XXXVII College Day
Annual Report 2021- 2022
April 19, 2022

Worshipful Mayor of Greater Chennai Corporation Mrs.Priya Rajan, respected Chairman Honourable Justice Thiru N. Paul Vasantha Kumar, (who is not able to join us today and has conveyed his best wishes) respected Correspondent Thiru L.Palamalai (IAS Retd.), respected former Principal Dr. Hanifa Ghosh, respected Vice Principal Dr. R. Meenakshi, respected Dean of Students Ms.Mercy Sylvester, dear Student Council President Ms. K. Rajakaleeswari, dear teachers, dear students and dear parents, we welcome you all to the 37th College Day Celebrations.

We are glad to meet all our students and parents in person after the third wave of COVID19.

I would like to place on record that the C.T.T.E Trust took care of all its stakeholders with utmost sensitivity and care during the three waves of the pandemic from March 2020 to till now. Teachers were granted the required leave when they were affected with COVID19 and students were supported with the required strengthened online teaching facilities as well as fiscal support. Measures were taken to take care that all our students could complete their courses with ease.

I would also like to place on record the invaluable service rendered by our teachers to the student community by giving them moral support apart from the regular teaching and posting of learning resources in the G-Suite classroom. The class teachers rendered inimitable service and linked each student with the departments. The HoDs in turn worked round the clock to monitor all aspects of education. We faced the challenges headlong and the college took initiatives like refresher classes monitored by the Dean of Academics, so that students do not lag behind in their knowledge acquisition. The academics were meticulously planned, CIAs were conducted regularly and the college did not compromise in its academic standards at all.

COVID 19 SOP

This academic year the college opened on July 15, 2021 in an online mode. As per Government instructions Offline classes began on September 1, 2021 after the second wave of the pandemic. The Government had issued a set of guidelines as SOP for the Educational Institutions and its stakeholders and accordingly, appropriate measures were taken by the College. A COVID19

Cell was set up and the Physical Director was appointed as the Nodal Officer to monitor COVID19 appropriate behaviour in the campus. Faculty members, Staff and Students were sensitized on the spread & symptoms of COVID19 and the precautions and measures to control its spread. Everyone had to install and register in the *Aarogya Setu* app on their mobile phones. The College coordinated with the Chennai Corporation in conducting frequent Covid screening. It also provided counseling by the In-house Counselors. Vaccination was made mandatory for every one inside the campus. Frequent vaccination camps were held by the Chennai Corporation to facilitate vaccination for faculty members, staff & students. It was open for the public too.

The third wave of the pandemic began in the last week of December and the Government instructed the colleges to be closed from January 5, 2022. Hence the college shifted to online mode once again from January 6, 2022. On February 21, 2022 we shifted back to offline mode as the third wave came to a partial end.

Eventually, when students came back to the campus we responded to their needs for physical activities and arranged lots of cultural and sports activities and field visits for them and helped them to cope with the stress created by the pandemic. We had our Graduation Day for the 2017-20 batch only on 5th March 2022, after two years. Now, let me give a brief outline about the beginnings of CTTE Trust and its educational institutions.

I. Background

Chevalier T. Thomas Elizabeth College for Women is part of the educational institutions managed by the C.T.T.E Trust, a pioneer in the private education sector, which is committed to quality education. T. Thomas Educational Trust was established in 1965 by Chevalier T. Thomas; he founded the prestigious St. Mary's Group of Schools in Perambur that helped to upgrade the social processes and economic activity in the industrialized North Madras. Chevalier T. Thomas Elizabeth College for Women was established in 1985 by the then Correspondent Mrs. Elizabeth Thomas, the wife of late Chevalier T. Thomas with the main purpose of empowering women. We are the first Self-financing College affiliated to the University of Madras and more than 14,000 women students have graduated till now.

The C.T.T.E Trust became a Public Trust in December 2002. Honourable Justice Thiru J. Kanakaraj, Retired Judge, High Court, Madras was appointed by the High Court of Madras as the Chairman of C.T.T.E Trust. Mr. L. Palamalai, IAS (Retired), became the Managing Trustee and Correspondent, and together they took up the tough and challenging job of

developing the academic institutions under the Trust. On February 21, 2022 Honourable Justice Thiru. N. Paul Vasantha Kumar took over as the next Chairman of the C.T.T.E Trust.

I. Our Purpose and Objectives

C.T.T.E stands for women empowerment. Our vision is to empower women through Education, Ethics and Economic Development. We aim to reach our goal of women empowerment by providing the right academic atmosphere with the best resources to pursue and gain knowledge; providing opportunities to develop employability skills; inculcating values rooted in our culture and tradition, secularism and humanitarianism. We concentrate on creating a globally competent workforce.

The demographic profile of the region and the demands of contemporary society have shaped our vision and objectives of the college. The country has put gender equity in the forefront as an ideal and we reflect the ideals of the nation. We take all the required steps to ensure our students emerge as self confident young women who have the freedom to choose a career of their choice.

Best Academic Practices of CTTE

1. **Technology Enabled Teaching and Learning [TETL]** offers certificate courses like Python, TALLY, Basic and Advanced Excel, NMEICT courses, English for Workplace etc. Weekly once, the classes are conducted online and in these G-suite classrooms, the best knowledge resources are posted regularly to enable self-paced learning aiming at creating the autonomous learner.

2. Partnership in Language and Learning (PILL)

PILL is collaborative learning by pairing advanced and slow learners. This initiative has brought forth young academic leaders who become experts in subjects they teach; it has enabled a democratic learning environment in the campus. Also it is slowly empowering young women.

3. Competitive Exams Training:

We train our students for taking up TNPSC/UPSC Exams, Bank Exams, or any other Government Examinations. Each department conducts certificate courses to sharpen the skills of students.

IV. Students

Let me now present the academic achievements of our students.

Academic Achievements

- Our students have secured a centum pass for almost all the courses in the university online exams.
- Vedavalli. R of B.Sc. Chemistry has got the First Rank in the University. We are waiting for the communication regarding the other ranks from the university.

Academic Research by Students

Till now, 59 research papers have been presented by UG/PG/M.Phil students at various conferences.

Chapters in Books & Research Papers Published by Students

We support our students to write research papers and chapters in books. There have been 5 chapters and 3 research papers published by students.

Student Internships and Projects

534 students have taken up internships at the in-house level and in other organizations.

Students Placed in Jobs by the Placement Cell

14 placement drives have been arranged and 134 students have been placed. From the previous batch, 208 students have been placed and are now successful career women. More than 10 companies are tied up with the College for placements.

Students Pursuing Higher Studies

From the previous batch 158 students are pursuing higher studies.

Student Leadership

C.T.T.E Student Council is an active body that is proactive and dynamic, collaborating with the staff and students. It was inaugurated on September 29, 2021.

The Junior Council supports the Student Council in all its activities.

The Club Coordinators, Cell Coordinators arrange the various activities of the student clubs throughout the year. The Extension Units are equally active and serve the college, the neighborhood and society at large.

Class Leaders: Each class has two leaders and during the pandemic, their service to the College was commendable.

PILL Leaders: Each class has leaders with students allotted to them who discuss the subject in mother tongue or in other simple terms.

International / National Conferences

The College has conducted 2 National and 2 International Conferences.

28 International / National seminars were conducted by the Departments.

National Celebrations

The students celebrated the national festivals with enthusiasm and patriotic fervor.

The Cultural activity of the Republic Day celebration was planned through online mode.

Festivals Celebrated in the Campus:

The students celebrated all the festivals in the campus as much as possible. The Fresher's Day was celebrated by each department from October 27 to 29, 2021. Women's Day was celebrated on March 08 2022. Kalakiran, the Intra-Collegiate Cultural Fiesta was conducted from March 28 to 31, 2022. Chainikawas conducted on April 01, 2022. Nearly 49 colleges and around 2000 students participated in various events. The Fine Arts club conducted fun programmes for the students during Saturdays - on December 11, 2021 and December 18, 2021. Atrangiwas a cultural intercollegiate initiative by the Student Council.

Our students have participated in inter-collegiate sports events and won the following:

Conclusion

This is the 37th year for CTTE College, and we have emerged as a premier institution in North Chennai that empowers women students into career women through personality development.

The Student Council wanted to bring in a student-centric College campus. The Ministry of Education expected lots of student activities in the campus so that student leadership will emerge paving the way for women entrepreneurship. The College hence created "Manavar Mandrangal" apart

from “Centre for Student Development” guided by a team of teachers - Dr.Malarvizhi, Mrs. Princy, Mrs. Kavitha and Mrs. Amalathi, and Dr. Preetha. Under these banners, lots of clubs were created and began functioning. Slowly women leaders began emerging. The growth of leadership in the campus also brought conflicts. They had to be resolved in umpteen meetings with student leaders guided by the Dean of Students, and the process was time consuming and elaborates. But it was worth all the time, effort and energy involved; as a result, perhaps more than 50 women leaders have emerged this year. Amidst them, we have chosen a few leaders and have tried to acknowledge them with awards today.

For example, Uma Maheshwari has emerged as an entrepreneur. “Milir” an organic company, emerged, guided by Mrs. Amalathi. In its inauguration Correspondent Sir said that the college has taken a higher step and has created entrepreneurs. Also, we noticed that Harini and many others have the potential for research. A team of Chemistry students had delved into the world of entrepreneurship. In the future, we are planning to bring in a research and development center. An alumna wanted to start a canteen and was permitted by our Correspondent. One more enquiry has come from another old student to start another canteen, and again the Correspondent has permitted. Old students have approached us seeking permission to conduct more alumnae activities.

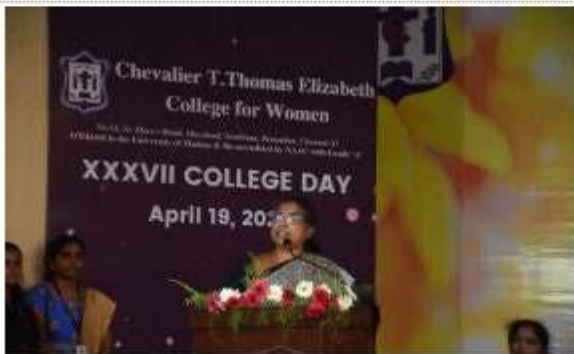

The Event Management Club and Ms. Asifa meticulously planned and executed the events. Student interns have begun participating in the college activities with more accountability. We also felt the impact on the competitive exams classes as more students have begun signing up for these classes; it is a sign signifying that our students have begun to be more goal-oriented and focused.

We interviewed the class leaders for selecting the best in the routine of many interviews that we had throughout last week and a first year student, Jerusha, explained how she enjoyed working as a class leader and wanted to become an entrepreneur. We understood how the nation has designed student empowerment programs in the higher education institutions and how CTTE students have responded to the call of the nation. We would call all these student initiatives and works as the success of the planning of the top scholars of the country who have envisioned the emergence of young leaders in college campuses. The country emphasizes on knowledge, ability and skill in higher education institutions today. And, we have taken all efforts to reach these ideals in our campus. CTTE Trust has a similar vision and mission and strives hard for the multi-dimensional growth of its institutions.

Today is a very proud moment for C.T.T.E Trust. Our Mayor's mother studied in St.Mary's School. Our Mayor studied in St. Mary's School and C.T.T.E College. We have created a woman leader in the challenging field of politics and administration in the public sphere. As the Dean of Students said when Mrs. Priya Rajan took charge as Mayor, we realised that a woman has become the Mayor of Chennai after fifty years. It is a great inspiration for all the students here today. Our Priya Rajan is an example of consistent work and dedication, and dear students; you can take this as a great model of excellence - a goal to reach in future - a dream to achieve.

May God continue to shower His blessings on us and may our students bring more laurels and help us achieve greater heights in the years to come!

Thank you.

XXXIII Graduation Day Address
March 05, 2022

Most Respected Chairman of C.T.T.E Trust, Honourable Justice Thiru N.Paul Vasantha Kumar, Most Respected Managing Trustee and Correspondent Thiru. L. Palamalai, Dr.Thanka Paul, Respected Principal and Vice Principal, Deans, Heads of Departments, Faculty members, Administrative Staff, Parents, Media and Graduands!

Good Evening to one and all! Visits to CTTE have always been special in terms of the friendships forged and the intellectual exchanges. This institution has a long and distinguished tradition of providing access to higher education for first generation learners in North Chennai. A more enduring appeal is the continuing focus of value embedded education provided to women, who go out into the world as responsible leaders and change makers.

The Principal's report has highlighted several aspects where the college has made its mark despite the pandemic. The pandemic has necessitated us to modify our teaching-learning process. It has also forced us to adopt ICT based pedagogical practices. It is in this respect that the institution's motto "The lord shall enlighten me" provides a message of hope and belief in these dark times.

From the number of rank holders, medal winners and the percentage of graduating students, it is clear that resilience and perseverance are qualities that not only shape our professional lives but also help us decide on how we want to lead our lives. Personally, I view this achievement as the fulfillment of the vision of the institution to "Empower women through Education". Education and employment are often considered to be the twin arms of women's development. To this we can add entrepreneurship. It is important for us to pause and define what we mean by development. If we are looking at economic well being or material change in our lifestyle, certainly your degree is a passport to get a job, support your family, etc. However, development in its true sense should lead to empowerment. The OALD defines empowerment as giving "lawful power or authority to somebody to act". The problem with this definition is that it assumes that empowerment has to be given from outside and that it is a word of law. In reality, access to education and employment/ entrepreneurship is enablers that propel and shape an individual to realize her potential and overcome the disabling aspects.

We need to now ask what is the institution's role in shaping the empowerment potential of each of its students.

- Choice in curriculum
- Enabling environment for advanced learners and slow learners
- Extracurricular activities to hone life skills
- Research ambience
- Infrastructural facilities to foster best teaching-learning opportunities
- Sports and community focused activities

The more important requirement in this respect is the institution's commitment to the local community and society at large. In doing so, we realize that empowerment comes from within and it "increases the choices available to and capacities of [the vulnerable] in transforming the power structure of society. At its core, empowerment means having more control over the forces that shape one's life." The way to achieve this demands that we follow the ethics and values when no one is there to monitor. It also forces us to be fair and just in all actions. Freedom and choice imply that we need to take responsibility for our actions.

Students should look for opportunities where your strengths are identified and recognised. You must be open to embrace change and keep learning.

The Faculty should realize that no two students are alike. They should incorporate suitable practices that evolve over time and adopt the ones suitable for our institutions.

The Management and the authorities should provide an enabling environment and participatory leadership. They should record and document the best practices.

Best wishes.....

Student Feedback Survey on Online & Offline Classes on 14.09.2021 & 15.09.2021

The Student Council 2021 took an initiative and conducted an online survey to get the students feedback on online and offline classes on alternative days through Google forms. The following were the responses of the students' feedback.

Difficulties faced by the students:

- It is best to have either an online class or an offline class. This mixture of classes grabs time, money and even mobile data unnecessarily.
- There are a lot of miscommunications happening when one set of students are at college and attending class and the other set is at home.

- The students attending offline classes at college are also supposed to join the G-Meet using mobile.
- Then what is the purpose of us coming to college?

Suggestions/Requests put forth by the students to increase the quality of classes:

- In offline classes, projectors should be used more to explain concepts so that we can understand them more clearly by watching them.
- Microphones should be given to teachers so that it will be audible to the students attending offline too.
- Reduction of Class timing for the protection of eyes.
- Kindly improve and fix technical issues.

Fix the best possible routing for van students.

An Interdisciplinary Conference

**Keynote Speaker:
Professor Saiyid Zaheer Husain Jafri
Department of History
University of Delhi**

Professor Saiyid Jafri is from the Department of History, University of Delhi. His area of specialization is Medieval Indian History. His research interests include the Sufi institutions, the Great Uprising of 1857, Transmission of knowledge during India's medieval past and Colonial impact on the Indo-Muslim society and institutions of learning and *Auqaq'* in the Upper Gangetic Valley.

He has authored the book *An Anatomy of a Transformation: Awraqh from Mughal to Colonial Rule* (2004), reprinted with revised and enlarged version as *Awraqh: From Mughal to Colonial Rule* (2016). He has co-edited many other books, the most recent one in 2020 titled, *Delhi and Awraqh in 1857: Studies, Images and Documents*.

He has been the Head of the Department of History, Delhi University from 2007-2010. He has served as the Secretary of Indian History Congress from 2012-2015 and presided over its sessions as well.

Chevalier T. Thomas Elizabeth College for Women was established in the year 1983 under the C.T.E.S. Trust. This college has the distinction of being the first Self Financing College under the University of Madras and has rendered unique service to the cause of women's higher education in North Chennai. The Vision of the College is to Empower Women through Education, Ethics and Economic Development.

The Department of English came into being in 1983 along with the inception of the college. It was upgraded into Postgraduate Department in 2005 and into Research Department in 2012. The Department strives to promote among students knowledge and skills to examine and appreciate English literature and understand the aspects of the English language. Ample learning opportunities are given to the learners to improve their critical thinking and language proficiency. In keeping with the Mission of the College, the Department aims at empowering women through English language skills.

The Student Conference is an annual feature of the Postgraduate and Research Department of English, to inculcate research among students as well as to highlight the importance of research in higher education. Since last year, this has become a National Conference. Students are invited to interpret a literary text (Primary source) from various perspectives like Gender, humanism, structuralism, sociology, anthropology, cultural studies and feminism etc. The themes chosen for the Conference each year. An inter-disciplinary approach is encouraged. The conference provides a platform to explore contemporary themes and topics from the perspective of the millennial generation. The research scholars and the postgraduate students of the Department under the guidance of the coordinator, organize the conference.

A Palimpsest: Indian Writing in English

Literature is a vital record of what people have seen in life, what they have experienced, what they have thought and felt about those aspects of life which have the most immediate and enduring interest for all of us. History is a record for posterity, whereas literature is fundamentally an expression of life through the medium of language. In this context, Indian literature in English reveals the complexity of the history of India's encounter with colonialism, pre-independence struggles and independent India. The works of Indian English writers in Hindi Bhabha's words have attempted to "write the nation", to depict through literature collective Indian consciousness. The works challenge western concept of historical narrative to create a post colonial national narrative. For instance, Raju Rast's effective usage of Indian storytelling tradition in *Kanthapura* to depict the effect of Indian freedom movement in villages through the story of the village, *poorahat Nehru*, in *No The Discovery of India* tells India as "an ancient pattern on which layer upon layer of thought and events had been heaped, and yet no succeeding layer had completely hidden or erased what had been written previously". This Conference "A Palimpsest: Indian Writing in English" that is being held in the 75th year of Indian independence, is an extension of Nehru's idea. The plurality of multiple narratives representing the Indian experience in English expression provides the insight to historical happenings from the pre-independence era to the present times. The theme of the conference centres on Tagore's idea that history can be represented in multiple ways of the same time.

The Student Conference 2021, to be held in the 75th year of independence, hopes to capture the cartography of the Indian Writing in English trajectory from the history of Indian independence from the sixteenth century to the occasion of *Azadi Ka Amrit Mahotsav*. The papers can therefore reflect the various facets of the struggle for Indian independence during the periods on given below. The theme of the Conference offers scope for interdisciplinary research and papers are invited from students of English Literature, History, Political Science, Public Administration and interested students from other disciplines.

The following literary works may be considered, but not restricted to, as instances of what the Conference aims at foregrounding:

Pre-Independence

1. Manohar Malgonkar's *Road in The Ganges*
2. Raju Rast's *Kanthapura*
3. R.R. Narayan's *Waiting for the Mahatma*
4. Mahatma Gandhi's *Untouchable*
5. Shashi Tharoor's *An Era of Darkness*

Post-Independence

6. Khushwant Singh's *Train to Pakistan*
7. Salman Rushdie's *Midnight's Children*
8. Aashif Taseer's *The Way Things Were*
9. Mukesh Duttani's *Fixed Solutions*

Contemporary

10. Shashi Tharoor's *The Great Indian Novel*
11. Robinson Milroy's *A Fine Balance*
12. Anand Adiga's *The White Tiger*
13. Anandadev Raghav's *Shrieking of Street Nymphs*
14. Bhanu Prasad's *Chitra's Gazing of Neighbours*

About the Speaker

Professor Saiyid Jafri is from the Department of History, University of Delhi. His area of specialisation is Medieval Indian History. His research interests include the Sufi institutions, the Great Uprising of 1857, Transmission of knowledge during India’s medieval past and Colonial impact on the Indo-Muslim society and institutions of learning and *Awqaf* in the Upper Gangetic Valley. He has authored the book *An Anatomy of a Transformation: Awadh from Mughal to Colonial Rule* (1998), reprinted with revised and enlarged version as *Awadh: From Mughal to Colonial Rule* (2016). He has co-edited many other books, the most recent one in 2020 titled, *Delhi and Awadh in 1857: Studies, Images and Documents*. He has been the Head of the Department of History, Delhi University from 2007-2010. He has served as the Secretary of Indian History Congress from 2012-2015 and presided over its sessions as well.

Summary of the Talk

Professor Saiyid Jafri started his address by observing that the 2 books mentioned in the invitation were about Indian Independence struggle although he had authored many others. Therefore, he commenced his Keynote address using that as the launching point. Prof. Jafri offered two theoretical formulations with regard to colonization. He stated that colonization leads to political subjugation and economic deprivation of the colonized. Further, every subjugation leads to turmoil in society, with one section fighting to retain control and another to seize the power. From this emerges new elite, reducing the earlier elite to a marginal status, and collaborates with the colonizer leading to eventual annihilation of the native culture and traditions. He then spoke about the importance of preserving historical documents to enshrine the evidence of the past and pass on the legacy of a people to the future. Prof. Jafri highlighted how the freedom fighters of India were perceived by the British when they put down the rebellion of the soldiers in 1857, how the Indian government viewed it a hundred years later in 1957, as well as how the view changed by the 150th anniversary of the event. This illustrated how historiography is of many types when the same material is viewed from different perspectives – such as national or communal. In conclusion, Prof. Jafri urged the young researchers to overcome the narrow parochial ethnic divide and enhance their knowledge by doing quality research.

Interdisciplinary National Student E-Conference on

A PALIMPSEST: INDIAN WRITING IN ENGLISH

Objective:

- inculcate the spirit of nationalism and patriotism as it was the 75th year of Indian Independence, in conjunction with *Azadi ka Amrit Mahotsav*
- providing an insight into historical happenings from the pre- independence era to the present times through the plurality of multiple narratives representing the Indian experience in English

Of the 45:

13 papers were from outside the state of Tamil Nadu

17 papers were from other parts of Tamil Nadu

15 students from CTTE also presented their research in the Conference

Report

Ms. Beena Thomas, Head, Postgraduate and Research Department of English, warmly welcomed everybody to the E-Conference. She pointed out that in the 75th year of Indian independence it was appropriate to celebrate the *Aazadi ka Amrit Mahotsav* by tracing the trajectory of writing in English in India that reflected the history and the inevitable changes wrought over time, and hence the inter-disciplinary conference.

The Principal of the College, Dr. S. Sridevi, offered her felicitations for Conference and spoke about the word “Palimpsest”, stating that researchers should apply rational thought and uncover the layers of meaning contained in any work of literature. Dr. Sridevi also felt that the topic of the Conference was a very contemporary one and a provided a good opportunity for young minds to meet and think. The Concept launch of the Conference was delivered by Ms. Jovita Rexy, M.Phil. (English) scholar. Ms. Jovita traced the history of Indian Writing in English and the characteristics of the literature

produced from the pre- independent India all the way to those of the contemporary times when it has established itself on the global stage with an identity of its own.

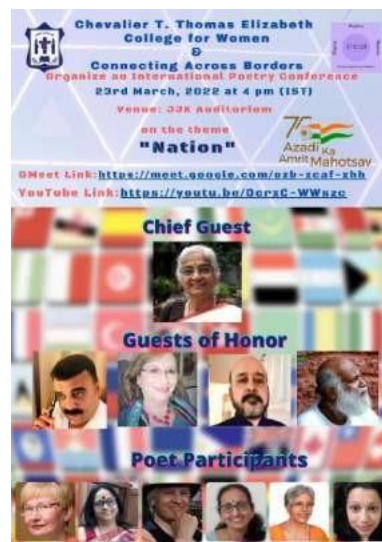

The Keynote Speaker Professor Saiyid Jafri was introduced by Dr. B V Saraswathy, who then invited him to deliver the Keynote Address. Professor Saiyid Jafri started his address by observing that the 2 books mentioned in the invitation were about Indian Independence struggle although he had authored many others. Therefore, using that as the launching point, he commenced his Keynote address. Prof. Jafri offered two theoretical formulations with regard to colonization. He stated that colonization leads to political subjugation and economic deprivation of the colonized. Further, every subjugation leads to turmoil in society, with one section fighting to retain control and another to seize the power. From this emerges new elite, reducing the earlier elite to a marginal status, and collaborates with the colonizer leading to eventual annihilation of the native culture and traditions. He then spoke about the importance of preserving historical documents to enshrine the evidence of the past and pass on the legacy of a people to the future. Prof. Jafri highlighted how the freedom fighters of India were perceived by the British when they put down the rebellion of the soldiers in 1857, how the Indian government viewed it a hundred years later in 1957, as well as how the view changed by the 150th anniversary of the event. This illustrated how historiography is of many types when the same material is viewed from different perspectives – such as national or communal. In conclusion, Prof. Jafri urged the young researchers to overcome the narrow parochial ethnic divide and enhance their knowledge by doing quality research.

The vote of thanks was delivered by Ms. Nishi Priya a second-year student of Psychology, who also presented a paper in the Conference.

Over 120 participants attended the E-Conference and there were 2 paper presentation sessions. The students who presented papers at the Conference included research scholars who were pursuing their Doctoral degree as well as those who were pursuing their M. Phil, Postgraduation and Undergraduation. There were also students from other disciplines such as Maths, Physics, Chemistry and Psychology, who had presented their research papers. The Conference had received 45 papers for presentation. 5 papers were presented by students from Science and Commerce Departments.

INTERNATIONAL POETRY E- CONFERENCE

The International Poetry Conference was held on 23/03/2022 jointly hosted by CTTE College for Women & CAB [Connecting Across Borders]. Twelve poets had sent in their poems, however, only 9 were able to attend due to lack of connectivity. The staff of the PG & Research Department of English and around 70 students of the Department attended. The event was also streamed live via YouTube by the CTTE Media.

Ms. Beena Thomas, Head, PG & Research Department of English, CTTE College, Chennai, welcomed the gathering and in her opening remarks pointed out the convergence of the different perspectives of the poets on the theme of the Conference – Nation. Ms. Padmaja Iyengar, President, CAB, also welcomed the gathering and stated that CAB wanted to present to the students, internationally well-known poets on the same platform, to enable interaction and allow them to imbibe creative and life lessons.

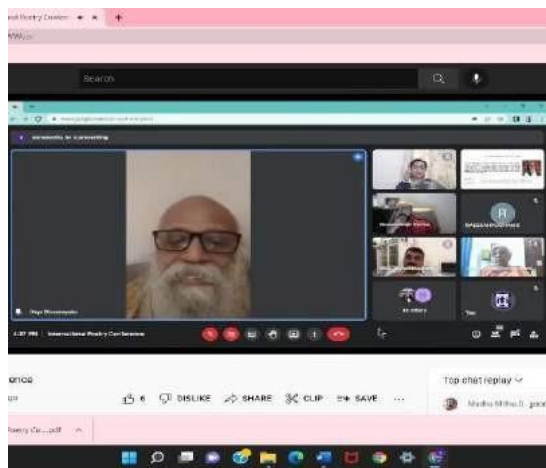

The chief guest was Dr. Varsha Das whose poem spoke about the refugees who were created out of political mismanagement of a nation's affairs. Mr. Shreekumar Varma, poet, author and translator from India, called for a recalibration of ideas of nation and Mr. Daya Dissenayake, from Sri Lanka also echoed the idea that the world should be without frontiers. Dr. Maria Do Sameiro Barroso, from Portugal, who was also a guest of Honour recalled how history of a nation was sometimes edifying and sometimes not so. Mr. Shiju H. Pallithazeth, from Oman, was another guest of honour and he considered that the nation was the womb in which we are nourished and we should in turn protect and project the motherland. Mr. Gino Leineweber, from Germany prophesised that the first nation occupants would return when there is no border and no ownership of land.

Ms. Alicja Maria Kuberska, from Poland read a heart-rending poem about the Ukraine war that has broken the door to her house which she must now leave, while wondering how to explain the loss to her child. Dr. Sigma Satish related the contemporary situation as a result of the pandemic and reposed her hope in the Indian Philosophy to counsel and console us. Ms. Padmaja Iyengar –

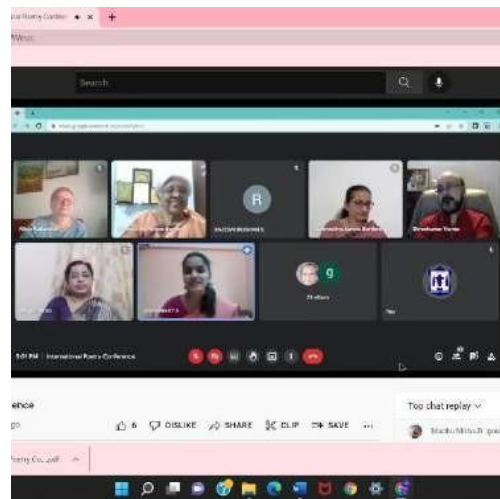

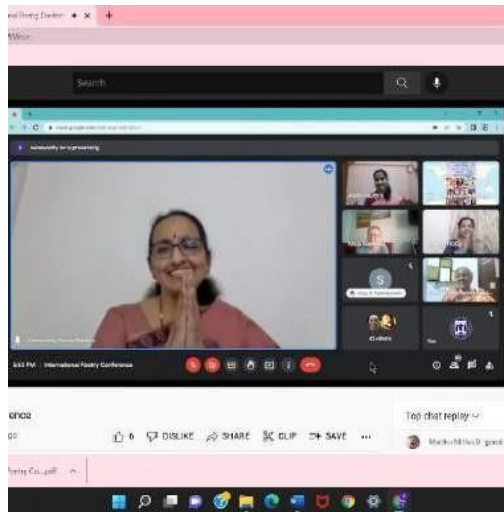

Paddy, invoked a glorious India, while Ms. Hema Ravi also situated India as the beacon of hope to the western countries.

The presentation of the poems was followed by a question-answer session with questions by students addressed to the poets regarding the poems. It generated a lot of discussion and was beneficial to both the students and the poets. The anchor was Ms. Raesa Roshan and the moderator for the question answer session was Ms. Jovita Remy. The event concluded with a formal vote of thanks proposed by Ms. Hema Ravi, Secretary, CAB, Chennai.

Social Justice Day

The Panel Discussion consisted of 6 students who spoke about their views of the ideology of Periyar – 3 in Tamil and 3 in English language.

Panel Discussion

PG & Research Department of English & Department of Tamil
On the occasion of the Birthday of E.V.R. Periyar, “Social Justice Day” was observed.

About the Speaker

Dr. Maniko. Panneerselvam is an Associate Professor of Tamil in the Department of Tamil Literature and Manuscripts, Bharathidasan Research Centre, International Institute of Tamil Studies, Taramani, Chennai. He has researched on the role of public perception in the self-conceptualisation and identity creation of gypsies in Tamil Nādu, which has been published under the title *Pazhankudi Inavaraiyiyal Aaivu*. Another book that he has authored is titled *Paaventharam Vizhimbu Nilai Makkalum*.

He is currently engaged in producing a book in the life-writing genre detailing the lifestyle of the gypsies in Tamilnadu.

Summary of the Talk

Dr. Maniko. Panneerselvam began by declaring that EVR Periyar was a prophet who was able to visualise what was required for the society of India and that of Tamil Nādu and ventured forth to deliver it. Dr. Panneerselvam argued that Periyar is still relevant in the twenty first century as the position of women has not reached the level of the benchmarks set by Periyar during his life time. Periyar discouraged child marriages and encouraged widow remarriages, he advocated equality for women in terms of inheritance, he campaigned for and brought about the Devadasi Abolition Bill. He argued that women have every right to achieve their potential and contribute to the betterment of society. Dr. Panneerselvam encouraged the students to inculcate the physical and mental strength required to overcome difficulties and empower themselves by taking lessons from the inspirational writings of Periyar.

About the Speaker

Ms. Poonkuzhali is a social activist, a Documentary Film Maker and Theatre Artist. She is a journalist whose well-researched opinion pieces and columns have appeared in various newspapers. She is a poet and a translator, with several works to her credit. She has post-graduate degrees in Computer Applications, Human Rights and International Relations. She is also an educator, who loves to talk to and receive feedback from young minds.

Summary of the Talk

Ms. Poonkuzhali focused on the trajectory of women's lives in the early part of the twentieth century and gradually transitioned to the contemporary condition of the lives of women. She portrayed how the things taken for granted by the current generation of girls and young women were not the reality of a century ago for women. Ms. Poonkuzhali then delved into the visualisations of equality by Bharathiyar, as seen in his poems, and the execution of the visions by Periyar via a blueprint that liberated and empowered women - especially, young widows, and other marginalised women. Citing the United Nation's resolution which declares that a woman is empowered if she is able to make her own choices regarding her life, acquire education and then give back to society and empower other women, Ms Poonkuzhali exhorted the students to stay firm in their decision, locate their inner strength and achieve their potential.

Methodology: Experiential Learning

Students were able to learn about the importance of 'Environmental Conservation' on their trip to Adyar Eco Park.

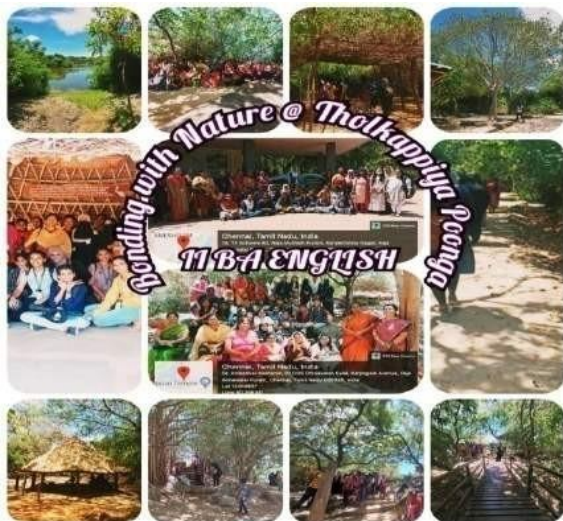

The trip commenced with a brief introduction about the restoration project of the Adyar estuary and creek.

Students explored the tropical dense park which predominantly comprises of trees and shrubs with over 160 woody species.

Different and wonderful kinds of birds and reptiles were found among the tall trees and the shrubs.

Outcome: EVS Trip enabled students to

- Be sensitive to environmental conservation in preventing the natural world from collapsing as a result of human activities.
- Understand the process involved in nature restoration projects.
- Rethink their contribution towards preservation of nature.
- Understand the need to take remedial steps to curb the effects of urbanization on environment.

Internship - Anna Centenary Library by MA English [Batch: 2020 - 2022]

The internship training program was attended at Anna Centenary Library, Kotturpuram, by 13 students from II MA English in partial fulfilment of the requirement for the award of degree of M.A. English. The training was for a period of four weeks from 08.4.2021 to 17.04.2021 and 07.09.2021 to 20.09.2021.

Internships are reserved for college students looking to gain experience in a particular field, it helps them gather experience of the real world, further enhance their skills and increase employment opportunities. The objective of this internship is to develop basic knowledge of the operations, services, organization, staffing and resources of a public library.

A library internship program will help students to acquire valuable skills and receive professional development by combining both practical and theoretical knowledge provided by the organization. This kind of internship gives opportunity to explore the broader area as students work in various sections of the library, it gives them a chance to read books not only from their own field of study but also other fields.

The students underwent training at various sections of the library, their tasks included organizing books on the shelves according to the DDC (Dewey Decimal Classification) followed by the library, checking, verifying the serial numbers accordingly and placing the books in an orderly fashion on the right shelf. Other tasks included removing untagged books, because a book tag is important to identify and retrieve books. They also helped in monitoring the floor which is assigned to them by asking visitors to fill their details in entry book and assisting them to find certain books.

Overall, the internship enhanced the students interpersonal skills, organizational skills and also gave them some transferable skills which might help them in their career path. It gave them the significant knowledge and function of a public library, helped them understand the importance of books and preservation of the books. It is also beneficial to mention it in their CV's or Resumes as it will increase the prospect of their employability.

Hepzibah Deborah from II MA English who trained separately also completed her internship at Ebenezer School Library, Korattur Chennai, during November to December 2021. She was trained in various sections of the school library, during the internship period she learnt how a school library functions, about the books in the library and the school students requirements for a Library.

ELLITA COMPETITIONS

ELLITA stands for English Language and Literature, which is the arm of the PG & Research Department that conducts competitions for students on the English Language and Literature. Having lost the previous academic year to the lockdown engendered by the pandemic, this academic year 2021-22 was eagerly awaited by us students, to be physically present in the classrooms and to enjoy the ambience of the Campus. Since it was for preventing the spread of the disease, those of us who were eligible got ourselves vaccinated and came to College on alternate days. Under these circumstances, we were forced to celebrate Teachers' Day in a hybrid mode – we pre-recorded performances and played them via Google meet to the teachers who watched them online. Subsequently, the rules were relaxed and the students returned to campus. They participated in all the competitions conducted by the English Department with vigour and enthusiasm. The reports on the various

competitions conducted are as follows.

Madras Day 2021 Competition Digitale: Chennapatnam to Chennai in Films

On the occasion of Madras Day, the Department of English is planning to conduct a competition that is open to all the students of the college.

RULES & REGULATIONS:

Contestants have to make a video of images/clippings from Tamil films (from 1950- 2020) of scenes showing the city of Madras. The video should be for 5 minutes.

The participant should NARRATE - give a voice- over commentary - of what she is presenting (the name of the movie, director, some remarkable fact, etc.) in her own voice.

Objective:

- To ensure that the students understood the origins, diversity and richness of the city
- To enable the students to use their creativity to bring out their perceptions of the city through the visual medium

- The competition DIGITALE: CHENNAPATNAM TO CHENNAI IN FILMS generated good interest among the students. A WhatsApp group was created and around 20 students joined. A Google meet was conducted with the participants and the uploading and submission procedures were explained to them. The last date was 22nd of August, 5 pm. A total of 9 submissions were received. Only 2 students had problems uploading and went beyond the stipulated time. 1 student had created a powerpoint presentation and screen recorded it.

Prize winners are:

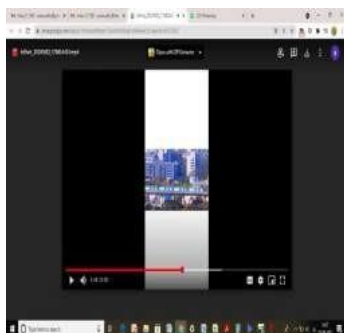

R K Priyadarshini

Raja Kaleeshwari Pooviarasi [BSc Chemistry]

[BSc Physics] I Prize

[BCom G] II Prize

III Prize

Theme: War

Judges: Dr. T. Ramya, Assistant Professor, Department of Physics, C.T.T.E. College for Women.

Ms. Jovita Raxy S, M.Phil. Scholar, C.T.T.E. College for Women.

Staff Coordinator: Mrs. Jayalakshmi K J, Assistant Professor, Department of English.

Student Coordinators: Ms. Lavanya S, III BA English & Raeesah Roshan S, III BA English Poetry communicates feelings, thoughts, life events, intellectual ideas and spiritual truths. Performance poetry harkens back to the classic role of the poet, who recited notable happenings, emotions and perceptions.

War Poetry is both visceral and meditative. It gives expression to the experiences of the veterans and civilians and also reflects on the impacts of war. The negative effects of the World War trauma on mental and physical health of both combatants and non-combatants persists even decades after the war. Today, as we witness the Russian-Ukraine armed conflict, we are forced to rethink the adversities of war which leave individuals and communities emotionally distressed. Performance Poetry: Verses on War sets the stage to reinforce the futility of war to resolve conflicts.

Objectives:

- To introduce students to poetry that engages them in the medium of spoken expression.
- To enable students to deepen their understanding and appreciation for poems.
- To develop their dramatic skills.

- To sensitize students to the catastrophic effects of war.
- To help students to realize humankind's capacity to cope with adversity.

Outcomes:The competition will enable participants to

- understand and appreciate poetry.
- improve their dramatic skills.
- rethink the brutal facts of conflicts and suffering and thereby create a social value.
- recognize the futility and dehumanization of war.

Rules:

- Participants must choose poems related to war.
- Participants must submit a copy of the poem of their choice.
- Participants can use soft music as background for their performance.

Criteria for Judgement:

- Choice of the poem
- Accuracy & Understanding
- Voice and Articulation
- Dramatic appropriateness
- Overall Performance

Methodology:

As a part of *ELLITA*, the Department of English conducts competitions every year for the UG (English), PG (English) and Part II English students of our college. This year, Performance Poetry competition was scheduled for April

08, 2022 and was open to all the students of the college. A brochure on Performance Poetry competition was circulated through the college mail. The class tutors of the department and Part II English course instructors were requested to post the brochure in their respective WhatsApp groups and collect names of participants. Details of the competition were also announced during the assembly by the student coordinators. Student coordinators collected names of participants from III UG and PG classes of the college. A WhatsApp group was created and participants were requested to post the title of the poem of their choice. Other instructions such as participant number, venue and time were conveyed to the participants through the WhatsApp group. 28 students registered for the competition and 25 students participated in the competition. The welcome speech and vote of thanks for the competition were delivered by the student coordinators, Ms. Lavanya S and Ms. Raeesah Roshan S respectively. The judges evaluated the performance of the participants and gave their valuable feedback. The list of prize winners was published on April 11, 2022.

- Participated and Presented a paper titled "Square Difference Labeling of Bloom Graph" in the *International Conference on Recent Strategies in Mathematics and Statistics (ICRSMS2022)* organized by the Department of Mathematics, Stella Maris College in collaboration with the Department of Mathematics, Indian Institute of Technology Madras from May 19 to 2, 2022.

- Member in Board of studies meeting as an Alumnae held virtually on January 25, 2021, at Quaid-E-Millath Govt. College for Women.

Dr.R.KAVITHA

AWARDS & RECOGNITIONS

- Received “World Teacher Award 2021” from Redpond Educational and Psychological Research Centre (REPRC), Madurai on 5/10/ 2021

RESOURCE PERSON

- Resource Person for the Inaugural of Math Mentors Association and delivered the Presidential Address on the topic “ Basics of Fuzzy” to the students of PG & Research Department of Mathematics, St. Joseph's College, Hosur, on 01/11/2021
- Resource Person for the webinar on the topic “Research Trends in Fuzzy” to the PG, M.Phil students & Faculty of PG & Research Department of Mathematics, St. Joseph's College, Hosur, on 01/11/2021
- Resource Person for the Webinar on the topic “Fostering Rural Development - A Commitment of HEI’s Beyond Campus” organized by UBA CLUB , Chevalier T.Thomas Elizabeth College For Women, on 19/01/2022
- Took part and delivered a speech about my book “An Insight on Essential of Genetic Algorithm” in Gyan - Khoj - A week long Book launch Scheme organized by Maryland Library, Chevalier T.Thomas Elizabeth College For Women on 16/12/2021
- Resource person for the In-House seminar on “Linear Algebra For Machine Learning” organised by the Department of Computer Science, CTTE College on 29/04/2022
- Delivered a talk on the topic “Genetic Algorithm” at the Summer Training Programme in Mathematics (STPM 2022) organized by Pie Mathematics Association & Periyar Science and Technology Centre on 27/05/2022

RESEARCH PAPERS GUIDED, PRESENTED & PUBLISHED

- Guided and Presented 4 research papers along with the UG students of Mathematics in the “National Student E - Conference on Contextual Risks and Their Interplay Post Covid - 19” held on 24/02/2022 organized by the Research Cell, Chevalier T.Thomas Elizabeth College For Women, Chennai.
- “Statistical Analysis of Digital Learning Resources and Students Performance Using Control Charts” by Yuvarani G & Dr. R.Kavitha

- Published a research paper entitled “A trivariate compound generalized poisson model for corticotropin-releasing hormone effects on human pregnant and nonpregnant” in International Journal of Health Sciences, 6(S5), 1494–1503 ISSN 2550-6978 E-ISSN 2550-696X © 2022. Accepted for publication: 9 June 2022 published on 13 June 2022. Indexed in Scopus. <https://doi.org/10.53730/ijhs.v6nS5.8911>

INTERNSHIP GUIDE

- Guided an Internship project entitled “Domination Number and Distance -2 Domination Number of Graphs” for Ms.Selvapriya, II M.Sc Mathematics, Stella Maris College, Chennai.

REFRESHER COURSE

- Completed Two Week Refresher Course on “ Applicable Mathematics” organized by Teaching Learning Center, Ramanujan College, New Delhi from 15/12/2021 TO 29/12/2021 with “Grade A”

ADDITIONAL DEGREE

- Registered for Post - Doctoral Fellowship

EXAMINER FOR Ph.D VIVA - VOCE

- Examiner for Ph.D Viva - Voce examination held on 08/04/2022

FDP / WEBINAR & WORKSHOP ATTENDED

- Attended a FDP on “Professional Development programme for Teaching Faculty” organized by IQAC of Chevalier T. Thomas Elizabeth College for Women from 1/7/2021 to 9/7/2021
- Attended a workshop on “ICT Tools for Pedagogical Teaching Learning Process” organized by the Department of B.Com(CS), Chevalier T.Thomas Elizabeth College For Women on 24/08/2021
- Attended a FDP on “Research Efficacy and Access to Information Sources” organized by the Research Cell, Chevalier T.Thomas Elizabeth College For Women on 27/09/2021 & 28/09/2021
- Attended a FDP on “CSIR - IMMT, Innovation & Intellectual Property Rights” organized by IQAC, Chevalier T.Thomas Elizabeth College For Women from 4/10/2021 to 10/10/2021

- Attended a FDP on “Statistical Thought Processing” organized by Department of Statistics, AURORA'S DEGREE & PG COLLEGE from 4/10/2021 to 6/10/2021
- Attended a FDP on “Recent Trends in Mathematical and Statistical Techniques” organized by MIT - WPU School of Mathematics & Statistics on 22/10/2021 & 23/10/2021
- Participated a Awareness Training Program under National Intellectual Property Awareness Mission on April 25, 2022 organized by Intellectual Property Office, India
- Attended a FDP on Idea Generation Gaps organized by ICT Academy & Chevalier T.Thomas Elizabeth College For Women from 10/05/2022 to 12/05/2022

FACULTY DEVELOPMENT PROGRAMME

- Participated in the Five Day Faculty Development Program on “Mathematical Tools” conducted by Hindustan College of Engineering and Technology from 21/06/2021 to 25/06/2021
- Participated in a Two Day Virtual Faculty Development Programme on "Teaching-Learning Process Through Revised Bloom's Taxonomy" organized by the Department of Mathematics, Dr. N.G.P. Institute of Technology, Coimbatore from July 1 - 2, 2021.
- Participated in the Six Day Faculty Development Programme on Mathematics and Statistics in Emerging Field organized by KPR Institute of Engineering and Technology from 5/7/2021 to 10/7/2021.

- Participated in the Professional Development Programme from July 01, 2021, to July 09, 2021, organized by IQAC of Chevalier T. Thomas Elizabeth College for Women.
- Participated in the Two Week Faculty Development Programme on “Research Advances in Mathematics and its Applications” organized by the Department of Mathematics, Sathyabama Institute of Science and Technology, Chennai, from August 2 to August 14, 2021
- Participated in the Online One Week National Faculty Development Programme on "Innovation and Intellectual Property Rights" held from 04/10/2021 to 10/10/2021 organized by IQAC of Chevalier T. Thomas Elizabeth College for Women.
- Participated in the Three Day Virtual - National Level Faculty Development Programme on "EPF - YOUR SAVINGS FOR THE FUTURE & BRIDGING THE GAP BETWEEN TEACHING AND LEARNING" conducted Anna Aadharsh college for Women from 27th January 2022 to 29th January 2022.
- Participated in a One Week Faculty Development Programme on “Effective Teaching Learning Paradigms through Pedagogical Innovations” organized by the Department of Mathematics, Sathyabama Institute of Science and Technology, Chennai, from Feb 7 to Feb 12, 2022.
- Participated in a Three Day Faculty Development Program on Idea Generation Methods conducted by ICT Academy on 10 May 2022 to 12 May 2022.

WORKSHOP

- Participated in the Workshop on “Integer Optimization Techniques” organized by the Department of Science and Humanities of Hindusthan College of Engineering and Technology on 30.06.2021
- Participated in the Workshop on “Operations Research using R” organized by the Division of Mathematics, School of Advanced Sciences, Vellore Institute of Technology, Chennai held on June 18 & 19, 2021.

WEBINAR

- Participated in the State Webinar on “Application of Mathematics in Everyday Life” held on 9th June, 2021 organised by the Patrician College of Arts and Science,
- Participated in the webinar on “Trends in Mathematics” conducted by IQAC and the Department of Mathematics, Sri Kanyaka Parameshwari Arts & Science College held on 11.06.2021.

- Participated in the National Webinar on “Effective Research Writing in Mathematics” organized by the PG Department of Mathematics (Shift II), Patrician College of Arts and Science on 12 June 2021.
- Participated in IP Awareness / Training program under National Intellectual Property Awareness Mission on April 25, 2022 organized by Intellectual Property Office, India.

Mrs. Padmavathy E

Awarded the Doctorate in Mathematics after the viva held on Jne 17, 2022

TOPIC OF THE THESIS: SIGNED CORDIALITY OF SOME INTERCONNECTION NETWORKS AND GRAPHS

Publications

- Published a paper titled “Algorithmic Approach to Signed Cordiality of Shell Butterfly Networks” in “Journal of University of Shanghai for Science and Technology”. ISSN: 1007-6735. Volume 23, Issue 10, October – 2021.

Presentation

- Presented a paper titled “On Directed Signed Cordial Labeling” in International Conference on *Recent Strategies in Mathematics and Statistics*-(ICRSMS-2022) at Stella Maris College from May 19-21, 2022.

Faculty Development Programs (FDP)

- Attended state level FDP on “Professional Development Programme for Teaching Faculty” from 01.07.2021 to 09.07.2021 organized by “IQAC of Chevalier T. Thomas Elizabeth College for Women”.
- Attended National level online live FDP on “Introduction to Python Programming” from 27.09.2021 to 01.10.2021 organized by “ICT Academy”.
- Attended National level online live FDP on “Innovation and Intellectual Property Rights” from 04.10.2021 to 10.10.2021 organized by Chevalier T. Thomas Elizabeth College for Women.
- Attended National level online live FDP on “EPF - Your Savings for the Future & Bridging the Gap Between Teaching and Learning” from 27.01.2022 to 29.01.2022 organized by Anna Adarsh College for Women.

Workshop

- Attended State level virtual workshop on “ICT Tools for Pedagogical Teaching Learning Process” on 24-08-2021 organized by the Department of B.Com(CS), Chevalier T. Thomas Elizabeth College for Women.

Orientation Programme

- Attended Local level Orientation Programme organized by IQAC-Chevalier T. Thomas Elizabeth College for Women from 11.06.2021 to 18.06.2021.

Guest Lecture

- Attended International level Guest Lecture on “How to Write a Quality Research Paper for Elsevier” on 26.11.2021 organized by the University of Stirling, Scotland.

Mrs. M. Kulandai Theresa

Webinar:

- Participated in the Webinar on “Trends in Mathematics” on 11th June 2021 organized by Sri Kanyaka Parameswari Arts and Science College for Women, Chennai.
- Attended a National Level webinar on “Effective Research Writing in Mathematics” organized by Patrician Arts and Science College on 12th June 2021.
- Attended a National Level webinar on “Research Productivity and Institute Intellectual Output” organized by St. Joseph’s First Grade College on 17 June 2021.
- Participated in the National Level webinar on “Introduction to Mathematica” organized by Seth Kesarimal Porwal College of Arts and Science and Commerce, Kamptee, Nagpur, Maharashtra on 3rd August 2021.
- Participated in the National Level webinar on “Quality Education, Accreditation and Teacher Development” Organized by Shrimathi Devkunvar Nanalal Bhatt Vaishnav College for Women, on 6th August 2021.
- Participated in the International Level webinar on “Fundamental Mathematics 2021” Organized by The Assam Kaziranga University Assam, from 30th August to 1st September 2021.

Workshop:

- Participated in the Two Day Workshop on “Operations Research using R” organized by the division of Mathematics, School of Advanced Science, Vellore Institute of Technology, Chennai from June 18-19, 2021.

- Participated in the Six Day Workshop on “Abstract and Linear Algebra” organized by the Karpagam Academy of Higher Education, Coimbatore from June 21-26, 2021.
- Participated in the Online One Day National Level Workshop on "An Understanding on Complex plane" held on 20/10/2021 organized by Shri Krishnaswamy College for Women.

FDP:

- Participated in the Five Day Online International Faculty Development Programme on “Recent Trends Mathematics” held from 21st to 25th June 2021 organized by V.O. Chidambaram College, Thoothukudi.
- Participated in the Two Day Faculty Development Programme on “Teaching Learning Process Through Revised Bloom's Taxonomy” held on July 1 & 2, 2021. Organized by Dr. N.G.P Institute of Technology, Coimbatore.
- Participated in the Six Day Online Virtual Faculty Development Programme on “Mathematics and Statistics in Emerging Field” held from July 5 to 10, 2021 organized by KPR Institute of Engineering and Technology.
- Participated in the Seven Day Online Virtual Faculty Development Programme “Professional Development Programme” held from July 12 to 19, 2021 organized by the Internal Quality Assurance Cell of Chevalier T. Thomas Elizabeth College for Women.
- Participated in the Seven Day Online Virtual Faculty Development Programme “Research Advances in Mathematics and its Application” held from August 2 to 14, 2021 organized by Sathyabama Institute of Science and Technology, Chennai.

FDP on Research Advances in Mathematics and its Applications 02.08.2021 to 14.08.2021

Online Short-Term Course:

- Participated in a Eight Day Online Short -Term Training Program on “Enhancing Young Minds” organized by the Department of

Mathematics, Sathyabama Institute of Science and Technology, Chennai, from February 4 to October 12, 2021.

Orientation Program:

- Participated in the Orientation Program held from 11 to 18 June 2021 organized by the Internal Quality Assurance Cell of Chevalier T. Thomas Elizabeth College for Women.

SIGMA CLUB

The Sigma Club focuses on empowering students with collective knowledge, skill, and integrity to propel themselves towards achieving their goals in this competitive world by providing opportunities for students to translate the theory into practice and to make use of their learning in daily life situations. Certain activities like discussions, lectures, and certain mathematical games are arranged which help the students in having an idea of the practical utility of mathematics in addition to creating their interest in mathematics.

The following members were the office bearers of the SIGMA Club

President: Dr. S.Sridevi Principal

Staff Coordinator: Mrs. P Poorani, Assistant Professor of
Mathematics

Student Coordinator: Ms. K. Maria Swetha, III B.Sc. Mathematics

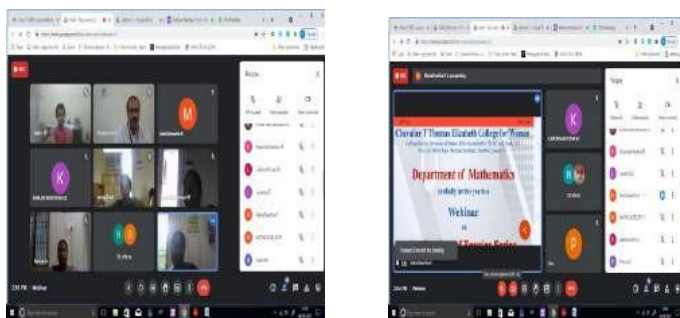

Student Sub Coordinator: Ms.S. Jansirani, II B.Sc. Mathematics

Webinar on “Application of Fourier Series in Communication”

On September 24, 2021, Sigma Club started its journey for this academic year by organizing a webinar on the topic “Application of Fourier Series in Communication” to celebrate the 269th birth anniversary of the Mathematician Adrien-Marie Legendre who is well known for his Legendre Polynomial and Legendre transformation. Dr.B.Sivakumar, Professor, Department of Mathematics, Rajalakshmi Engineering College, Chennai was the resource person for the webinar. He started the session by explaining how the concept of the Fourier Series is applied in communications. He explained the waves of the odd and even functions graphically using the software GeoGebra app. He also explained how the communication waves decompose into smaller units using the GeoGebra app, and also gave a brief note on the concept of the Fourier Legendre series, Analog to digital conversion by using Fourier series, common types of series expansions in terms of

polynomials. Finally, he concluded the session with a note about the animations in the Fourier series and also gave some references.

Students and Faculty from the Department of Mathematics benefited from this webinar and received their participation certificates.

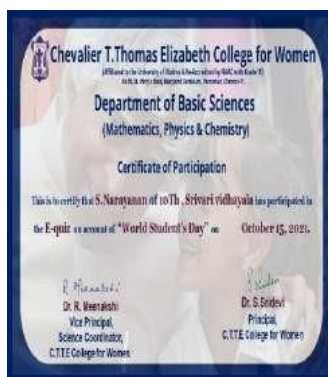

World Students Day

Every year World Students Day is celebrated across the globe on October 15 to commemorate the birth anniversary of Dr. APJ Abdul Kalam. The objective is to remember the hard work, dedication, and determination of students across the globe.

E-Quiz

The Department of Mathematics collaboration with the Department of Physics and Chemistry organized the E-Quiz through Google quiz form on October 15, 2021. The quiz consists of 30 questions. Pre. More than 90 participants actively participated. Participants who secured more than 60% were awarded an E-certificate.

Presentation on “History and works of Evariste Galois”

On October 25, 2021, students from The Department of Mathematics organized a presentation on “History and works of Evariste Galois” to celebrate the 210th Birth Anniversary of the

French Mathematician Evariste Galois through G-meet from 4.00 pm – 5.00 pm. Ms.Pooja M, Ms.Maria Swetha K, Ms.Yuvarani G, and Ms.Keerthika did the presentation and gave a brief note about the history and his work.

“Brain-O-Mania” (Quiz Competition)

Club coordinator Ms. Maria Swetha K, III B.Sc Maths, Assistant coordinator Ms. Jansirani S, II B.Sc Maths, and Ms. Abinayasri S, I B.Sc Mathematics organized and conducted an intradepartmental activity “Brain-O-Mania” (Quiz Competition) to celebrate Fibonacci Day and the 405th Birth Anniversary of John Wallis, English Clergyman, and Mathematician who gave partial credit for the development of infinitesimal calculus.

The competition was held on 27th November 2021 for the UG students of the Maths Department. This offline quiz competition consists of three rounds, the first and second round are rapid-fire rounds and the third round is a puzzle round. Students from the department actively participated and exhibited their talents.

National Mathematics Day

India observes National Mathematics Day every year on 22 December to commemorate the birth anniversary of legendary Mathematician Srinivasa Ramanujan. The main objective behind celebrating the day is to raise awareness among people about the importance of Mathematics for the growth of humanity. The Sigma Club of the Department of Mathematics celebrated this remarkable day from 10.12.2021 to 18.12.2021.

Initially, Students from the Department of Mathematics went to nearby schools to create awareness among higher secondary

students on various concepts of Mathematics using models, and charts. To make it more interactive, they conducted various games in between the sessions.

List of schools visited, dates, and concepts handled by our students:

- Jai Gopal Garodia School, Madhavaram on 11/12/2021 by 21 students
- Bobbili Government Higher Secondary School, Puzhal camp on 14/12/2021 by 22 students
- Don Bosco School, Erukancherry on 15/12/2021 by 19 students

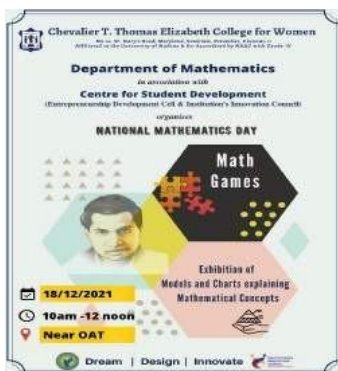

The following models were displayed by the students:

- Model of surface and volume of Cube and Cuboid
- Flow charts based on Remainder Theorem, Types of Polynomial and Algebraic Identities
- Model-based on Chichen-Itza, one of the seven wonders of the world holding the mathematical concepts such as slope, factorial geometry, etc

Students conducted interesting games such as connection, concept based on probability, etc.

Students gained knowledge about the concept of Mathematics and also won prizes. for winning the games.

As a part of the celebration on 18th December 2021 in collaboration with the Centre for Student Development organized Math games and exhibitions on models and charts explaining the mathematical concepts for the college students at our premises. Principal, Faculties, and Students from all the departments in our college visited the exhibition on models & charts and actively participated in games.

National Science Day

To commemorate the discovery of the Raman effect by Indian Physicist Sir. C. V. Raman, National Science Day is observed every year on the 28th of February. On this occasion, the Departments of Basic Sciences (Mathematics, Physics & Chemistry) in association with the Centre for Student Development – Institution’s Innovation Council of our College organized activities in schools in and around Chennai from February 25, 2022, to March 1, 2022 (3 days). Demonstration of the concepts of Basic Sciences provided the school students with opportunities to develop and practice different skills and attributes. The college students demonstrated the process of scientific investigation which helped the school students to develop a broad understanding of concepts in Basic Sciences. A total of 1000 students from fifteen schools in and around Chennai benefited from this activity.

The aim of the programme was to promote the importance of Basic Science (Mathematics, Physics & Chemistry) among young minds through observations and experiments.

The following concepts were presented to students as demonstrations and models:

- Mathematics behind Brihadeeswara Temple Model
- General Application of Mathematics - Games

Details of Schools visited:

- Grace Matriculation Higher Secondary School, Peravallur.
- St. Mary's Matriculation Boys Higher Secondary School, Perambur.
- Bentinck Matriculation Higher Secondary School, Vepery.
- Children's Paradise Matriculation Higher Secondary School, Padianallur.
- St. Joseph Matric Higher Secondary School, Padianallur.

- St. Mary's Matriculation Higher Secondary School, Redhills.

The Mathematics Club Sigma conducted various Intra-departmental and Inter-departmental activities.

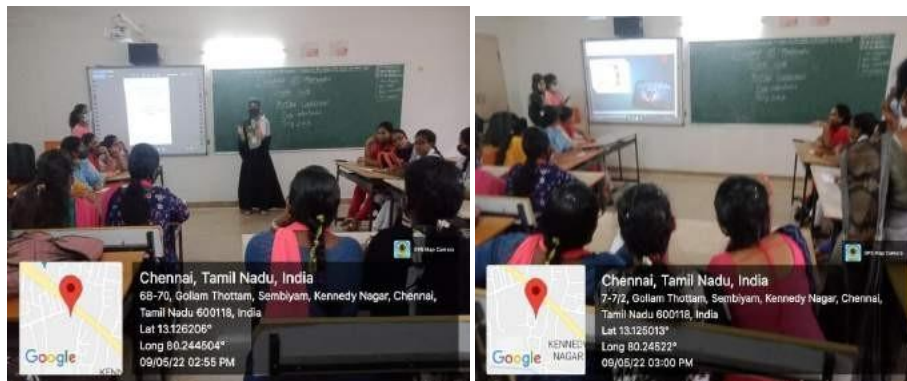

The Inter-departmental activity Sudoku was held on May 11, 2022. Students from various disciplines actively participated. Ms.K.Maria Swetha Student Coordinator and Ms.G.Yuvarani from III B.Sc Mathematics organized this event under the guidance of Mrs.P.Poorani, Assistant Professor, Department of Mathematics.

3		Jaya Priya R	I B.Com (G) 'A' sec	III
4		Rilvana ParveenI. M	I B.Com (A & F)	III

To encourage the students to look beyond their curriculum and explore the unknown, the Sigma club of the Department of mathematics conducted Intra-departmental activities.

On May 9, 2022, Sigma club conducted an Intra-departmental competition “Picture Connection Game”. Ms.S.Jansirani(II B.Sc Mathematics), student coordinator and Ms. S. Sumaiya (II B.Sc Mathematics) organized the connection under the guidance of sigma club Incharge Mrs.P.Poorani. 5 teams (16 students) from our department actively participated and exhibited their talents in pencil sketching.

The winners are as follows:

First Place	Second Place	Third Place
1. Ms.S.Abinay asr-I B.ScMathem atics 2. Ms.S.Sahana - II B.Sc Mathematics 3.Ms.J.S.Abith- III B.Sc Mathematics 4.Ms.G.Yuvara ni - III B.Sc Mathematics	1.Ms.R.Kaviya - II B.Sc Mathematis 2.Ms.G.Yamini - II B.Sc Mathematis 3.Ms.S.Pooja - III B.Sc Mathematis	1.Ms.A.Kaviy a Sri - I B.Sc Mathematics 2.Ms.M.Swet ha - II B.Sc Mathematics 3.Ms.D.Lava nya - III B.Sc Mathematics

Student Achievements:

Ms.R.Vishali from III B.Sc Mathematics participated in an intercollegiate fest “SANKHYA” (an initiative to unleash the innovative Mathematical talent) conducted by Anna Adarsh College for Women on 10th May 2022. It was an online event. She took part in CreativeCluster and won the first place.

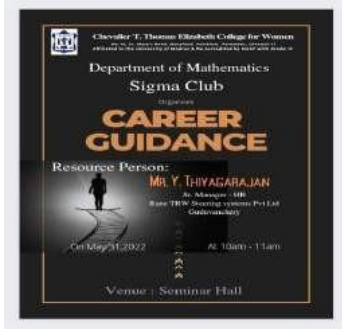

Ms. S. Jansirani of II B.Sc Maths received the award for classical dance from the Honorable Governor of Tamil Nadu Thiru. R. N .Ravi, through Nethaji Nava Bharath Foundation on 10.06.2022.

In-House Training Programme:

The Department of Mathematics organized an In-house Training Programme on aptitude for all the final year students for both Undergraduate and Postgraduate students from 25.05.2022 to 30.05.2022. The purpose of this course is to enhance problem-solving skills, improve basic Mathematical skills, and help students who are preparing for any type of competitive examination. Mrs.M.Ramya, Head of the Department of Mathematics, was the faculty in charge and Ms.M.Sandhiya was the student coordinator for this program.

The demand for Mathematics experts has grown exponentially in many careers and so has the interest in these jobs. According to the Mathematical Association of America, Math professions are becoming increasingly attractive. Mathematician, actuary, and statistician jobs are among the most promising career paths based on their income levels, growth outlook, and low-stress work environments.

To make the students aware of the opportunities in the path of Mathematics, the Sigma Club of the Department of Mathematics organized a Career Guidance Programme on 31.05.2022. Mr.Y.Thiyagarajan, Sr.Manager-HR, Rane TRW Steering Systems Pvt. Ltd., Guduvanchery, served as the resource person. Students of the Department of Mathematics, Chemistry, and Computer Science attended the programme.

Department Day

On May 31, 2022, the Sigma club organized the Department Day. Dr.R.Meenakshi, Vice Principal, Chevalier T. Thomas Elizabeth College for Women, was the Chief Guest for the day. She appreciated the department for its excellent work. Also, she encouraged and motivated the students with her words. Then, Dr. R. Meenakshi distributed the prizes to the winners of various activities and appreciated them for their efforts.

As a part of the day, students of II B.Sc.Mathematics presented a mime show on the history of Legendary Mathematician Srinivasa Ramanujan. They also sang the math song with the actions.

The Sigma Club student coordinator Ms. K. Maria Swetha of III B.Sc.Mathematics read the overall activity report of the sigma club for the

academic year 2021-2022. The programme came to an end with the photo session.

The Sigma Club winded up its activities for the academic year 2021-2022 in the hope that the next year brings in more enthusiastic and intellectual activities

ADVANCED LEARNER ACTIVITY

- On October 25, 2021, students from The Department of Mathematics organized a presentation on “History and Works of Evariste Galois” to celebrate the 210th Birth Anniversary of the French Mathematician Evariste Galois through G-meet from 4.00 pm – 5.00 pm. Ms.Pooja M, Ms.Maria Swetha K, Ms.Yuvarani G, and Ms.Keerthika presented the history and works of Evariste Galois.
- Ms. Maria Swetha K, III B.Sc Maths, Ms. Jansirani S, II B.Sc Maths, and Ms. Abinayasri S, I B.Sc Mathematics organized and conducted an Intradepartmental activity “Brain-O-Mania” (Quiz Competition) to celebrate Fibonacci Day and the 405th Birth Anniversary of John Wallis, English Clergyman, and Mathematician who gave partial credit for the development of Infinitesimal Calculus. The competition was held on 27th November 2021 for the UG students of the Maths Department.

- The following Advanced Learners prepared models for the National Mathematics Day.

• Abitha J S	• Jhansi rani F	Keerthika K
• Lavanya D	• Maria Swetha K	Pooja M
• Pooja S	• Sandhiya M	Hajini S
• Vishali R	• Yuvarani G	Mamtha T.

On May 9, 2022, Ms.S.Jansirani (II B.Sc Mathematics) student sub coordinator and Ms.S. Sumaiya (II B.Sc Mathematics) organized an Intra-departmental competition "Picture Connection Game".

DEPARTMENT OF CHEMISTRY

June 2021

World Food Safety Day Online Contest

The Aurum Club organized an online contest "Chemistry in Cooking" on 7th June 2021, World Food Safety Day. Students were asked to select their favorite recipe and explain all possible chemistry involved in it including composition, chemical process etc. Participants were asked to submit their observations in any innovative form with accurate details. Students explored the interesting chemistry hidden behind various recipes including gulab jamun, payasam, cake, chicken etc., and submitted their observations as video, comic and presentations. This contest encouraged the students to look beyond their textual knowledge and also facilitated creative thinking and extensive research. Students' observations were judged by Dr. K. Thenmozhi, Assistant Professor - Senior, Department of Chemistry, School of Advanced Sciences, Vellore Institute of Technology. E Certificates were provided to all the participants.

July 2021

Chemconnect

The Aurum Club conducted a picture connection quiz "Chemconnect" from 19th July 2021 to 21st July 2021 via Google form for school and college students in order to improve their wide-angled thinking. The quiz had 30 questions each carrying five points. E Certificates were provided to the participants who scored above 50%. Students from various schools and

colleges enthusiastically took the quiz and enjoyed thinking out of the box. Chemconnect motivated the students' interest in chemistry and reinforced the basic terms of chemistry.

August 2021

Interdepartmental E-Poster Competition

The Aurum club organized an Interdepartmental E-Poster competition on 15th August 2021. It was held under the theme "Contribution of Indian Chemists in Science and Technology". This competition provided the students with an opportunity to learn by designing. It helped them to present scientific information in a creative way for better understanding. Students showed their creativity in ideating beautiful and informative posters explaining the inventions of Indian Chemists. The posters were judged by Dr. T. Adi Naveen, Assistant professor, Loyola College. E-Certificates were provided to all the participants.

Independence Day Celebration

Tamil Debate

The Department of Chemistry organized a Tamil debate on the topic "Role of youth vs. elders in retaining the essence of Independence". Students of II and III years enthusiastically participated and expressed their views. Dr. K. Preetha, Head, Department of Languages, judged the participants. The students had a war of words and expressed their emotions towards the betterment of the nation. The students showed love and respect for their motherland in stating their argument. Dr. K. Preetha announced that the team that spoke in favour of the elders was the winner. She also stressed the importance and the responsibilities of the youth in the development of the country.

Virtual Quiz

The Department of Chemistry organized a virtual quiz themed "Know your Nation" to celebrate Independence. It was conducted on 31st August 2021 in the GMeet platform. The idea behind organizing this quiz was to make the students aware of current affairs and to know about the cultural diversity of India. The prelims of the quiz was conducted through Google Forms. The first round had questions from current affairs and the second round was a picture quiz. Five students were selected for the finals. Students showed enthusiasm in participation and gained knowledge about the nation.

September 2021

Teachers Day Celebration

The Department of Chemistry celebrated Teachers Day on 5th September via Google Meet. Students came up with various ways to honour the noble profession. Students expressed their love and respect for teachers through drawings, posters, videos and memes. Students also expressed their gratitude to all the teachers by delivering speeches, reciting poems and singing songs. Students also remembered Dr. Elizabeth Thomas, the Co-founder of CTTE College for Women, on her death anniversary. Students made videos highlighting her vision of establishing a women's college and paid tribute to her services. Teachers Day celebration was a huge triumph. It was a great opportunity to acknowledge the dedication and service of teachers in moulding a healthy society.

Online Training Programme on E-Content Development

An Online Training Programme on E-Content Development was organized from September 06, 2021 to September 13, 2021 for the students of CTTE and other colleges via Google Meet. As everything shifted to online mode due to the outbreak of the Pandemic, this training programme focused on training the students to develop creative E-Content and to help them organize online content using Google tools and other designing tools. The programme was conducted for seven days comprising seven sessions and each session was for one hour (2pm - 3pm). The Resource Persons were Ms. Hemavathy, MCA, Content Manager, Digital Marketing Lead, Chevalier T. Thomas Elizabeth College for Women and Mrs. Vijayalakshmi, MCA, Programmer, Department of Computer Applications, Chevalier T. Thomas Elizabeth College for Women. The Resource Persons gave meticulous training to the participants on developing E-Content. Around 40 students enthusiastically participated in order to learn the basics of editing. They found it useful as they could apply their learnings in their online based academic and extracurricular content creating activities.

October 2021

National Festival Celebration

The Department of Chemistry celebrated Ayudha Pooja, a traditional and significant Indian festival, devotionally, on October 13, 2021. It symbolizes the triumph of good over evil. Students sang devotional songs, drew rangoli, shared sweets and decorated the laboratory colourfully. Thus, they expressed their gratitude to all types of instruments and apparatus that are an integral part of our scientific experiments.

Powerpoint Presentation Competition

An Interdepartmental PowerPoint Presentation Competition on "Beauty and the Chemists" was conducted on October 25, 2021 in the college campus focusing the contribution of chemistry to the cosmetic world. This competition enabled students to know, analyze and understand the science behind their

skin care products and provided a way to explore the cosmetic world. Besides this, it improved their presentation skills, designing skills and creative thinking. COVID19 norms were strictly followed throughout the competition. Participants registered through Google forms and their presentations were collected as a soft copy via Gmail. Maximum duration allotted for each presentation was 5 minutes. Students of various streams came out with different inputs and presented their analysis and observation expressing their interest in science and cosmetics. The presentations were judged by Dr. S. K. Gaayathri, Assistant Professor, Department of Social Work, CTTE College for Women, who has 15 years of theatre experience and owns more than three Beauty Pageant Titles.

November 2021

Diwali Debate

On account of the Festival of Diwali, a debate on “Are Firecrackers Essential?” was organized on November 01, 2021 by the Department of Chemistry in the college campus. Students of III B.Sc. Chemistry were divided into two teams and they debated on the pros and cons of bursting crackers during the festival. This enhanced their critical thinking and students shared their views on celebrating Diwali without crackers.

December 2021

Open Quiz on 'Energy Conservation'

An Open Quiz on 'Energy Conservation' was organized for the students of the Department of Chemistry on 'National Energy Conservation Day', December 14, 2021 in the Chemistry Laboratory, following all covid protocols. The Open Quiz was conducted to evaluate the knowledge of the science stream students on Energy Conservation. This helped the students to develop their knowledge, stimulating their interest to learn more about Energy Conservation. The quiz covered all the basic Energy Conservation methods and concepts. There was no screening round. All the participants were allowed to answer in every round. Based on the average scores secured in all the rounds, winners were declared.

Webinar on 'NMR Spectroscopy'

The Aurum Club of Chemistry Department organized a webinar on “NMR Spectroscopy” on December 30, 2021 at 10.00 am via Google Meet. The main objective of the webinar was to educate the students on the fundamentals of NMR Spectroscopy. The Resource Person of the webinar was Dr. L. Parimala, Head and Assistant Professor of Chemistry, Annai Violet Arts and Science College. Around 35 students from various colleges benefited by attending the webinar.

January 2022

In-House Lecture on 'Spectroscopy - An Overview'

The Aurum Club organized an In-House Lecture on "Spectroscopy - An Overview" via Google Meet on January 28, 2022 at 4.00 pm. As spectroscopy plays a major role in scientific research, the fundamental concepts of Spectroscopy were introduced to the I, II and III year students of the Chemistry Department. Dr. T. Ramya, Assistant Professor, Department of Physics, Chevalier T. Thomas Elizabeth College for Women was the resource person for the In-House Lecture.

February 2022

Chemfest

The Aurum Club of Chemistry Department organized an online Intercollegiate contest "CHEMFEST " which focused on giving exposure to students on real life examples related to chemistry. It encouraged students to go beyond textual knowledge. Chemfest comprised three individual events namely Rasayana, Chemi Dossier and Element Hunt. Rasayana was a Video Making competition themed "Chemistry in the Ancient World", Chemi Dossier was a case study competition themed "Entrepreneurship in Chemistry/Chemistry Entrepreneurs" and Element Hunt was a event in which the participants were asked to identify and document the elements of the periodic table found in their household items. The events were open to all college students. Participants were asked to submit their entries to ctteaurumclub@gmail.com on or before February 10, 2022.

National Science Day Celebration

To commemorate the discovery of the Raman effect by Indian Physicist Sir. C. V. Raman, National Science Day is observed every year on the 28th of February. On this occasion, the Departments of Basic Sciences (Mathematics, Physics & Chemistry) in association with the Center for Student Development - Institution's Innovation Council of our College organized activities in the schools in and around Chennai from February 28, 2022 to March 2, 2022. Demonstration of the concepts of Basic Sciences provided the school students with opportunities to develop and practice different skills and attributes. The college students demonstrated the process of scientific investigation which helped the school students to develop a broad understanding of concepts in Basic Sciences. A total of 900 students from fifteen schools in and around Chennai benefited from this activity.

March 2022

Visit to the 45th Chennai Book Fair

The final year students of the Department of Chemistry visited the 45th Chennai Book Fair organized by BAPASI on March 03, 2022 at YMCA, Nandanam. Students eagerly visited various book stalls and purchased books of their interests.

Excursion

The final year students of the Department of Chemistry went on a One-day Trip to MGM Dizzee World on March 09, 2022. The fun and adventurous trip enlivened students by helping them come out of their confines and served as a stress buster.

Industrial Visit and Field Trip

The students of the Department of Chemistry visited Orchid Chemicals and Pharmaceuticals Ltd. located at Old Mahabalipuram Road, Sholinganallur, Chennai on March 26, 2022. The main objective behind the visit was to give students an exposure to better industrial and business practices in progressive economics. Students also visited the cultural heritage site 'Mahabalipuram' and witnessed the vibrant art and architecture.

April 2022

"Milir"

Name of the programme : Entrepreneurial Expo and Inauguration of "Milir"

Date and Duration : April 07, 2022

Objective : To promote nature friendly products derived from plant based materials. To create a path for future entrepreneurs and women leaders.

Outcome : The natural products of 'Milir' including varieties of soaps, organically dyed fabrics, soil conditioners, organic fertilizers, pesticides and recycled notebooks were on sold in the Entrepreneurial Expo.

Participants : UG Students of Department of Chemistry

Chief Guest : Mrs. T. Vanadhi Devi, President,
Southern Industrial Academy for Women
Entrepreneurs Development, Chennai.

State Level Workshop on "Molecular Modelling Tools"

Name of the programme : State level workshop on ' Molecular Modelling Tools'

Date and Duration : 23rd April 2022

Objective : To acquaint the students with knowledge on Molecular Modelling and conceptual background of Computational Chemistry.

Outcome : Hands-on Training on Molecular Modelling Tools was given to the students of various colleges.

Methodology : Gaussian and Gaussview Softwares

Participants : UG Students of Department of Chemistry and Physics of C.T.T.E College and Thiruthangal Nadar College

Resource Person : Dr.V.Rajapandian
Assistant Professor of Chemistry
Sri Ramakrishna Mission
Vidyalaya College of Arts and Science
Coimbatore

Hands-on Training Programme on 'Biogas Plant and Its Maintenance'

Name of the programme : Hands-on Training Programme on 'Biogas Plant and Its Maintenance'

Date and Duration : April 27,2022

Objective : To let the students know the importance of an Eco friendly lifestyle and self sustainability.

Outcome : Guidelines on proper maintenance and usage of the Biogas Plant in the college campus were given to the students.

Participants : UG Students of Department of Chemistry

Resource Person : Mr. D. Suresh who is popularly tagged as 'Solar Suresh'

Report on Career Guidance Programme

Objective:

To create an awareness of higher education and career opportunities abroad.

The Department of Physics organized a career Guidance Programme on “International Education and Migration Opportunities in Australia”, in association with the Department of Computer Applications on May 10, 2022. The resource person Mr. Thiruvengadam Arumugam J P, Registered Migration Agent and Member of Migration Institute, Australia, enlightened the gathering on the various higher education and career opportunities available in Australia.

REPORT ON FIELD VISIT

Objective:

- To observe and collect plant specimens and know its use.
- To study the natural habitats and characters of the plants found in the area.

Methodology: Field visit

To undertake field visit, which is a part of EVS Syllabus, a visit was organized by the Department to the Horticulture Park, Madhavaram on May 4, 2022. This is one of the largest urban lung spaces in North Chennai. Students observed different species of flora. Various gardens like Topiary Garden, Hibiscus Garden, Cactus Garden, Lily Garden, etc., attracted the students. In addition to observing a diverse collection of plant species and knowing its medicinal values, the green space provided recreation for the students. 6 students benefited from this.

Outcome:

- Observing the flora in its natural form reinforced the classroom lectures and laboratory experiments.

Report on Three Day Workshop on E-content Development- Technology Aided Participatory Teaching and Learning Modules (TAPTLM)

Objective:

- To generate ideas on E-content for Physics concepts at the higher secondary level
- To understand the process of E-content designing, developing and delivery
- To create interest in the subject by developing audio, video modules.
- To provide a space for the students to build their own ideas.

The Three Day workshop on E-content Development was organized under the initiative of The Samagra Shiksha, Department of School Education, Government of Tamilnadu. The workshop aimed at developing Technology Aided Participatory Teaching and Learning Modules (TAPTLM) in Physics to create a platform for school students to understand and learn Physics concepts in an easy way. The students from selected city colleges were given an opportunity to participate in the project under the guidance of Dr.Rita John, Professor and Head, Department of Theoretical Physics, University of Madras. Dr. Rita John outlined the objective of the programme - the need to develop student centric modules, in the realm of Educational Transformations. In this context developing E-contents will provide a unique opportunity for the students to learn the subject any time at their own pace. Concepts in the form of videos based on animated real-life experiences makes learning interesting and everlasting. Students submitted 15 videos containing concepts on electricity which will be animated and illustrated in 3 D by the technical team of Enthiran movie. The professors from various colleges helped in refining the content.

Outcome:

- Students collaborated with their peer group belonging to different city colleges to generate creative content.
- Students learnt to work as a team providing space for other's ideas and accepting the same.

Report on World Hand Hygiene Day**Objective:**

- To create an awareness on the importance of hand hygiene to prevent transmission of diseases.
- To develop social responsibility among students

As a part of social responsibility, the Department raised awareness on the importance of handwashing to prevent the community spread of diseases and save lives, on account of World Hand Hygiene Day on May 5, 2022. The students distributed Pamphlets to the locality and highlighted the significance

of washing hands with soap and water, especially when the threat of deadly virus is looming around.

Zero Shadow Day

Objective: To develop scientific attitude by observing Physics in nature.

Methodology: Experiential Learning

As a part of experiential learning, students were encouraged to observe special celestial events. Zero Shadow Day is a special celestial event that occurs twice in a year. There will be no shadow exactly at 12.07 pm when the sun is exactly at zenith. On April 24, students experimented the disappearance of shadow using household items.

1. GUEST LECTURE ON HYPOTHESIS AND INFERENCE STATISTICS

The Department of Psychology, Chevalier T Thomas Elizabeth College for

Women, in collaboration with IQAC organized an online Guest Lecture on the topic “Hypothesis and Inferential Statistics” on 13.9.21. The speaker Mr. R. Surya Kumar gave a clear picture about framing the Hypothesis, the various statistical analysis used in a research and how we should choose the statistics and hypothesis according to the research. It was a great exposure to all the students regarding research. A new path was clearly explained and several students had a great time interacting with the speaker as he was open to different questions asked by the students. The students showed active participation throughout the session.

2. WORKSHOP ON MENTAL TOUGHNESS ON TEENAGERS

The Department of Psychology, Chevalier T. Thomas Elizabeth College for Women, in collaboration with IQAC organized an online workshop on “Mental Toughness on Teenagers.” The Resource Person was Dr. Vasanth. R, MBBS, M.D (PSYCHIATRY) and the session was conducted on 18.9.21. The session was novel and grasped the attention of the students. The speaker ensured that each student was able to relate and give suitable examples on how to handle each situation. Dr. Vasanth gave techniques for students to work on their mental toughness in their day to day lives. The students were highly motivated, vibrant and showed active participation throughout the session.

3. SEMINAR ON RECENT TRENDS IN PSYCHOLOGY

The Department of Psychology, Chevalier T. Thomas Elizabeth College for Women, organized a Seminar on “Recent Trends in Psychology.” The Resource persons were Mrs. B. Hemamalani, Prison Psychologist, Puzhal Central Prison, Dr. M. Barathan, Deputy Director (Retd), Forensic Science Department and Ms. Arthy Jayavel, Assistant Professor in the Department of Clinical Psychology, Sri Ramachandra Institute of Higher Education. The seminar was taken by three eminent speakers and it was explained with great clarity about various trends and fields of Psychology. It was a great exposure for the students and they showed active participation throughout the programme. The information and knowledge gained has been fruitful and will remain to be useful in the future for all the students.

4. 2 DAYS WORKSHOP ON BUILDING UP HAPPINESS & RESILIENCE

Department of Psychology, CTTE College for Women, in collaboration with IQAC organized a Two Day Workshop on “Building up Happiness and Resilience Skills” on 8/12/2021 & 16/12/2021. Dr. A. Nirmala, Former Principal & Secretary of Ethiraj College for women, served as the resource person. This has been an absolutely amazing and enlightening workshop. Students were delighted to learn about what an actual happiness is and got to know more about Hedonic, Eudemonic and Perma. She also taught a few techniques to be happy everyday and bring out positivity in life. It was great to learn about the techniques and to know how it can be used every day, anywhere, anytime, for any problem. The session was more interactive, where every student was able to express her thoughts. Students found it very worthwhile and thankful to the resource person for sharing her skills with them.

5. 7 DAY SEMINAR ON MENTAL HEALTH- MENTAL HEALTH IN AN UNEQUAL WORLD

Day 1 of the Seminar on Mental Health was started by Mrs. Lavanya who shared about “Emotional Regulation and Gratitude” which was very fruitful and captivating. The next day, Mrs. Varsha Vinod, Clinical Psychologist, was the guest speaker. She spotlighted a lot of sexual disorders and the logic behind them. Mrs. Alima Zehra who is the Head of the Department of Psychology in CTTE College shared some of the greatest and inspiring messages about self esteem. Day 4 was addressed by Mrs. Marita Wilson whose lecture on Conformity proved to be vital. Ms. Jeemol P Bejoy, who is a Psychologist and an Assistant professor , bestowed her amazing message about Self care and Love Dr. Ragitha Radhakrishnan, Head of the Department of Psychology, MGR Janaki College of Arts, gave some of the excellent views regarding the topic, “Prosocial Behaviour.” Ms.Smrithi Lakshmi Narashiman, Assistant Professor, spoke on the topic “Anger and Stress Management” in which she shared some surprising key solutions to tackle and control anger.

INTERNATIONAL CONFERENCE ON MENTAL HEALTH AND GENDER SENSITIZATION – 7, 8 & 9 MARCH 2022

Three Day “International Conference on Mental Health and Gender Sensitization”, was organized by the Department of Psychology, in collaboration with Internal Quality Assurance Cell and Centre for Student Development comprising Entrepreneurship Development Cell and Institutions & Innovation Council.

The first keynote speaker was Dr. Srimathy Kesan, Founder & CEO of a leading space technology and research firm “Space Kidz India” specializing in space Research, rocket design and building and launching satellites. The second key speaker was Mrs. Rehana Ameer, Councillor, City of London Corporation & Businesswoman who is the first Indian born woman to be elected as a Councilor in the City of London. Dr. Hans Werner, Professor, Institutional Director at International Centre for Clinical Psychology and Psychotherapy enlightened the gathering by speaking about the amazing practices and techniques implemented in psychodrama. Dads of Meenakshi Vignesh Chandrashekar spoke on LGBT and Equal Parenting. It was followed by a Panel Discussion on the Role of Gender in Mental Health, Academics, Sports, Art, Media, Business, Law, Medicine and Nutrition.

PANELISTS

- Mrs. Beena Thomas, Associate Professor & Head, Department of English, CTTE College for Women.
- Mr. Anand Kumar, World Peace Ambassador, Founder, India Turns Pink.
- Mr. Ramanathan, Voiceover, Dubbing, Acting & Script Writing.
- RJ Mridhula, Radio Jockey & Producer at Big FM.
- Dr. Suresh Kumar, Head, PG Department of Psychology, The American College, Madurai.

- Dr. V. Srilatha, Professor, Dept of Tamil, Prince Sri Venkateshwara College of Arts and Science.
- Mrs. Bhagyam, Mrs. Chennai Superwoman 2019 & Josh Talks Speaker.
- Mrs. Adilakshmi, Advocate High Court, Madras & Social Activist.
- Dr. Jeyam Kannan, Emeritus Professor, Tamilnadu Dr. MGR Medical University, Chennai.
- Dr. Saraswathy B, Assistant Professor, Department of English, CTTE College for Women (Panel Moderator).

Panel Discussion focused on the opportunities, challenges and difficulties faced by women in different sectors. The attendees had the opportunity to listen to the opinions, thoughts and suggestions given by the panelists on Mental Health and Gender Sensitization.

The last session of Day 2 came to an end with the speech of Ms. Gomathi Seetharaman, Founder- Arogya Yatra, Health Advocate and Motivator. She delivered a talk on “Yoga, Health & Hygiene.”

Dr. S. Kathiravan, Professor & Head, Department of Psychology, Periyar University, Salem. She focused on the Impact of Mental Health at Work among Men and Women. It was followed by a session on Gender Stereotypes by Dr. Syeda Ruksheda, Psychiatrist and Psychotherapist, Trellis Family Centre, Mumbai. The conference came to an end with the valedictory Programme. Mrs. Gowri Ashokan, Former Chairperson Tamilnadu Govt. Women Commission was the Chief Guest for the programme.

At this conference, 60 papers from different colleges were received for the paper presentation. Each paper proposal was evaluated by 4 Chair Persons and about 51 of these were accepted and presented during the Paper Presentation.

We had paper presentations on Day 1 and Day 2 and the sessions were chaired by

- Dr. Sasikala, Assistant Professor, Dept. of Psychology, University of Madras.

International Panel Discussion on “Robotics in Human Life”

The Department of Computer Applications, Chevalier T. Thomas Elizabeth College for Women organized an International Panel Discussion on “Robotics in human life” on 30/05/2022 at 1 pm.

The panel was enriched by four eminent speakers in distinguished fields of Robotics. They were Speaker 1 - Dr. Mayank Mathur, The Christie NHS Foundation Trust, Manchester, UK followed by Speaker 2 - Dr.S. Shanthi, Principal,Care Engineering College, Trichy, Speaker 3 - Mr. Arun Kumar Natarajan, Process Automation Specialist, FLSmidth and Speaker 4 - Mr. Praveen Kumar, Co-founder, Vbind Innovations, Chennai.

Dr. Mayank Mathur enlightened the gathering on Robotics in Medical Care and Surgery. He emphasized the use of Robotics in saving human life in

various traumas. This helped the students to understand the societal use and life saving cause of “Robotics in Human Life”.

The next panel member Dr. S. Shanthi focussed on Research areas in Robotics and the influence of Artificial Intelligence in the workplace, she also explained about the Robotics in research areas related to medical technologies enabled robots. She helped the students to understand the concept of Neural Networks and Machine Learning as the early stage of understanding the technologies. She showed a live demo of Da vinci Surgical Robot systems and how it has been used to treat Rheumatoid Arthritis and Physiotherapy.

Mr. Arun Kumar Natarajan started his session explaining about RPA (Robotic Process Automation) and benefits of RPA. He explained how human beings and robots are bonded here - Cohesions of human and bot.who provides the RPA solutions, He explained clearly about What is RPA and What is not RPA? INDUSTRIAL VISIT TO GT PRODUCTS, THIRUVALLUR DISTRICT, CHENNAI REGION on 25.02.2022

OBJECTIVE:

To expose the students to experiential learning on the functioning of companies.

The Post Graduate and Research Department of Commerce organized an Industrial Visit to GT Products located at Ernakulam Village, Vadamadurai, Tiruvallur District on 25th of February 2022 for the students of II B. Com General 'A&B'. Totally, 131 students visited the Manufacturing unit of GT Products and 3 Faculty members of the Department accompanied them. As the Industrial Visit is part of their curriculum, students were given the opportunity to understand the various industrial practices and also to relate theories learnt in the classroom with practical knowledge. They were exposed to an environment where they could observe the various processes that took place from the first Stage, where raw material is converted into a semi-finished product, to the final Stage, where the raw material gets fully converted to a marketable finished product ready for sale.

The students learnt how charcoal and sawdust is getting converted to aromatic incense sticks, dhoop sticks and dhoop powder. They also learnt about the mixing of various raw materials into a pulverizer, drying of the mixture, and after drying how it is being converted into incense and dhoop sticks and finally packaged. The most unique quality of their product is usage of natural raw materials imported from countries like Vietnam and Thailand. Thus, the students understood how a product is gaining its value by the various processes undergone through different stages. The Industrial Visit was a learning experience for the students as it made them aware of how industries bring the product into the market for sale.

ROLE OF FACULTY:

Guiding the students in enhancing industrial knowledge and also relate theories learnt in class with practical knowledge of production process, management, coordination and marketing.

OUTCOME:

The students were able to fully understand how a raw material is getting converted to a finished product through various processes.

LONG TOUR

DATE: 20.04.2022 – 24.04.2022

PLACE: Cochin, Munnar, Athirappilly Falls

PARTICIPANTS: III B.COM(GENERAL) I M.COM Students.

TRAVEL AGENCY: Star Tourism

Post Graduate and Research Department of Commerce organized a Three Day long tour from Chennai to Munnar. This was arranged for the students after COVID 19'. 86 students (72 – B.com (General) &14 M.COM) accompanied by 4 staff members went to Kerala. The trip started from Chennai on 20th April 2022, Wednesday, 3.15 by Ernakulam Express. The journey lasted for 12 hours. Students reached Munnar by 8.30 AM via bus and checked in Amuse Vista Hotel which had a beautiful ambiance and fresh food was provided. On the first day the participants visited Eravikulam National Park which is considered as the cleanest park in India and is the site of endangered species of mountain goats. In the evening they went on an industrial visit to Kannan Devan Hills Plantations Company Ltd. which is considered as India's first tea museum in Nullatanni Estate. It was a beautiful outlet where students were allowed to check out the whole manufacturing unit and a special discount was provided for purchasing tea products.

On the second day the participants visited Mattupetty Dam, an eco point, Cinnamon Gardens and Spices Plantation which has over 100 species of spices, herbs, ayurvedic medicinal and economically important tropical plants. Students purchased freshly manufactured chocolates, spices and ayurvedic medicines. In the evening a visit was arranged to Cheeyappara Falls located on NH 49 and reached hotel, The Dunes Continental by 8 PM.

On the third day a visit to the famous Athirappilly Falls, situated in Athirappilly Panchayat in Chalakudy Taluk of Thrissur District in Kerala, India, located on the Chalakudy River, which originates from the upper reaches of the Western Ghats at the entrance to the Sholayar ranges was arranged. It is the largest waterfall in Kerala, which stands tall at 80 feet. After that, participants had their lunch and left for shopping. Students purchased whatever they wished to buy. After shopping they went back to the hotel to have dinner. Finally they arrived at Ernakulam Station by 09.30 pm to board Train No. 12696 from Ernakulam to Chennai Central. Students reached Chennai Central at 10am and came back home with many happy memories.

INDUSTRIAL VISIT REPORT

Students of III B.com(G) and M.Com. of the Post Graduate and Research Department of Commerce (86 students & 4 faculty members) visited Mattupetty Tea Factory at Mattupetty in Kerala on 21st April 22.

The students visited the tea factory, got to know many interesting facts related to the process of manufacturing tea and all other related aspects. The tea museum preserves aspects of the genesis and growth of tea plantations in Kerala. The factory houses curiosities, photographs and machineries, depicting the point that contributed to Kerala's flourishing tea industry. Different processes through which the tea is processed were witnessed by the students at various stages of the tea processing such as crush, tear, curl. They also learnt about the production of Kerala's tea variants. Students were provided the facilities to purchase various products right in their outlet called RIPPLE TEA.

Place: Phoenix Market City

Theme: Explore

The intention was to enrich the knowledge of the students by means of exploring the marketing world, business relations, consumer behavior and much more

Nearly 44 students from 1st B. Com General 'A' section enthusiastically took part in this intellectual research activity.

Students came across almost all foreign and inland brands. They had an opportunity to interact with the customers. Though the prices are high, people came there to spend quality time with their families. Overall they gained a new experience.

REPORT ON VIVA VOCE- 2022

The PostGraduate and Research Department of Commerce conducted the viva voce for the final year students of II Mcom (General) on 19.05.2022 at 9:30 am. Description

The objective of this workshop is to shed light on transformation in knowledge transfer brought in by the ICT tools. The target audience for this workshop were the faculty members across disciplines. The speaker stressed upon the inevitability of adapting to the latest teaching-learning technology in higher education scenarios. The emerging technologies have to be explored and managed for sustainable knowledge sharing and development. The highlight of the workshop was that the participants were given hands-on training to use some of the tools inside their classroom and thus making it more effective to the theoretical knowledge gained in this workshop. The Department received positive feedback from the faculty members that this workshop has given excellent knowledge on different tools and how these simple ICT tools can be innovatively employed by them in the classroom to supplement their traditional Teaching-Learning system. They also recorded that usage of ICT Tools is challenging, but yet to be managed and explored for sustainable knowledge sharing and development.

DRAMA CLUB ORIENTATION

DATE: 27th July 2021

TIME: 3.00 pm to 4.00 pm

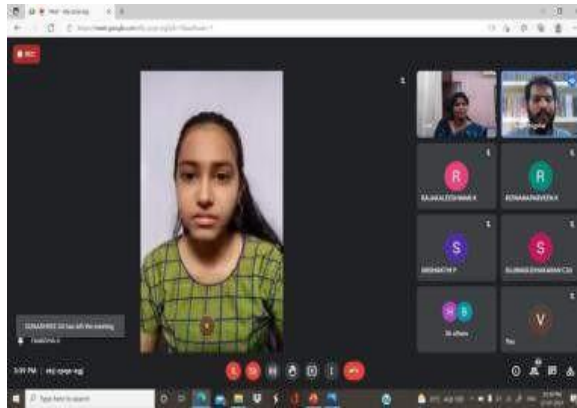

EVENT: DRAMA CLUB ORIENTATION

GUEST SPEAKER: Mr. R NIRANJAN

The C.T.T.E Drama Club organized an ORIENTATION ON DRAMA on July 27, 2021. This club is newly introduced in this academic year. The Guest speaker for the very first session was Mr. R. NIRANJAN, Acting Trainer at Shasun Jain College for Women and Acting, RJ and VJ Trainer at Natchathira Pattarai. He gave a detailed view about drama, theater arts and the benefits of it. He strongly said that drama will develop personality, leadership, confidence, creativity and mold a person into a good human being. Drama also creates awareness, brings out the culture and also will help to exhibit our talents. Observation is essential for a drama artist. Drama mainly targets the needs and likes of the audience and it should be scripted according to the situation and place. The speaker expressed that the two most important things of drama are Information and Presentation. He concluded with a saying in Tamil which he felt that keeps him going, “வாழ்ந்தவர் கஷாடி! மறைந்தவர் கஷாடி! மகக்ளின் மனதில் நின் வைர் யார்? ஊலஞன் ”
