## **CONCLUSION**

As the founder of the Trust, Chevalier T Thomas envisioned, all the institutions under the CTTE Trust follow the principles of inclusion, and as the founder of our college Mrs. Elizabeth Thomas believed, we put forward the ideology of women empowerment. All the initiatives by us under the guidance of the Management are directed towards building values in our students, apart from knowledge building, skill development and personality enrichment. We hope to continue our work with greater zeal. I wish all our students the very best in life, prosperity, good careers, and peace of mind with the grace of God.

Thank you.
