photography Club**

  Objective: To promote creativity through visual storytelling.

  Description: Provides a space for students to explore and experiment with photography.

- **Eve Cell (Empowerment and Values through Education)**

  Objective: To empower women and promote gender equality.

  Description: Organises awareness activities on women's rights, safety, and leadership.

- **Research Cell**

  Objective: To nurture a culture of research and innovation.

  Description: Encourages inquiry-based learning and supports student-led research initiatives.

- **Centre for Student Development (CFSD) – EDC & IIC**

  Objective: To cultivate entrepreneurship and innovation.

  Description: Comprises the Entrepreneurship Development Cell (EDC) and Institution's Innovation Council (IIC). It promotes leadership, enterprise, and student-led ventures like *Techtaught*, *Milir*, *Hercraft*, *Stubazaar*, *Vizhithiru*, and alumna-led canteen and bookbinding services.

- **CTTE Counselling Centre**

  Objective: To support students' emotional, psychological, and academic well-being.

  Description: Offers individual and group counselling sessions led by qualified faculty counsellors, providing a safe and confidential space for students to express concerns and receive guidance.

- **Career Guidance Cell**

  Objective: To help students make informed career choices and build job readiness.

  Description: Organises career awareness programmes, aptitude tests, expert talks, and one-on-one guidance sessions to assist students in choosing suitable academic and career paths.

- **Internship Cell**

  Objective: To bridge academic learning with practical exposure.

  Description: Coordinates internship opportunities for students across departments and sectors, enabling them to gain hands-on experience and workplace skills before graduation.

- **CTTE Outreach Cell – 2 Units**

  Objective: To enable community engagement and social responsibility.

  Description: Runs two dedicated units that connect students with underprivileged communities through educational support, health camps, awareness drives, and service initiatives.

- **Anti-Ragging Cell**

  Objective: To ensure a safe, ragging-free campus environment.

  Description: Monitors student conduct, sensitises the community through awareness sessions, and addresses complaints promptly in compliance with UGC regulations.

- **Anti-Sexual Harassment Cell (Internal Complaints Committee)**

  Objective: To prevent and address incidents of sexual harassment on campus.

  Description: Conducts awareness programmes and ensures a safe, respectful environment through a structured redressal mechanism, as per the guidelines of the Sexual Harassment of Women at Workplace Act.

- **Anti-Human Trafficking Cell**

  Objective: To educate and prevent trafficking-related crimes.

  Description: Raises awareness on human trafficking, collaborates with external agencies, and equips students with knowledge and vigilance for personal and community safety.

- **Electoral Club**

  Objective: To promote democratic values and electoral literacy.

  Description: Functions in partnership with the Election Commission of India to encourage voter registration, participation, and awareness of civic duties among students.

- **Foreign Language Teaching Centre (FLTC)**

  Objective: To enhance global readiness and communication skills.

  Description: Offers certified courses in foreign languages such as German, French, and Japanese, providing students with language proficiency for academic and career advancement.

- **Social Media Club**

  Objective: To enhance digital communication skills and promote responsible social media use.

  Description: The club trains students in content creation, digital marketing, and social media strategy. It manages official college handles, covers campus events, and promotes institutional achievements while encouraging ethical and impactful online engagement.

These clubs not only provide platforms for personal and academic development but also enable a strong sense of community engagement, leadership, and social responsibility.

RULES AND REGULATIONS

Institutional Vision

Empowering Women through Education, Ethics and Economic Development

The college is committed to nurturing women as confident, responsible, and socially conscious individuals capable of contributing meaningfully to society.

Methodology: Holistic Education

Education at CTTE College is not limited to academics alone—it integrates intellectual, emotional, social, moral, and spiritual development. Our approach aims to create well-rounded individuals prepared for life and leadership.

Foundational Principles

All rules and practices are framed around five core principles that guide our educational philosophy:

1. **Values** – Cultivating integrity, respect, and social responsibility
2. **Knowledge** – Promoting academic excellence and critical inquiry
3. **Skills** – Equipping students with professional, digital, and interpersonal competencies
4. **Quality** – Ensuring excellence in every aspect of campus life
5. **Lifelong Learning** – Encouraging curiosity, adaptability, and continuous growth

Rules and Objectives

- **Punctuality and Morning Assembly**
    - **Objective:** To instill discipline and shared purpose

Students must attend the morning assembly regularly. It encourages unity, communication of important announcements, and the spirit of collective growth. Habitual late-coming will lead to corrective action.

- **Attendance Requirement (Minimum 90%)**
    - **Objective:** To ensure consistent engagement and learning outcomes

High attendance reflects commitment and directly impacts academic performance. It is also a requirement for scholarships and examination eligibility.

- **Participation in Academic and Co-Curricular Activities**
    - **Objective:** To develop confidence, teamwork, and leadership

Students must actively engage in projects, competitions, paper presentations, and event organisation. Such activities complement classroom learning and build essential life skills.

- **Language and Conduct**
    - **Objective:** To build respectful communication and language fluency

Students must use decent language and avoid inappropriate or offensive expressions. English is encouraged on campus to improve fluency and prepare students for professional environments.

- **Dress Code**
    - **Objective:** To uphold modesty, dignity, and cultural sensitivity

Students should dress modestly and appropriately, maintaining the decorum of an academic institution.

- **Identity Cards**
    - **Objective:** To ensure safety and accountability

Wearing the college ID card at all times helps maintain a secure campus and allows for easy identification during events or emergencies.

- **Cleanliness and Campus Etiquette**
    - **Objective:** To promote responsibility, hygiene, and a healthy environment

Students must help keep classrooms and public areas clean, contributing to a respectful and eco-conscious community.

- **Use of Mobile Phones**
    - **Objective:** To reduce distractions and enable focus

Mobile phones are banned on campus unless prior written permission is obtained from the Principal. This rule supports focused academic engagement.

- **Personal Belongings**
    - **Objective:** To encourage safety and responsibility

Students are advised not to bring valuables like gold ornaments or large amounts of cash. The college is not liable for any loss of personal property.

- **Anti-Ragging Policy**
    - **Objective:** To ensure a safe, inclusive, and respectful environment

Ragging is strictly prohibited. A black complaint box is provided for anonymous reporting. Any student found guilty of ragging will be subject to expulsion in line with UGC guidelines.

SCHOLARSHIPS

The College facilitates a wide range of scholarships to support students from diverse socio-economic backgrounds. These include Government, Endowment, Corporate, and Private Scholarships.

Government Scholarships

- SC/ST Scholarship
- Minority Scholarship
- Central Sector Scholarship
- Pudhumai Penn Scheme
- (UNOM) Endowment Scholarship

JJK Women Support Scheme

Instituted in honour of our former Chairman, Honourable Justice Thiru J. Kanakaraj, the JJK Women Support Scheme reflects CTTE College's commitment to student welfare and equity. The scheme offers need-based scholarships and a Free Breakfast and Lunch Programme for students experiencing food insecurity, ensuring holistic support for academic success.

Eligibility Criteria

- 90% attendance is mandatory for all scholarships.
- Most private scholarships require a minimum of 70% marks and a good conduct recommendation from the respective department.
- Additional criteria may apply as per donor requirements.

AWARDS AND RECOGNITIONS FOR STUDENTS

The College celebrates and honours the leadership, academic excellence, and social contributions of women students through a range of awards and recognitions. Students interested in applying must submit the prescribed proforma available at the College Office. Selection is based on clearly defined criteria, and all awards are presented on College Day. Outstanding contributions across academics, clubs, departments, and society are duly recognised.

Academic Excellence Awards

- **Proficiency Prizes**: Awarded to UG and PG students for outstanding academic performance in Major and Allied subjects, based solely on university examination results. These prizes are decided by the college and do not require student applications.

Awards for Meritorious Students (Cash/Book Prizes)

These awards are recommended by the respective departments based on the students' overall performance, commitment, and contributions during their course of study. Student applications are not required.

- Dr. Elizabeth Thomas Memorial Scholarship
- Hon. Justice J. Kanakaraj Award for Excellence in Sports
- Dr. V.A. Vasantha Endowment Award – Best Meritorious Student (Department of English)
- Dr. V.A. Vasantha Award – Best M.Phil Researcher (English)
- Dr. V.A. Vasantha Award – Best M.Phil Researcher (Commerce)
- Mrs. & Mr. K.K. Varkey Endowment Prize for Scripture
- Chevalier T. Thomas Merit-cum-Means Scholarship
- CTTE Dept. of Mathematics Silver Jubilee Endowment Award
- T.C. Subramanian Award for Sports
- Mobtron Enterprises – Best Outgoing Student (Physics)

Leadership and Service Awards

- Best Outgoing Student of the College
- Best Outgoing Student (Per Department – One Award Each)
- Excellence in Organising Skills and Leadership (Per Department – One Award Each)
- Potential for Research (Selected Students Only)
- Leaders of Research and Development – MILIR Team (Selected Students Only)
- Best Intern – CFSD In-House Internship Scheme (Ekalavya)

Best Coordinator Awards – Clubs, Cells & Initiatives

- Best PILL Leader (One per Department)
- Best Sports Coordinator
- Best Placement Coordinator
- Best RRC (Red Ribbon Club) Coordinator
- Best UBA (Unnat Bharat Abhiyan) Coordinator

CAREER OPPORTUNITIES

CAREER OPPORTUNITIES AND SCOPE FOR HIGHER STUDIES

Empowering Futures through Academic and Professional Pathways at CTTE College

Career Opportunities by Programme

- **B.A. English**

  Graduates find careers in journalism, media, technical writing, copy editing, publishing, and various roles in the corporate, service, and non-profit sectors. Opportunities also exist in research and academic institutions.

- **B.Sc. Mathematics**

  Students are equipped for roles such as research scientists, actuaries, statisticians, operations research analysts, computer scientists, inventory strategists, and specialists in geophysical, geodesic, and environmental mathematics.

- **B.Sc. Physics**

  Career paths include positions as research scientists, physicists, laboratory technicians, nano scientists, and research associates in laboratories and industries.

- **B.Sc. Chemistry**

  Graduates can become analytical, production, or lab chemists, quality controllers, or industrial research scientists, with roles also available in environmental safety and materials technology.

- **B.Sc. Psychology**

  Students pursue careers as clinical, counselling, educational, forensic, social, and rehabilitation psychologists, as well as family and marital counsellors and mental health professionals in various settings.

- **B.Sc. Computer Science & B.C.A.**

  These programmes open doors to careers in data science, software engineering, system analysis, software testing, networking, animation, and technical programming.

- **B.Com. (General), B.Com. (A&F), B.Com. (Corporate Secretaryship)**

  Graduates are prepared for roles in accounting, auditing, taxation, finance, banking, company secretarial practices, and management consulting. Many go on to pursue qualifications like CA, CS, CMA, and CWA.

- **B.B.A.**

  Students are trained for managerial roles in the corporate sector, with specialisations in entrepreneurship, finance, HR, and marketing. Many pursue M.B.A. or related postgraduate management courses.

- **M.S.W.**

  Postgraduates work in areas such as Human Resource Management, counselling, NGO-based community development, and policy implementation.

- **M.A.**

  Opportunities include teaching, content development, editing, publishing, and research leading to Ph.D. and academic leadership roles.

- **M.Com.**

  Students pursue careers in finance, banking, auditing, and academia, or continue to doctoral research and professional qualifications.

Scope for Higher Studies

Each undergraduate degree opens avenues for specialisation through postgraduate and professional programmes:

- **Arts & Humanities**: M.A. English, Journalism, Mass Communication, Social Work
- **Sciences**: M.Sc. in various specialisations across Mathematics, Physics, Chemistry, and Psychology
- **Computing & IT**: M.Sc. Computer Science, Software Engineering, IT; M.C.A.; M.B.A.
- **Commerce & Management**: M.Com (various specialisations), M.B.A., CA, CS, CMA, LLB
- **Social Sciences**: M.S.W., Human Rights, Labour Law

Students are encouraged to explore interdisciplinary studies combining technology, science, and the humanities.

Job Readiness and Institutional Support

At CTTE College, **every student—UG or PG—is prepared for employment** through dedicated training modules and certificate courses. These are conducted in collaboration with **industry partners** to ensure students are job-ready upon graduation.

Placement support is provided for careers in **corporate firms, educational institutions, and research bodies**, ensuring that students are not only academically qualified but also professionally competent.
