OBJECTIVE: We inspected the quality of the rare block canteen product and Hygiene.

OUTCOME: Today, our team conducted a thorough inspection of the canteen facilities. I am pleased to report that the quality of the products used in cooking meets our standards, ensuring the provision of hygienic and safe food. We meticulously examined items such as chocolates and snacks to verify their expiration status, and I am delighted to inform you that all items are indeed fresh and within the recommended date. However, it is important to note that despite having obtained permission for the inspection, we encountered rudeness from the canteen worker. We believe that fostering a respectful and cooperative environment is crucial for the success of such initiatives, and we hope to address this matter for the overall improvement of our community efforts
