Name of the Activity: World Heart Day

Date: 29/09/2023

Organising unit/ agency/ collaborating agency: RRC

Name of the scheme: RRC

Participants: 1010

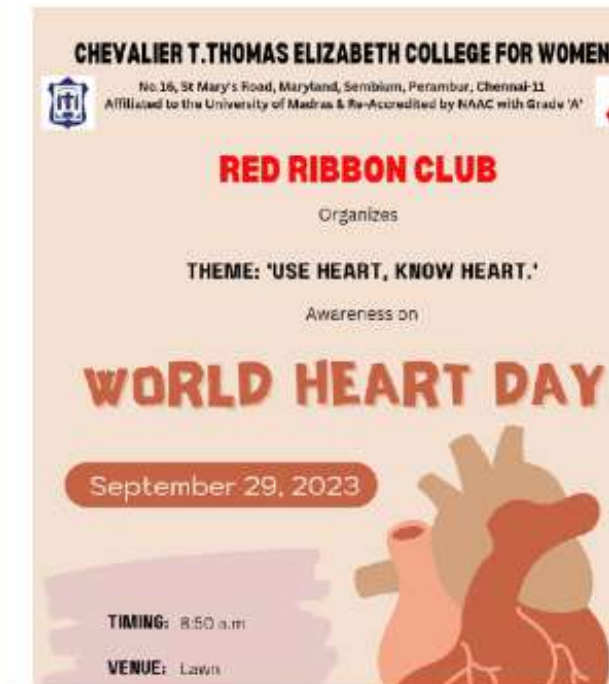

Report:

Objective:

To raise awareness about cardiovascular diseases and promote heart-healthy lifestyles globally. The Red Ribbon Club of Chevalier T. Thomas Elizabeth College for Women organized an Awareness program for the students to know about the cause of heart disease on World Heart Day. It is an opportunity for everyone to stop and consider how best to use hearts for humanity, nature, and for everyone. The theme for World Heart Day this year is 'Use heart, know heart 'on 29th September 2023 in the Lawn at 8.50 am. The club volunteer, Ms. Sentamizh. S.M of II BSc Chemistry gave an awareness speech during the morning assembly. Around 1010 students participated in the program.

Outcome:

The event provided an opportunity for the students to join a global call to raise awareness about heart health and accelerate actions to prevent, detect, and manage cardiovascular diseases.
